

PROSECUTION IN A STATE OF COLLAPSE WOULD BE GLAD TO DROP PARKE CASE IF POSSIBLE.

Captain S. S. Derman Succumbs to an Attack of Chills and Fever. Order Recently Received by the Thirteenth from Adjutant General Corbin the Cause of Much Speculation—Major General Graham and Staff Made a Tour of the Hospitals.

Special to the Scranton Tribune. Camp Meade, Middletown, Pa., Sept. 22.—The prosecution of Major C. P. Parke, who was ordered under arrest some time ago for an alleged offense, in failing to forward descriptive lists with patients sent to the hospitals, is virtually in a state of collapse. So far a very lame case has been made out, and if possible the entire matter would be gladly dropped by those who started it.

Major Parke is represented by Brigadier General Gobin and Captain Norris, of the Third brigade, both prominent lawyers who are pressing the prosecution hard. If the prosecution fails to make out a case, which now seems inevitable, Major Parke will not allow the matter to drop.

Captain S. S. Derman, of company A, has succumbed to an attack of chills and fever. The patient was removed from here to Harrisburg this afternoon and left for his home in Scranton.

The chief topic of conversation yesterday among the members of the Thirteenth is the recently received telegram from Adjutant General Corbin, which directs the commanding officer of the regiment to make returns every ten days to the War Department, detailing, per company, the number of men actually present and capable of attending to military duty. The order came through corps headquarters, and while it has been communicated to the Thirteenth and to the Fifteenth Minnesota, it was found on inquiry that, as yet, it had not been communicated to the Eighth Pennsylvania, the remaining member of the Third Brigade.

OPINION OF OFFICERS. Most of the officers, who have expressed themselves on the question, seem to think that this is done to give the War Department direct and systematic information as to the health status of the regiments; but whether it means that, in case the health records of any particular regiment should show up badly, that command would be mustered out, they were not willing, or prepared, to say. There is hardly any doubt whatever, that such would be the case.

All during yesterday Major General Graham, accompanied by several members of his staff, made a tour of the hospitals, governmental and Red Cross, and inquired as to the well-being of the sick. In the afternoon twenty-five patients were removed from First Division Hospital to a train which stood on the Pennsylvania railroad tracks. They were brought to the Good Samaritan Hospital at Lehigh, the only member of the Thirteenth among the number was Corporal Stephen Lyman, of Company C, whose case is somewhat puzzling. When the regiment left Camp Alger, he was discharged from the hospital and was reported by his company as fit for duty. He was, however, far from it and continued to get worse instead of better. The end came last Saturday. A relapse set in and malarial fever of a very active kind necessitated his removal to Division Hospital.

Corporal Biddleman and Private William Castellan, of B, and Bugler Emmet McDermott, of C, were brought yesterday to Division Hospital. They are fever patients.

SURPLUS DISTRIBUTED. Lieutenant Johnson, acting quartermaster in place of B. Cox, and Commissary Sergeant Wormser, chief of the heart of the boys yesterday. They made up their accounts, and it was shown that since August 25 quite a sum had been saved on the issues of bread. It will be remembered that if all the bread issued is used, the government is not needed, the surplus may be refused and cash received to make up the difference. In this respect enough has been saved so that since August 25th each company in the regiment has received forty dollars. That amount has been divided so that each last dividend so speak, was declared yesterday. This money is the property of the members of the different companies, and is expended in buying extras occasionally. It is held in trust by the quartermaster and used generally at their and the captains' discretion. In this way, a fund is always on hand, ready to be used when Uncle Sam's menu is either unpalatable or non-existent. Lieutenant Johnson says that there is some more cash coming in a few days.

Ex-sergeant Major Harry R. Lathrop bade good-by to the boys yesterday morning. He was sorry to leave them, and they regretted to see him go. He will spend a few days visiting his parents and friends before returning to Princeton college.

Sergeant Major William McCulloch, notice of whose appointment to that important position was received here Tuesday night by telegram from Colonel Courson, assumed the duties of his new office yesterday, and, if his manner of conducting guard mount this morning is to be taken as an index of his ability, will leave no doubt as to the wisdom of his selection. No choice could have been more pleasing to the members of the regiment, and this was clearly shown by the manner in which they celebrated the event last night.

NEW SERGEANT MAJOR. Sergeant Major McCulloch, say three years' service in the National Guard; and, though his term of enlistment was completed when the regiment was called to Gretna last April, he nevertheless left his place in the Traders' Bank, and re-enlisted on the train while going from Scranton to Camp Meade. He is a typical soldier, and well qualified to discharge the duties of sergeant-majorship. The boys all wish him every success.

Yesterday afternoon Hon. S. S. Jones, the well known Carbondale alderman, accompanied by his wife, and Mr. and Mrs. Lee, of Harrisburg, paid a visit to camp, calling on Privates William Meyer and Andrew Mitchell, Jr., of a company. The party was shown around camp and expressed much pleasure at their trip. On leaving, the alderman, mindful that the 30th of the month is midway between pay days, and, therefore, a season of financial embarrassment to most of the boys, gave Privates Meyer and Mitchell a \$5 bill with the injunction that they should "have something on him."

Captain Derman, of A, was officer of the day yesterday; Lieutenant

Footo, of D, officer of the guard; Lorenzo Blasse, of D, sergeant of the guard; Edward Frear, of C; Herman Blunk, of B, and Homer Pease, of A, corporals; orderly, Private Harry Edwards, of C.

Artiller Hoffman and Privates Sherman Cuminski, Niebling, Bender, Gardner and Boone, of A, left for home last night on a seven-day furlough.

During the illness of Bugler McDermott, Musician Harry Evans blows the calls.

Private Harry Costner, of D, recently entertained Mrs. May Williams, of Carbondale, and her friend, Miss Watson, of Harrisburg.

LIEN. ROBERTS IN CHARGE. In the absence of Captain Kambeck and Lieutenant Berry, both of whom are sick, Lieutenant Roberts is in charge of Company B.

Private Joseph Geiger, of H, has returned from a sick leave of thirty-seven days.

Company Clerk John Mallia, of C, arrived in camp yesterday evening after a short vacation spent with his family on the South Side.

Corporal Arthur Ridgway, of B, has a slight touch of rheumatism in the left arm and hand.

Mrs. Thomas Lewis, of Scranton, is in camp today visiting her husband, Private Thomas Lewis, of A company.

Several members of the Fifteenth Minnesota were entertained last night in D street by Privates Maiott and Griller, of B, and Corporals Cleary and Day, of D; Edward J. Kelly, of the hospital corps, and Private Harry Lucas, of D, sang.

Word was received at headquarters last night that Corporal George Robbing, of C, and Private Beelman, of B, had been removed from the old division hospital to Dunn street to the Fort Myer hospital. Both are doing well.

Sergeant Warren Colwell, Corporal Berry and Private Thompson, of B, left today for home on a week's furlough.

Miss Zacharias, of Scranton, paid a visit to friends in B company this morning.

Richard J. Bourke.

MAJOR PARKE ON TRIAL.

It is Predicted That He Will Be Restored to His Former Position by the Court Martial.

By Associated Press. Camp Meade, Middletown, Pa., Sept. 22.—Major Charles R. Parke, of Scranton, is being tried by general court martial at the headquarters of Major General Davis for alleged refusal to receive descriptive lists of patients directed to the second division hospital. Parke was arraigned this morning on charges preferred by Major Sirinagell, of the Fourth Missouri, and the trial will probably continue several days.

General Gobin and Captain Norris, counsel for the accused, objected to Captain Avis, of the Second West Virginia, and Lieutenant Mattison, of the First Rhode Island, acting as assistant judge advocates. They contended that these officers had not been regularly detailed to assist Judge Advocate Hankin, of the Second Tennessee, and were sustained by the court.

Captain Kalbach, assistant surgeon of the Second West Virginia, chief witness for the prosecution, testified that he had furnished descriptive lists of patients sent from his regiment to the Second division hospital while Major Parke was returned in charge and that they were returned by the ambulance driver. Similar testimony was given by other witnesses, although none would state positively that Parke had refused to receive such lists. The judge's friends believe he will be acquitted and restored to his former position of executive officer of the Second division hospital.

George W. Hoffman, private, Company H, Second West Virginia, Tunnellville, died of typhoid fever this morning at the Red Cross hospital. Chief Surgeon Girard is having stoves placed in the field hospitals and is making other arrangements to make the sick and nurses comfortable during cold weather. The Red Cross nurses have presented Colonel Girard with a dressing gown as an evidence of their cordial relations.

The seventh Ohio started today for Columbia to be mustered out at the expiration of a thirty-day furlough. The Fourteenth Pennsylvania expects orders to muster out and there is a strong probability that the regiment will be ordered to Pittsburg within a fortnight.

The mornings at camp are being largely devoted to setting up exercises for the purpose of getting the men in good physical condition for duty in sub-tropical climates. There is also more than usual attention being given to loading and firing and skrimish drill, as it is thought that whatever service may have to be performed in the newly-acquired possessions will be in the nature of suppressing mobs and preserving order in cities and towns. The certainty of being sent to distant shores has had the effect of removing much of the discontent that prevailed in many of the regiments over the refusal of the war department to muster them out.

Rabbi Friedman, of Harrisburg, has received information from Major General Graham, that permission will be given to Jewish soldiers of camp to attend service on the day of Atonement, from Sunday evening till Monday evening of the next week.

CRALL IS ELECTED.

Vice Counselor of Junior Order of United American Mechanics. New Castle, Pa., Sept. 22.—The contest for vice counselor of the Junior Order United American Mechanics ended today in the election of Charles P. Crall, of Monongahela. The vote stood Crall 27, Charles A. Westerman 15.

The report of the finance committee of the order shows that there are 74,000 members in good standing in the state for 1898. The per capita tax will be fixed at 15 cents each or a total of \$11,000. The tax to each member for the orphans' home will be 10 cents for the year or a total of \$7,400. Salaries were fixed as follows: State counselor reduced from \$1,000 to \$800, and his expenses from \$1,000 to \$800; state vice counselor \$200, with expenses at \$200, the latter being a reduction of \$100; junior past counselor the same. The reports from the different councils represented show that the order is in an excellent condition and that the increase in membership has been a healthy one.

Hood's Pills. Should be in every family medicine chest and every traveler's kit. They are invaluable in all cases of indigestion, constipation, biliousness, and all liver troubles. Mild and efficient. 25 cents.

COUNCILMEN LIKE MR. KELLER'S PLAN

[Concluded from Page 5.]

General Phinney engine examined by the Dickson Manufacturing company and repaired if he thinks advisable.

In conformity with Mr. Zieseman's resolution, President Moir added E. Wenzel and Mr. Gilroy to the special committee on firemen's convention.

The lower branch concurred in select council's action in extending to Nov. 1, the time for the payment of taxes without penalty.

QUINCY AVENUE PAVE.

There was a long debate over the petition of the property owners on Quincy avenue, between Pine and Gibson streets, that the proposal of the Barber Asphalt paving company to lay a pavement at \$2.27 per square yard be accepted.

The petition was select council's affirmative resolution. Several of the councilmen were opposed to making the award, as the original estimate of the city engineer was \$2.10 per square yard. The estimate was made before a change was made in the specifications. Common council concurred in the award after the reading of the city solicitor's opinion, which was to the effect that the award would not be liable in any part of the additional expense.

The select council ordinance, providing for the paving of Forest court, south of Spruce street, with asphalt, was reported forthwith and favorably by the pavements committee and was passed two readings.

Mr. Gilroy succeeded in having taken from the table and killed, the resolution directing the city engineer to prepare a statement showing what portion of the Barber court sewer was constructed by P. J. Thornton and company, contractors, and what portion by their bondsman, John J. Fabey, and that payments be made according to such statement.

The park committee, through Mr. Wirth, reported favorably the ordinance regulating the distribution of donations to the parks. It was referred for printing. The committee also reported favorably the resolution directing that \$14,000 for the purchase of Tripp's woods for a public park be included in the bond ordinance being prepared by the special bond ordinance committee.

Proposals to lay sidewalks and curbing on both sides of Tenth street, between Scranton and Luzerne streets, also on Garfield avenue, between Washington and Jackson streets, and also on Meridian street, were received from W. W. Davis, R. R. Williams and James McNally, William C. Jones, F. Mulligan and R. S. Keeler and referred to committee.

The streets and bridges committee reported favorably an ordinance providing for narrowing the roadway and widening the sidewalks on Delaware streets, between Washington and Wyoming avenues. It passed two readings as did the ordinance providing for sidewalks and gutters on Prospect avenue.

IN SELECT COUNCIL.

Quincy Avenue Pavement Award Causes Some Debate.

Select council last night took from the hands of the paving committee the bids for paving Quincy avenue and awarded the contract to the Barber Asphalt Paving company for \$2.27 per square yard.

This action was in line with the wishes of the property holders, all of whom petitioned for the pave and afterwards that the Barber company be awarded the contract at the price named in their proposal.

In moving the matter taken from the committee, Mr. Coyne, its chairman, said he had consulted City Solicitor McGinley regarding the possibility of the city being mulcted for the assessment and had received a favorable opinion setting forth that as the price of the award is fixed by law, it is within the province of councils to allow them to select who would do the work for them; and, further, that as the city was only liable to the contractor for as much of the assessment as it collects there is no fear of the city being involved in any other.

NOT SATISFIED.

Mr. Sanderson was not satisfied that there was no risk in the matter. The city is responsible for the legality of the assessment, and if it places an irregular assessment in the hands of the contractor, it is liable for the consequences.

Mr. Roche could not see that there was any risk in the matter, and after the council agreed to take the matter from the committee's hands, moved to award the contract to the Barber company. The motion prevailed by the following vote: Ayes—Messrs. Thomas, James, Roche, Melvin, Wagner, Fellows, Lansing, Frable, Coyne, Chittenden—10.

Nays—Messrs. Ross, Finn, Williams, Sanderson, Schroeder—5.

A resolution extending the time for the payment of taxes without penalty, until Nov. 1, was introduced by Mr. Lansing and unanimously agreed to.

A resolution, by Mr. Roche, calling upon the city controller to furnish a statement of the city's indebtedness was adopted. It is to be used, Mr. Roche explained, in framing the legislation looking to asphalt repaving by contract.

On first and second readings, ordinances were passed providing for appointing Brockhart, of Harrisburg, as appointment of a permanent man for the Columbia Hose company.

ON THIRD READING.

Ordinance passed on third reading provide for paving Forest court from Spruce street to its southerly end, and for opening Kellum court, at its intersection with Ash street, to its full width of sixteen feet.

Bids were opened for the paving of Dix court, with vitrified brick on a concrete base:

W. S. Langstaff, Jr., and T. J. Hughes—Pave, \$1.88 per square yard; straight curb, 47 cents per linear foot; circular curb, 82 cents per linear foot.

V. H. O'Horo—Pave, \$1.23; straight curb, 47 cents; circular curb, 83 cents; relaying old curb, 15 cents.

M. J. Ruddy—Pave, \$1.75; straight curb, 49 cents; circular curb, 85 cents. The bids were referred to committee.

CHINESE EXCLUSION ACT.

Ruling Tending to Still Further Restrict Immigration.

Washington, Sept. 22.—The secretary of the treasury today made an important ruling in which he holds that Chinese consuls in foreign countries are not authorized to issue certificates to privileged classes of Chinese entering this country. In a circular issued to all officers of the customs attention is called to an opinion of the acting attorney general, in which it is held that "there is no authority in existing laws under which consular officers of China in foreign countries may issue to Chinese subjects of the exempt classes the certificates prescribed by section 4 of the act approved July 5, 1894, relating to the exclusion of Chinese."

The effect of this ruling will be to prohibit the entry into this country of the privileged classes except upon presentation of certificates issued by the Imperial Chinese government, and in view of the fact that the government has never issued certificates of this character, it is believed that comparatively few Chinese even of the exempt classes will apply hereafter for admission.

GREAT TROTTERS CONTEST.

Joe Patchen and John E. Gentry Are in the Same Race.

Readville, Mass., Sept. 22.—Barring Star Pointer, the fastest two harness horses in the world, Joe Patchen and John R. Gentry, had a match race at the Readville track today and Patchen won in two straight heats. A stiff wind blew down the stretch and held the horses back so that the time was slow, the first heat being in 2:05 and the second in 2:04.

The day was chilly and dull, but a crowd of over 5,000 were in the big stand along the track. Patchen, who was driven by his owner, C. W. Marks, of Chicago, had the pole and at once went ahead, being a length ahead at the quarter. The horses kept the same relative position until well past the half mile post, when Gentry began to close up and almost nailed Patchen at the three quarters. From there to the finish the crowd saw a great race. The horses strove in the best style and managed to keep Gentry at his wheel until just at the finish when the big bay almost caught him. The horses went under the wire with only Patchen's black nose in front. The next heat up to the half mile was practically a repetition of the first for Patchen went immediately to the front, and not only kept the lead, but was three lengths ahead as the horses came to the three-quarter post. Again Gentry made a grand effort in the stretch, but was not fast enough for Patchen and the later won the heat and the race by a good length.

2:10 class, pacing; purse, \$500—Frank Rydyk, b. g., by Royal Rydyk—Peach Blossom (Hever), won in three straight heats. Time, 2:12, 2:10, 2:07.

Match race, pacing; purse, \$500—Joe Patchen, blk. h., by Patchen Wilkes—Josephine Young, by Jo Young (C. W. Marks), won. John E. Gentry, b. h., by Ashland Wilkes—Dams Wood, by Weigwood (Andrews), second. Time, 2:05, 2:04.

2:11 class, pace; purse, \$500—Halt, b. h., by Halldard, by Helen M. (Snow), won in three straight heats. Time, 2:14, 2:13, 2:12.

AT ALLENTOWN FAIR.

Democracy Breaks the Record—Lord Vincent's Achievements.

Allemtown, Pa., Sept. 22.—Sixty thousand people at the Allemtown fair this afternoon saw Democracy break the track record of 2:13 in an effort to do better than 2:10 to win \$250 additional. He failed by half a second. Lord Vincent had little trouble in winning the heat. The 2:15 heat was equally split up, Reuben S winning through Patsy K breaking. In the third heat Harry P fell and Driver Swain had his horse broken. In turning at the end of the heat he fell over dead.

The victor lost his hold on the purse by being distanced in the fifth heat when his hoppers broke and he broke. Summary:

2:15 class, pacing; purse, \$500—Reuben S, br. g. (Ryan), won. Time, 2:12, 2:14, 2:12, 2:13, 2:14, 2:13, 2:22.

2:20 class, trotting; purse, \$500—Lord Vincent, b. s. (Galvin), won. Time, 2:15, 2:15, 2:15.

Free-for-all, pacing; purse, \$500—Democracy (Leary), won. Time, 2:14, 2:12, 2:10.

THE KLONDIKE'S VICTIMS.

Seven Men Believed to Have Perished on the Trail.

Seattle, Wash., Sept. 22.—A rush to the Klondike, a part of which went overland through Canadian territory, has left a trail of victims. The victims between the Nelson and Pease rivers were more victims. Among them was Frederick Short, of Chicago. Early last spring a party of seven men, all Easterners, started from Fort St. John on the Pease river, to cross the marshes to the Nelson river. They did not return to Fort St. John and later it was found that they had not reached either Fort Nelson or Fort Halkett. There is only one fate for them. All must have gone down in the marshes with their horses and outfits.

Joseph Hotu, of Montreal, the first of 600 pilgrims who tried the route and got through, brought the news to Dawson. He was a year on the road and travelled 4,500 miles. He got through safely by floating 800 miles in an east-easterly direction on the Pease river to Lake Athabaska, and on portions of the Mackenzie and MacMillan rivers.

New Jersey Nominations.

Trenton, N. J., Sept. 22.—The Republican state convention met here today and nominated Foster M. Voorries as its candidate for governor. Mr. Voorries is at present a senator from Union county and in his capacity as president of the senate has been acting as governor since Governor John W. Grigg was charged with attorney general.

The gathering was the most harmonious affair of the sort ever gotten together in New Jersey.

Inspection of Chickamauga.

Chattanooga, Tenn., Sept. 22.—Secretary of War Russell A. Alger, Surgeon Sternberg and party made a thorough inspection of Chickamauga today, and the party left the city in their special car at 8:15 o'clock this morning and since have been busily engaged going from place to place over the battlefield.

Scottish Rite Masons Adjourn.

Cincinnati, Sept. 22.—The supreme lodge of Scottish Rite Masons adjourned this afternoon to meet in Philadelphia the third week in September, 1898. The report of the financial committee was adopted. Its balances were all on the surplus side, including an item of \$181,600 in the investment fund.

Injured by a Fall of Coal.

Wilkes-Barre, Sept. 22.—Henry Halbin, miner, and Stephen Itanick, laborer, were fatally injured in the Pettibone mine of the Delaware, Lackawanna and Western company at Dorrancourt this evening, by a fall of coal. The legs of both men were broken and they were also injured internally.

Convincing Evidence.

"Mr. Findexter still loves his wife devotedly." "How do you know?" "I heard him speak very highly of her when she was in the hospital, and he was paying the bill."—Detroit Free Press.

A Sure Remedy.

"My sister has lost her voice and we've tried every doctor in town." "That's not the way to try her with a mouse."—Chicago Record.

Connolly and Wallace 127 and 129 WASHINGTON AVENUE.

THE NEW FALL JACKETS AND CAPES are here. The latest designs that fashion has decreed are to be found in our new garments. Common cloaks may be had in any store. It is the uncommon coats; the natty styles and swagger effects that few stores dare handle at all, that are hard to find. You'll find them here at a price no higher than the common garments at other stores.

We will have with us on Thursday, Friday and Saturday of this week, Mr. Coyle, of the F. Boos & Bro. Fur Co., who will take orders to remodel your old fur garments into the new Fall and Winter Styles. He will also have with him the largest collection of fine and medium class furs ever brought to Scranton, which we will sell at special low prices. If you have an old fur garment which you wish remodeled or made into a collarette, bring it to us on any of the three days mentioned and we will assure you that the work shall be properly executed and done at a low price.

Special Announcement.

EVACUATION OF CUBA. The Government Will Not Grant Spanish Requests for Delay.

Washington, Sept. 22.—It is said that the war department has received no detailed reports or any information from the Cuban military commission regarding the work of the commission at Havana. In reply to the question as to whether there was any disposition to accede to the request of the Spaniards for a postponement of the evacuation of Cuba, until some time next spring the statement was made that no delay would be considered; that the evacuation must proceed with expedition and that the troops of the United States were now being put in readiness for the occupation of Cuba and would be sent there.

No definite date has been fixed for their departure.

JAMAICAN ANNEXATION.

The Proposal of the Plebiscite Withdrawn—Much Hostility Met.

Kingston, Jamaica, Sept. 22.—The Gleaner today closes a hot newspaper discussion of the annexation question by merely stating that the proposal for a plebiscite has been withdrawn, but that advice from the country indicate that its promoters have encountered invincible opposition, culminating in threats of personal violence.

This state of affairs is said to have been engendered by popular demagogues preaching that the immediate gain of the white man's interests means the ultimate benefit of the legitimate owners of the country.

FRANCE AND FASHODA.

Report That Marchand Is to Be Reinforced Denied.

Paris, Sept. 22.—The Journal says the government has decided upon the immediate despatch of a company of Senegalese sharpshooters and a detachment of artillery to reinforce Major Marchand, the French explorer, who is reported to have occupied Fashoda, on the Nile, after four hundred miles above Khartoum.

Later in the day an official denial was issued of the Journal's statement.

Steamship Arrivals.

New York, Sept. 22.—Sailed: Puerto Bismarck, Hamburg via Southampton, Queenstown—Sailed: Britanic, from Liverpool, New York. Liverpool—Sailed: Normandie, New York. Rotterdam—Sailed: Werkendam, New York. Genova—Arrived: Aller, New York via Naples, sailed: Fulu, New York.

Scottish Rite Masons Adjourn.

Cincinnati, Sept. 22.—The supreme lodge of Scottish Rite Masons adjourned this afternoon to meet in Philadelphia the third week in September, 1898. The report of the financial committee was adopted. Its balances were all on the surplus side, including an item of \$181,600 in the investment fund.
