LIVE NEWS OF WEST SCRANTON

TWELVE BOYS ARRESTED FOR DISORDERLY CONDUCT.

Misses Nell and Lois Fellows Entertained a Number of Friends in Honor of Their Guest, Miss Harriet Carpenter—Marriage of Miss Stella Stubblebine to Louis Stone. Miss Myrtle Seafass and Edgar Evans United by Rev. James Benninger—Personal Notes.

Twelve young boys, whose ages range from 14 to 18 years, were given a hearing last evening before Alderman Johns, charged with disorderly conduct. The arrests were made by patrolman Hart and Chief Gurrell appeared as prosecutor. The lads arrested were Martin Bolton, T. Toomey, D. Needham, W. Wright, M. May, T. McGinty, R. House, R. Rafter, F. McGinty, P. Stone, John Gallagher, Tony Tierney, and all reside on or about Luzerne street.

Attorney John R. Edwards appeared for the defendants. The disorderly conduct charged took place on Luzerne street, near Tenth, Monday evening last. Some one or more of the boys who were playing about the street yelled and also threw mud and stones at two men who drove by in a rickety carriage. The actions were seen by Patrolman Hart, who stood across the street. He arrested two at the time and warrants were issued later for the others. It seems that considerable mischief of this sort has been going on for some time and the patrolman on this post was ordered to clear up the trouble.

The hearing in the case brought out the fact that some of the boys were guilty of some mischief, as was evidenced by some admissions, but the police could not produce sufficient evidence to prove to more of the boys arrested had committed the charged offense. The alderman gave the boys a severe lecture upon misbehaving themselves when away from their homes. He urged them to refrain from disorderly appearance, and in dismissing them warned them that if they were ever arrested again and came before him it would be different. The Tierney lad was on an errand when the crowd was being chased and was therefore included, though he proved that he knew nothing of the affair.

Some idea of the value of them may be gathered from the fact that President Kruger gave him a diamond worth \$4,000,000. Such gifts are, of course, rare. But his collection contains 28 terrors of gold set with all kinds of precious stones, 319 crosses of gold ornamented in the same way and 1,309 chalices in gold and silver, engraved and ornamented with precious stones. Of the 81 valuable rings that he owns the sultan gave one that cost \$109,000. He has 16 pastoral staffs of gold set with stones and 884 ornaments for the exposition of the sacrament. Seven statues in gold and silver are part of his possessions. In addition to more than 1,000 other objects of great actual and artistic value. The Kruger diamond is said to be the largest in the world.

Mr. Bialer—"What of that? There'll be room enough for both of you."

Mrs. Bialer—"Charles Bialer, I met that woman at the beach this summer, and I am not going to be brought in contact with that tangle of work of hers again. I'm tired and sick of the sight of it!"—Boston Transcript.

John—"Because the ships went down they succeeded in hitting the bottom."—Judge.

GET FLESH.

Get Strength, Vigor, Clear Complexion and Good Digestion, Not by Patent Medicine, But in Nature's Own Way.

Any honest physician will tell you that there is but one way to get increased flesh, all the patent medicines and cod liver oils to the contrary notwithstanding.

Nature has but one way to increase flesh, strength and vigor, mind and body, and that is through the stomach, by wholesome food properly digested. There is no reason or common sense in other methods whatever.

People are thin, run down, nervous, pale, and shaky in their nerves simply because their stomachs are weak. They may not think they have dyspepsia, but the fact remains that they do not eat enough food, or what they eat is not quickly and properly digested, as it should be.

Dr. Handson says the reason is because the stomach lacks certain digestive acids and peptones, and deficient secretion of gastric juice. Nature's remedy in such cases is to supply what the weak stomach lacks. There are several good preparations which will do this, but none so readily as Stuart's Dyspepsia Tablets, which are designed especially for all stomach troubles, and which cure all digestive weakness on the common sense plan of furnishing the food's digestive principles which the stomach lacks.

Stuart's Dyspepsia Tablets give perfect digestion. First effect is to increase the appetite and increased vigor, added flesh, pure blood and strength of body and muscle is the perfectly natural result of their use.

Stuart's Dyspepsia Tablets is the safest tonic known and will cure any form of stomach trouble except cancer of the stomach. May be found at druggists at 25 cents for full sized packages or direct by mail from Stuart Co., Marshall, Mich.

Lincoln avenue, have as their guest George B. Kinkle, of Kresville.

Mrs. Ernest Winnie and Mrs. W. H. Woodruff, of Candona, N. Y., have returned home after visiting relatives here.

Mrs. A. M. Eldred, of Lafayette street, has returned from a visit to Georgetown.

SOUTH SCRANTON.

A menace to public safety, of many years standing, will within a short time be abolished under the direction of Street Commissioner Ooyte. The South Scranton right-hand approach to the Cedar avenue bridge is at present a particularly dangerous place from the fact that the bill-boards were blown down recently. Last night Lieutenant Holt, by instructions, notified Chief Foreman Hiltz, of the street commissioner's department, to place a temporary guard there. To a Tribune reporter Mr. Hiltz stated that all of the bill-boards will be removed soon and an iron fence erected from the bridge down about one hundred yards below. From Monday until last night where the boards were blown down was almost a death-trap.

Thomas Hunt was held in \$300 bail last night by Alderman Lentz on the charge of assault and battery. Peter Dangle gave the information for the arrest of Hunt. Both men are employed in Johnson's mine, and a difference of opinion between them resulted in the alleged assault.

In Tenth street hall, Tuesday night next, an entertainment and dance will be given for the benefit of Fred Tross, of Alder street. A year ago Mr. Tross was injured in a manner that will incapacitate him from doing work for many months. A number of his friends arranged the approaching event, and judging from the large sale of tickets the success of the affair is assured.

Miss von Barben, Franz Erlau and Herman Rosse, of the German Comedy company, will assist at the entertainment.

The Century Hose company met in special session Wednesday night. It was decided to continue to drill twice a month under the command of Captain O'Hara. A committee, composed of President Bone, Chief Hickey and John Gordon, was appointed to arrange to have the drill practice in the armory on Adams avenue. Mr. Bonn was further instructed to have resolutions drawn extending to Mayor Weimer of Lebanon, the thanks of the company for his treatment to them last week while in his city. Division Passenger Agent Swisher, of the Central railroad, will be likewise honored. The company will meet again tomorrow night in adjourned session.

Joseph P. Kramer, Frank Jansen and Emil Kress, while on No. 5 mountain, Tuesday, captured a raccoon, which when killed and dressed weighed fourteen pounds.

Sergeant E. R. Conley, of the First division hospital corps at Camp Meade, was alarmingly ill yesterday. His condition is regarded as dangerous by his physicians.

Miss Rebecca Shorten, of Cedar avenue, entertained a large number of her young friends at her home on Tuesday evening, it being her fifteenth birthday. The features of the evening were music, games and dancing. The Misses Della Ridgway and Margie Shorten presided at the piano, on which they rendered several beautiful selections. Solos were rendered by the Messrs. Davis and Shorten. Refreshments were served at a seasonable hour, and all departed well pleased and wishing Miss Rebecca many more happy birthdays.

John to the company's mascot, have returned after having a seven day furlough.
