BADLY INJURED.

A Man Loses a Leg on the Gravity Railroad.

Edward Healey, of Upper Dundaff street, met with a sad accident yes-terday afternoon. He was in the neighborhood of Luke White's crossing and decided to ride to the central city on a trip of gravity coal cars. He attempted to board the train, which was moving at a rapid rate, and missed his footing. He fell under the car, which passed over his left leg.

The Delaware and Hudson ambulance was summoned and the injured man was taken to Emergency hospital.

where it was found that amputation was imperative. The leg was taken off just above the knee. His condition last night was serious, the man being weak from the loss of blood. However the attending physicians look for a revival today and hope for his ultimate complete recovery.
