FOUR BOXES DID IT.

Remarkable Success of a New Pile

Cure.

People who have suffered for months or years from the pain and inconven-ience of that common disorder, piles, will look with skepticism upon the claims of the makers of the new discovery for cure of all forms of piles, known under the name of Pyramid Pile Cure, nevertheless the extraordinary cures performed by this remedy are such as to warrant the investigation of any sufferer. As a case in poin: the following letter speaks for itself.
Mr. Henry Thomas, of sub-station No. 3, Hosack Ave., Columbus, Ohio,

Pyramid Drug Co.: Gentlemen:-I want you to use my name if it will be of any use to you. was so bad with the piles that I lost work on that account, Nothing did me any good. I read in Cincinnati of the many cures of piles by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me that he had something else that he thought was better, but I told him that

writes as follows:

wanted to try the Pyramid first. The first box helped me so much that I tried another and then to complete the cure used two more boxes, making four in all. I am now completely cured. Have not a trace of piles and had suffered for four years with the worst form of protruding piles, I suffered death from piles, but I have

found the Pyramid Pile Cure to be just as represented. I have recommended it to several of my friends and I am thankful to be able to write you what good the remedy has done for me." Physicians recommend the Pyramid Pile Cure because it contains no opium, cocaine, or mineral poison of any kind and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time with no inconven-

ience whatever.
The Pyramid Pile Cure is sold by druggists at 50 cents per package, and if there is any constipation it is well to use the Pyramid Pills at the same time with the Pile Cure, as constipation is very often the cause of piles and the pills effectually remove the costive condition. Price of pills is 25 cents per package.

Write to Pyramid Drug Co., Marshall Mich., for little book on cause and cure of piles; sent by mail free.
