MISSING BOY RETURNS.

Hubert Brennan Restored to His Parents on South Main Avenue. After being absent from the city for over two weeks, Hubert, the young son of Mr. and Mrs. Michael Brennan, of South Main avenue, returned to his home last night. The parents have been almost distraught over the absence of their boy, but eleven years old, and consequently unable to care for himself.

He left this city on September 14 and no trace of him had been discovered until yesterday afternoon, when a letter in answer to some cards sent out by the family, was received by Mr. Brennan. The letter was from a Mr. Walker, a merchant in Ararat Summit, who informed the family that a lad answering the description of the lost boy was being cared for by a farmer named Glover.

A BIG BLAZE.

Two buildings were burned to ashes on Gordon avenue early yesterday morning. The blaze was started in Michael Cavanaugh's dance hall, where a number of young people were holding a social. The large chandelier in the center of the hall did not work well and young men from this city attempted to remedy the defect. While engaged in doing so several young couples were waltzing and one of these struck the chandelier and knocked a lamp out. There was an explosion and the hall was soon in a mass of flames. The persons present worked hard to save the property, but their efforts were in vain. The fire spread to Mr. Cavanaugh's house and shortly both buildings were in ashes. The fire companies responded to the alarm from the head-house, but their hose would not reach the fire from the plug near Higgins' store, which is the only hydrant in that vicinity.

A HORSE DOWN.

A horse belonging to a Jewish peddler, stumbled and fell while walking on a river street yesterday afternoon. The roadbed is dug up and an account of it being paved, and it was to this that the animal stumbled. With the help of several workmen the horse regained its feet, but the harness was so badly dilapidated that it was impossible to take the vehicle home.

DANGEROUS SURGERY

DEATH FOLLOWS THE SURGEON'S KNIFE—NOT THE SURGEON'S FAULT OF COURSE, HE CAN'T HELP IT—YOU CAN.

Pyramid Pile Cure Cures Piles Quickly, Painlessly, Without Danger.

People go along for years suffering with piles. Then try this, and that and the other thing; from carrying a bucket to getting treatment from a physician. They obtain temporary relief, maybe, but they are never quite cured. A little strain in lifting, excessive fatigue, a little constipation or a little diarrhoea and the piles come back. They don't seem to amount to much, but they hamper sleep and appetite. No position is comfortable. There is intense local pain and that dreadful feeling of weight in the perineum. Maybe in the early stages some of the many salves on sale will afford temporary relief. If the case is of long standing there is only one speedy and sure remedy. It is Pyramid Pile Cure. Even in light cases it is the safest thing to use. Other applications may cure and may not. Pyramid Pile Cure is always certain, always reliable and always brings comfort at once. Its prompt use saves months of severe suffering. In extreme cases it will save surgical operations and their attendant dangers and discomforts. It is better than the knife. Will cure faster, quicker and safer. Thousands have used it. Thousands have been cured by it. The cost is trifling compared with what it does. The price is 50 cents. That anybody would gladly pay ten dollars to be rid of piles. Druggists sell Pyramid Pile Cure. If yours hasn't it will get it from the Pyramid Pile Drug Co. of Marshall, Mich. (sole manufacturers.)

Ayer's Hair Vigor

I have sold Ayer's Hair Vigor for the past thirteen years and have known of no case where it has failed to give satisfaction. I sell more of it than of any like preparation. J. P. BRISCOE, Harrison, Ark. "For five years I have been selling Ayer's Hair Vigor under a positive guaranty that it would produce hair on a bald head and restore gray hair to its natural color. I have not had one bottle returned, nor has there been a single case where the dressing was used that it did not do all that was claimed for it." H. M. ACUFF, Elba, Va.

Removes Dandruff

"For some years my hair had been coming out. It had become very dry, and my scalp was covered with dandruff. I have applied Ayer's Hair Vigor regularly for some weeks now, and I could hardly trust my senses when I first found that a new growth of hair had started. It is much thicker than formerly and of good color. The dandruff has disappeared, and my scalp seems to be in a perfectly healthy condition." Miss R. WRIGHT, Perth, Ont. "Some time ago my head became full of dandruff, which caused me great annoyance; after a time the hair began to fall out. The use of Ayer's Hair Vigor stopped the hair from falling and made the scalp clean and healthy." Mrs. C. M. AYRES, Mount Airy, Ga.

Restores to Gray Hair its Original Color

"I think there is no toilet article in the world so good as Ayer's Hair Vigor. I am fifty-three years old, and my hair would have been all white now if it were not for the use of the Vigor; but the application of that dressing has preserved its color and kept it soft and glossy." Mrs. W. H. JARVIS, Otsego, Mich. "After five years' use of Ayer's Hair Vigor, I can cheerfully recommend it as a desirable toilet article. It keeps the hair soft and glossy and helps it to retain its natural color." D. WARNER, Dunville, Ont.

Makes Hair Grow

"For about five years my hair kept falling out, until I was almost bald. Some New Hampshire friends asked me to try Ayer's Hair Vigor, and insisted on getting it for me. I used it during that summer and fall, and found that a new growth of hair had started. I continued to use it steadily for about four months, and at the end of that time had as good a head of hair as one could wish." HOWARD MELVIN, Carlisle, Mass. "I am well pleased with Ayer's Hair Vigor. When I noticed that my hair was getting thin I commenced to use the Vigor with the result that the hair not only ceased to come out, but a new growth of hair started. It certainly is an excellent tonic." CHAS. C. GRAVES, Brookton, N. Y.
