## THE COMMISSION ARRIVES AT PARIS

WELCOME TO AMERICANS NOT PARTICULARLY WARM.

The Diplomatic Atmosphere of France Decidedly Chilly So Far as Our Representatives Are Concerned-French Newspapers Make No Comment.

Paris, Sept. 27 .- While the reception accorded the United States peace commission here is all that could be desired, and while the French foreign sioners in precisely the same manner. it must be admitted that the general atmosphere of Paris, especially the diplomatic atmosphere, does not incline toward America. It is the general impression here that the American commissioners have instructions to provide for the retention of Manila and the Island of Luzon, "and for a commission to pretend to negotiate is a calendar. farce," said a prominent diplomat. He continued: "America will put herself, diplomatically, in the wrong, when she which both nations signed. I know have to threaten a resumption of hos-

The American peace commission, for the first time since its appointment. met as a body today for two hours in the drawing room of the Continental hotel. Ferdinand W. Peck, the United States commissioner to the Paris exposition of 1900, is about to vacate his quarters in the same hotel. They were formerly occupied by the ex-Empress Eugenie, and have been used by Mr. Peck as offices until his permanent offices on the exposition grounds were in readiness. The suits of rooms which the former empress at one time used will probably be acquired by the Amertean peace commissioners. They will be used for executive sessions and official headquarters.

As the foint commission is not a deliberative body it will, possibly, not organize with a presiding member from either commission. This is deemed in some quarters to be the wiser plan, as tending to promote closer working relations between the two commissions and facilitating an ultimate adjustment. This, however, is not positive, Judge Day and Mr. Whitelaw Reid

are quartered at a hotel overlooking the Tuilleries gardens. The Americans enjoyed sunny weather during their first day in Paris, and they are all in good health and spirits. The French government is arrang-

ing to provide, at the salon, where the joint sessions of the commissions will be held, an elaborate buffet, dally, for the use of all the commissioners.

New York, Sept. 27.—The battleships Oregon, Captain A. S. Barker, and Iowa, Captain Silas Terry, received orders at the navy yard this morning to sail at \$ o'clock tomorrow morning for Manila. It is expected that it will take the battleships sixty days to complete the journey. They will stop at

# SPORTING NOTES.

Ernest Roeber, the champion Graeco-Roman wrestler, who was in this city last week, defeated Casper Muller, the South African wrestler at the Unique theatre, Williamsburg, Monday night Roeber's company is playing at that theatre this week. The bout was most exciting. Roeber is meeting all comers at the theatre, and agreed to throw Muller inside of twenty minutes. He put up \$350 against the South African's \$150 that he could accomplish the feat. When the men appeared on the mat, there were over 2,500 people in the house. They agreed to wrestle Graeco-Roman style, two shoulders touching the mat to constitute a fall, no holds barred. After a couple of minutes Roeber made several attempts to get a hold, but Muller kept away eber, however, kept after his man, but, failing to get a hold, let up for while, Muller did not exert himself the least, but was satisfied in holding his position. Roeber then made a

few feints, and soon got a hold. It was a back hammer lock, and then a neck lock, but failed to throw his opponent. Muller then tried a strangler's hold, but Roeber slipped through his arms. Roeber secured a half Nelson, but the South African got away. Thus it continued for about nine minutes. Then Rocher tried the flying fall and threw his opponent on one shoulder The fall was not allowed. Shortly afterward Roeber, from a half Nelson, got a back-body lock and rolled his man on the floor. Time-13,58.

P. J. urkin and T. A. McGoldrick arrived home Tuesday morning from Brocklyn, N. Y., where they spent several days in the interest of the Excelsior Athletic club. They secured James E. Campbell, of Brooklyn, to manage the club for the winter months and act as match maker. He is one of the office has taken great pains to treat | best known sporting men in New York the American and Spanish commis- city and promises to give the Scranton sporting fraternity some of the best shows ever held in this city. He has already matched John Tighe, of this city, and Jack Lynch, of Brooklyn, to fight twenty rounds at 135 pounds, on Oct. 13, in Music hall. It has been believed for some weeks that he would be a trainer in spite of the story that Dr. Brooks would have charge and the report and appearance of the old Princeton man was only a confirmation of one of the many rumors which have been flying about the college for days.

It is possible that Billy Smith will reach Scranton Friday evening, Man-ager Skelly, of the American club, left here for New York city last night, and before his departure said he would return Friday evening and would try and induce Smith to come with him, provided so early an arrival would not interfere with the champion's training plans. Judge continues his training at Simpson, or, "Carson City," as that neighborhood is dubbed up the valley. The postponement was a great disappointment to him, but it will not prevent him from entering the ring fit to give Smith all kinds of trouble.

An opponent for Tom Sharkey looms up in the person of Charley Mitchell, who has cabled to the Police Gazette that he would fight Sharkey in England or America for a purse and a side If a match is arranged it will probably take place in New York, as it is Mitchell's intention to accompany Dick Burge when the latter comes across to right Kid Lavigne. Mitchell was Burge's chief adviser when the latter recently fought and defeated Arthur Akers for the English welterweight championship.

## It Is Hobson's Choice.

Hobson, the Merrimac hero, has seen Evans and Hoey's evergreen farce-com-edy, "A Parlor Match," and the way the heroic lieutenant laughed was good proof that he was not too much crushed by his important public duties to enjoy a good thing when he saw it. He declared that he had never seen snything better on the stage in his life, and Hobson's judgment is pretty sound on most things, as Ameri. know by this time. "A Parior h" will be seen at the Lyceum Friday and Saturday with Saturday matince.

# THE MARKETS.

Wall Street Review.

New York, Sept. 27.-Transactions in the railway and miscellaneous share market today showed a better distribution today and the rallways assumed more rominence in the trading than for some me. Speculative sentiment became de idedly bearish over night and the bears adopted what appeared to be a well out-lined plan during the day. Tobacco was stilized as a lever to initiate the drive but after the price was jammed down 22 points to 1224, the stock met support and covered materially. The bulls endeav red to stem the down ward movement by working up Sugar and Metropolitan and succeeded in steadying the list. The bears finding considerable opposition in obacco, turned their attention to Sugar and after creating demoralization there, the other prominent specialties came up one after the other and soon had prices tumbling all around. The factics of the sear faction disconcerted the bulls, who after apparently arresting the decline and forcing a rally in a leader had to meet fresh assaults on another stock with the result that the momentary advantage was soon lost. The list stended occasionally but any attempt to boost prices was accompanied by semi-stagnation. The total sales were 455,200 shares, Furnished by WILLIAM LINN ALLEN & CO., stock broker, rcoms 705-705, Mears building.
