

No Appetite—Extremely Weak

If such is your condition, the genuine Johann Hoff's Malt Extract will afford you instant relief, if taken with your meals and before retiring.

Johann Hoff's Malt Extract is nature's own remedy for loss of appetite, sleeplessness, imperfect nutrition, dyspepsia, etc. A record of over fifty years has proven this to be true.

Dr. J. J. Coleman of Glasgow, said:

"Suffering from an attack of illness which had not only reduced my strength, but brought on extreme exhaustion from inability to appropriate food, I tried the effect of Johann Hoff's Malt Extract, in the usual dose of a wineglassful twice or three times a day. Its use was followed by marked effects: (1), Food which had hitherto been found to pass the alimentary canal unchanged, digested properly. (2), There appeared an increased power of evolving animal heat and storing up fat.

"Passing beyond my personal experience, I have experimented with it in other directions, particularly upon thin, cold and aged people, who are unanimous in attributing to the genuine liquids, sustaining powers which are not commonly observed with alcoholic liquors."

Johann Hoff, New York, Berlin, Paris.

MEN WITHOUT WORK.

Fifty Men Are Afflicted by the Gravity Changes.

Yesterday, about fifty men were thrown out of employment through the order abolishing the gravity railroads. These are the first of the many who will lose their positions by the new order which does not take effect until Jan. 1, 1899.

The men who were discharged yesterday were employed on the gravity car and machine shops, in which gravity cars are repaired. On account of the road's anticipated abandonment, no more gravity car cars will be repaired, as they will soon be out of use entirely. About fifty men in the car shop and ten in the machine shop received notices that their services are no longer required.

This notice was served on the employees much sooner than was expected and caused much consternation among them, as most of them have families and cannot easily drop into another position. Some of them have been engaged in and about the shops all their lives and more have grown old in the employment of the company. They view the notice with great bitterness.

WANAMAKER TALKS.

A fair sized audience, made up mostly of persons from the rural districts, greeted John Wanamaker at the Academy of Music yesterday afternoon. He arrived in this city on the 2 o'clock train, which was about fifteen minutes late, as an anxious farmer remarked: "It must be an anti-Swallow man that's running that train."

There were a number of ladies in the audience which was a cold and unappreciative one. Mr. Wanamaker had hardly time to get his hat on before he was surrounded by a group of interested, when he was compelled to depart, as he was desirous of catching the train that leaves this city at 4:30, on account of being booked to speak in Olyphant before his speech in Scranton. His remarks were mostly of the stereotyped order, commenting little on Swallow's platform, but exalting on Matthew Quay's doings in the senate. In the course of his discourse he took occasion to compliment Hon. J. F. Reynolds and commend him for re-election to the legislature from this district. Prolonged applause followed this part of his speech. After he had finished Mr. Kaufmann, a man of pleasing voice and gesture, addressed those present. This gentleman took up where Mr. Wanamaker left off and his efforts caused some applause. The ex-postmaster general upon reaching the depot found his train to be about fifteen minutes late and took advantage of the time to give some pointers to the crowd assembled to witness his departure.

MRS. JOSEPH SMITH.

The funeral of Mrs. Joseph Smith was held yesterday morning, the cortège leaving the home on Canaan street, at 9:15 o'clock. A high mass of requiem was solemnized in St. Rose's church, Rev. J. J. Griffin officiating. Mrs. Smith's decease was the cause of great regret among a large number of friends. She was extensively known by her pleasing manner during her long residence in this city. She was born in Germany, but has resided in this place for twenty-eight years, enjoying during that time almost perfect health until a few months ago, when she was attacked with typhoid fever, to which she finally succumbed on Saturday last. She is survived by three sons, William, Paul and George; two daughters, Mrs. Jasper Lowrey and Mrs. Timothy Holmes, all of this city. A husband and two sisters, Mrs. Neuner, of this city, and Mrs. Somer, of Honesdale, are also among the survivors.

MRS. RICHARD BOYLE.

Mrs. Richard Boyle, after an illness of three months, died yesterday morning at Emergency hospital of heart failure. She was born in County Kerry, Ireland, in 1818, and came to this city seventeen years ago and has since continuously resided here. By her affable manners she made an exceedingly large number of friends who mourn her demise. The survivors are not a few of the deceased leaves to mourn her, father, mother, Mr. and Mrs. Andrew Booth, five brothers, John, Robert, Andrew and Henry, of this city, and Thomas, of Lynn, Mass.; three sisters, Elizabeth, of this place; Sarah, of New York, and Anna, of Lynn, Mass. Besides these, her husband, two sons and five daughters survive her. The funeral will be held at 2 o'clock, the service

being in Trinity church. Internment will be made in Brookside.

From New Zealand.

Reefton, New Zealand, Nov. 23, 1898.

I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other medicines for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beside the bed of the children.

DANGEROUS SURGERY

DEATH FOLLOWS THE SURGEON'S KNIFE—NOT THE SURGEON'S FAULT, OF COURSE—HE CAN'T HELP IT—YOU CAN.

Pyramid Pile Cure Cures Piles Quickly, Painlessly, Without Danger.

People go along for years suffering with piles. Then try this, and that and the other thing; from carrying a buckeye to getting treatment from a physician. They obtain temporary relief, maybe, but they are never quite cured. A little strain in lifting, excessive fatigue, a little constipation or a little diarrhoea and the piles come back.

They don't seem to amount to much, but they banish sleep and appetite. No position is comfortable. There is intense local pain and that dreadful feeling of weight in the perineum.

Maybe in the early stages some of the many salves on sale will afford temporary relief. If the case is of long standing there is only one speedy and sure remedy. It is Pyramid Pile Cure. Even in light cases it is the safest thing to use. Other applications may cure and may not. Pyramid Cure is always certain, always reliable, always brings comfort at once. Its prompt use saves months of severe suffering. In extreme cases it will save surgical operations and their attendant dangers and discomforts. It is better than a knife. Will cure easier, quicker and safer. Thousands have been cured by it. The cost is trifling compared with what it does. The price is 50 cents. Most anybody would gladly pay ten dollars to be rid of piles.

Druggists sell Pyramid Pile Cure. Send to Pyramid Drug Co., Marshall, Mich., for book on cause and cure of piles.

Mr. Davis was unable to get out of the way in time and was caught between the cars. One of his hips was badly crushed and his knee injured. Dr. Van Sickle is attending his injuries.
