

Duffy's Pure Malt Whiskey

is the ONLY whiskey on the market that is required by the government to affix the proprietary (medicinal) stamp. In other words "DUFFY'S MALT" IS TAXED AS A MEDICINE.

This only confirms what the proprietors have always claimed—what all the doctors know and what millions of people have learned from its use.

It is a medicine! It is a tonic! It will do you good. Take it according to directions. DUFFY MALT WHISKEY CO., ROCHESTER, N. Y.

MAN AND WIFE.

Victims of Catarrh for Twenty-five Years. Permanently Cured by Pe-ru-na.

LEADING PEOPLE FROM OTHER STATES WRITE GLOWING TRIBUTES TO PERUNA. Over Thirty Million Catarrh Victims.

MR. AND MRS. J. O. ATKINSON, INDEPENDENCE, MO.

Mr. John O. Atkinson, Independence, Mo., in a recent letter to Dr. Hartman, says: "I feel it my duty to suffering humanity to say a good word for Pe-ru-na and Man-a-lin."

"Her case had baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation of several years' standing."

"In June, 1895, I wrote you about her case. You advised a course of Pe-ru-na and Man-a-lin, which we at once commenced, and have to say it has completely cured her."

"About the same time I wrote you about my own case of catarrh, which was of 25 years standing, and at times I was almost past going. I commenced using Pe-ru-na according to your instructions, and continued its use for about a year, and it has completely cured me."

"I have to say that your remedies do all you claim for them, and even more. Catarrh can't exist where Pe-ru-na is taken according to directions. Man-a-lin is a most wonderful medicine for chronic constipation."

Mr. A. F. Stern, Marine City, Mich., writes: "For many years I had been a continual sufferer from a most dreadful disease, chronic catarrh. I gave up hopes of ever being relieved. I tried every remedy my friends recommended, but all in vain. Finally I took my bed. My friends had all given me up to die, believing I would be in the last stages of consumption."

Having a bottle of Pe-ru-na in the room, I began to take it, and in a few days felt so well that I got up. I continued it, improving all the time, until I am now almost a sound man. Can do as hard a day's work as almost any man. This happened four years ago."

Mrs. Rachel A. Magaw, of West Jefferson street, Springfield, O., writes: "Your Pe-ru-na is worth its weight in gold. I feel like a new woman. I can't praise it enough. I spent a great deal of money in doctors, but nothing ever did me any good until I tried your Pe-ru-na. I now feel well, and I shall never be without it."

Mrs. Rachel A. Magaw, Pe-ru-na, and I shall never be without it. I shall always praise Pe-ru-na, for what it has done for me."

Mr. J. A. Bashor, Knoxville, Tenn., writes: "It gives me much pleasure to recommend to the public such a valuable remedy as Pe-peru-na."

Mrs. Robert Alexander was suddenly stricken with paralysis on Thursday morning while attending her household duties.
