Two hearts can make a love affair, but it takes three, at least, to make a home, and one of them must be that of a baby. The young married couples that start out in life with the idea that children are nuisances, and that they do not want and will not have them, are the kind that you read about every day in the newspapers—in the divorce column. A home without children is not a home. God and Nature never intended that there should be a giace called home that did not resound with the patter

There are tens of thousands of boures that are childless because of the ill-health of the wife and would be mother. There are tens of thousands of other homes childless because the little ones have died allowed the second as they were hore. In both most as soon as they were born. In both cases Dr. Pierce's Favorite Prescription is a sovereign remedy. It does away with the daugers of materaity. It banishes the usual discomforts of the expectant period and makes baby's advent easy and almost painless. It insures the little new comer's health and an ample supply of nourishment. The prospective mother prepares nerself for maternity by taking the "Favorite Prescription" and gives her child a fair start in his by giving it a strong and well developed body. Thousands of homes that were childless, to-day echo with bables' laughter, and bless this great medicine. Thousands of women who were weak, nervous, despondent invalids, are to-day happy, healthy wives and mothers because of this medicine. Medicine dealers sell it.

A MAN CAN'T WORK.

WHEN HE IS SUFFERING WITH PILES

He Can't Eat, Sleep, Can't Get Comfort Any Way But One-Pyramid Pile Cure Will Cure Him, Give Relief at Once.

Just a little pain may so distract a man's mind that it will cost him hundreds of dollars. Life is a battle. To succeed one needs all his energies and all his brain force to apply to the question at hand. Even a corn will make him irritable, cross, angry-and an angry man seldom succeeds. The trifling pain of a corn is a pleasant feeling beside the agonizing ache of piles. That is a pain which seems to pervade the whole body. It communicates itself to all parts near the seat of the trouble and brings on a heavy dragging feeling in the perineum. Those who have never so suffered do not know what it means. It racks the nerves, prevents sleep, prevents concentrated thought and makes a man lose flesh as fast as he would with a virulent fever.

And yet piles are looked upon as little thing. They are neglected-allowed to run on from month to month and year to year. By and by comes surgical operation. Maybe it cures-

maybe it kills. There is only one sure, safe and quick cure for piles. It is the Pyramid Pile Cure. It is a recent discovery and its properties are such that it cleanses, sooths and heals the inflamed parts, reduces the inflamation at once and with continued treatment, removes all swelling and all trace of the dis-It puts the membranes in a healthy, active condition and cures
