TWO DANGEROUS MEN.

One Had a Stilletto, Other a Revolver, and Both Paid Heavy Fines.

Mayor Pailey came down heavy on two prisoners in police court yesterday who had been arrested the night before. James Bias, of Duryen, years of age, born in Italy, approached Patrolman John Thomas on Franklin avenue and inquired about the leaving time of a Dunmore car. The officer answered him and was told be hed. and to go to a hot climate. Bias was put under arrest. He was scarched at the Center street police station by Sergeant Reese Jones and a murderous-looking knife was taken from his hip pocket. The blade was six inches long, as sharp as a razor, and ground down to a point at the end. A spring on the handle held the blade fast when it was opened. The mayor asked him why he carried such a dagger.

"I don't know," he said curtly with a shrug of the shoulders.

"Well if you don't." said the mayor. "I'll make you remember your visit to Scranton.

The mayor then imposed a fine of \$10 for being drunk and disorderly, and \$15 for carrying concealed weapons. Bias searched his pockets and counted out \$18. He wanted to be let off with that, but the mayor told him not a cent would be remlited and if he didn't pay up he would go to the county jail for sixty days. Bias sent out and got the balance and was re-leased, but he went away without his knlfe
