Paine's

Compound

Makes People Well.

The one true specific for diseases arising

from a debilitated nervous system is Paine's

celery compound, so generally prescribed

by physicians. It is probably the most re-

markable remedy that the scientific research

of this country has produced. Prof. Edward

E. Phelps, M. D., L. L. D., of Dartmouth

college first prescribed what is now known

the world over as Paine's celery compound,

a positive cure for dyspepsia, biliousness,

liver complaint, neuralgia, rheumatism, all

nervous diseases and kidney troubles.

Paine's celery compound has succeeded

THOSE LACKAWANNA RECORDS.

Their Disappearnace Is Causing a Good Deal of Trouble.

Martin Bohan, who is reported to be the last person to set eyes on the box containing the records of Lackawanna township, will be examined at a hearing before Commissioner John J Quinnan tomorrow forenoon. There was a hearing Saturday forenoon at which Martin McDonough, Supervisors Pat-rick J. Quinn and Frank Toole and Auditors Michael J. Lydon and James Mangan and Clerk Joseph J. Lynch underwent an examination with regard to the missing records.

Mr. McDonough knew nothing good or bad of the box. Mr. Lynch, the clerk, lives at the Continental and asked as a matter of convenience that the box be kept at his store. Mr. McDonough favored him by allowing

him to put the box in a large chest. Mr. Lynch had been leaving it at the store since lest March and took it to the meetings every time one was held and then put it back again in the store. The meetings were in Mr. Mc-Donough's hall in the rear of the store. The supervisors and auditors had no knowledge of the box's disappearance. Clerk Lynch could offer no information of any avail. He handed the box over to Martin Bohan, a teamster in the employ of Mr. McDonough, and that's he last he saw of it. Mr. Bohan was very busy Saturday, but will be pre-sent Wednesday to tell what he knows

Committee Will Meet This Evening

to Consider It. The tax committee of common counil will meet this evening in the city clerk's office to consider the ordinance introduced recently by Councilman Jackson providing for a tax of two and one-half per cent, annually on the gross receipts of the Scranton Railvay company. The members of the ommittee are: Messrs, Coleman, Griffiths, Gitroy, Monaghan and E. F.

Mr. Jackson has stated that the mssage of the ordinance would yield com the street car company a revenue of unwards of \$15,000 a year. The ordinance herstofore introduced for the purpose of levying a tax on this corporation assessed each mile of wire and rails so much; but City Solicitor McGinley submitted an opinion which did not uphold this way of imposing a

He said the law would not warrant it, as these equipments are part of the apital stock, on which the state levies tax and beyond which tax the company is exempt.

BACK TO HIS REGIMENT.

Corporal Guiney Has Recovered from His Injuries.

Corporal Dennis Guiney, of Company A. Sixth United States infantry, who ias been spending a three months' furlough at Wilkes-Barre, left for Fort Thomas, Kentucky, vesterday to rejoin his regiment. Corporal Guiney has been a member of the regular army for eighteen years. A few months before the war broke out his term of enlistment expired, but believing his country would need all the trained soldiers that could be mustered be promptly re-enlisted and was among the first to land at Santiago

He was in the thick of the battle and was severely wounded, a bullet passing through his knee. He has fully recovcred from the wound, and the only trace of it is a small scar. The commander of Guiney's company, Captain Wetherill, was killed in the engagement, and only last Friday his remains were brought from Cuba and interred in New York city.

NO INVESTIGATION BY THE BOARD

WILL AWAIT RESULT OF BOARD OF HEALTH'S INQUIRY.

Mr. Jayne, Controller of the Thirteenth Ward Introduced a Resolution Calling for an anvestigation but It Was Not Adopted-Rules Adopted Governing the Examination of Grammar A Pupils-Lively Tilt About the Purchase of Dictionaries for the High School.

The board of control last night sidetracked a resolution directing an investigation into the diphtheria epidemic at No. 28 School. A personal appeal was made by the father of the resolution, Mr. Jayne, controller from the Thirteenth, but a majority of the board believed it was time enough for the school board to act when the board of health has made a report of the investigation which it has under way Mr. Jayne's resolution called for the appointment of a committee of three to investigate the epidemic of diphtheria at No. 28 school and report to the board what action is necessary to prevent a recurrence of the same.

Mr. Jennings made a motion to defer action on the resolution until such time as the board of health had submitted its report. Then if it is necessary to make any further investigation the resolution could be brought up-The board of health is the proper body, he contended, to carry on the investigation and the board can accomplish no good, as far as he could see, by instituting a second investigation or even by joining with the board

health in the present investigation. The attorney of the board attends ach of the sessions of the board of health when the investigation is on and several of the members are there also, to see that the interests of the board are looked after.

Mr. Evans thought the board should be officially represented at the investigation, but Messrs. Casey, wavis, May and Schriefer agreed that there was no cause for the board taking any further action than having its attorney present at the investigation. at least until after the board of health

has made its report.

UNDULY INTERESTED. Captain May expressed the belief that the action contemplated by Mr. Jayne's resolution would give the impression that the board was unduly interested. It would be much more satisfactory, he thought, to allow the investigation to be made by disinterested parties such as compose the board of health.

his actions betokened not a little indignation at the oppposition to his Scranton, Oct. 24, 1898. Regimental Orders No. 4. resolution: The motion to defer action on the

Mr. Jayne expressed surprise and by

matter was put to the house and carried by a vote of 16 to 8 as follows:

Ayes-Messrs, Davis, Casey, May, Schaefer, Neuls, Jernings, Schriefer, Langan, Gibbons, Leonard-10, Nays-Messrs, Shires, O'Malley, Phil-Roche, Jayne, Evans, Schwass,

Mr Jayne precipitated another discussion by asking some pointed questions making insinuating remarks in connection with the purchase of text books. After a motion of his own had arried directing that 500 Worcester dictionaries be purchased, he called attention to a bill just received for two hundred and fifty new Webster dictionaries at the high school and wanted to know why these higher priced dictionaries had been purchased and what need, at all events, was there for more dictionaries at the high school when

there are six hundred there already. President Francois begged to remind the gentleman from the Thirteenth that the dictionaries were unquestionably bought at the request of the principal of the high school and that Mr. Phillips wasn't the kind of a man to order books that he did not need.

The following set of rules governing the examination of Grammar A pupils, compiled by the teachers' committee and the principles of Grammar A chools were submitted by Mr. Langan and approved:

EXAMINATION RULES.

It is intended that the meetings held on the fourth Monday of the month at the home of Mrs. Lansing will partake of the character of an entertainment, following the business session.

It is understood that friends from the central or other portions of the city will be welcomed to this club. The annual assessment is one dollar.

Our little boy was afflicted with rheumatism in his knee; and at times un-able to put his foot on the floor. We tried in vain, everything that we could hear of that we thought would help him. We almost gave up in despair, when some one advised us to Chamberlain's Pain Balm. We did so. and the first bottle gave so much relief that we got a second one, and, to our surprise, it cured him sound and well.-J. T. Bays, Pastor Christian church, Neodesha, Kan.
