FUNERAL OF JOHN MURPHY FROM HIS LATE RESIDENCE.

It Was Attended by a Large Number of His Friends and Neighbors. Requiem Mass Was Celebrated in St. Peter's Cathedral—Fight Over an Election Booth—Edward Kelly Injured in the Holden Mine.

From his late residence, 627 Beech street, the funeral of John Murphy took place yesterday morning. Hundreds of the friends and neighbors of the deceased, who for many years knew him as one of the most honorable of men, gathered at the homestead to pay respect to his memory.

At the conclusion of the services the remains were borne to Cathedral cemetery and interred. The pall-bearers were: Owen and Terrence Carey, James Jordan, Thomas Langh, T. McIntyre and John Rielly.

THEY HAD A FIGHT.

As a climax to a legal contest between John Woelkers and William Foguson, as to where the election booth of the Second district of the Twentieth ward was to be located, they indulged in a free fight yesterday.

Since the last election, Woelkers moved to Cherry street around the corner. Recent Foguson built a one-story frame building adjoining his, and rented the former booth to a shoe-maker named Gorin.

Both Woelkers and Foguson were disarmed with Gavins' stand in the matter, the former desiring the old place, and the latter the newly built. Yesterday Attorney Donahoe applied to court to have location changed, and that Foguson's building be designated as the polling place.

TWO ACCIDENTS.

Henry Joyce, a boy of four years, is suffering from a fractured thumb sustained at his home last night. His father, while playing with his children after supper, put the little fellow on his back. The father and son were thus enjoying themselves, when the

child fell, striking the thumb forcibly against the floor. He suffered great pain and Dr. Walsh was called. An examination showed that the fracture was between the first and second joints.

Edward Kelley, a miner in the Holden mine, living near the city line, in the Twentieth ward, was injured while at work yesterday. A heavy piece of coal fell on his left knee, making an ugly gash. Dr. Walsh is attending him.

YESTERDAY'S SCHOOL DEPOSITS.

It has come to pass that the weekly deposits made by the pupils of the several public schools where the saving fund idea is in vogue, are a good indication of what the times are in and about the mines. For over a month now full time was the working schedule and during last week the day days among the several West Scranton collieries arrived. Note the great gain over the usually good deposits for the week in yesterday's deposits, which are as follows:

HOPES FOR RESTORATION.

A sad instance of what sometimes easily results from a playful joke is shown by the terrible misfortune which has befallen John R. Devers, of Grant avenue. Mr. Devers has lost his eyesight entirely, but was advised to go to Philadelphia and consult a specialist. It is likely that he will go tomorrow and it is hoped by his friends that success will follow him.

The cause of his loss was due to a little blow on the cheek, just below the right eye-ball, while fooling with some of his friends in the Capouse mine one day early in October last. No notice was taken of the blow until some weeks afterward when inflammation set in and now both eyes are in such a condition that it is impossible for him to see. He is a well known young man and respected, holding an active membership of St. Brendan's council, No. 242, Young Men's Institute. He was the sole support of a widowed mother previous to the accident.

ALMOST A CATASTROPHE.

The family of Edward T. Evans, of 1722 Washburn street, narrowly escaped a shocking fatality in its midst early last evening. As it is two of the sons are suffering from severe bruises, and a daughter is prostrated from fright. The accident occurred about 6

EVENTS OF DAY IN WEST SCRANTON

PETER RINKER'S ABSURD REFORM PRETENSIONS.

Endeavored to Get Dr. J. J. Roberts to Betray Hon. J. R. Farr—Has Also Issued a Circular Which Makes an Attack on the Present Member from the First District and Circulated It at the Eleventh Hour—Funeral of W. T. Davies.

Peter Rinker's pretensions for form politics have been given a serious shock by the announcement publicly made by Dr. J. J. Roberts, the Republican candidate for coroner, that Mr. Rinker came to him with a proposition to betray Farr in his own diary for the legislature. Mr. Rinker is the Honest Government and Prohibition candidate for the legislature in the First legislative district. He has been denouncing every other element in politics but his own as dishonest and bad. Notwithstanding his bold claims for honesty, he went to Dr. Roberts' home and made the proposition to the doctor, that he, Rinker, would turn in for the doctor if the latter would betray Farr. Rinker, of course, to betray Dr. Roberts, who is the candidate for coroner on the Prohibition ticket with Rinker.

The doctor was amazed at the brazenness of Peter Rinker, but emphatically told him that he was for Farr and the entire Republican ticket. Dr. Roberts has not hesitated to tell of the contemptible deal which Rinker proposed and the latter's hypocrisy has been the subject of much comment. Peter Rinker has further shown his ability to get down to the lowest kind of politics by going to the house of one slandering Mr. Farr and as a last resort to win votes for himself issued last evening an anonymous circular attacking Mr. Farr, delaying this to a time that deprived Mr. Farr the opportunity of refuting the same. This circular is spread about the district today, but its influence cannot be injurious to Mr. Farr in the minds of fair and thinking people. Mr. Farr's record at Harrisburg and at home will bear the closest scrutiny. His splendid legislative work for the people is too well appreciated to allow such unmanly methods to injure him.

FUNERAL OF W. T. DAVIES.

The auditorium of the South Main Avenue First Welsh Congregational church was insufficient in capacity to seat the immense concourse of friends and relatives who wished to attend the funeral services of the late W. T. Davies, which were held there yesterday afternoon. The remains were brought to the church from Avoca, where disease had been visiting.

The services were in charge of Rev. David Jones, pastor of the church, and he preached an eloquent sermon. Rev. K. M. Jones, of Dundaff, was present and assisted in the services. The church choir sang the hymn selections. The remains were interred in the Washburn Street cemetery where interment was made. The pall-bearers were W. T. Roberts, Daniel James, Edward Davis, Homer B. Lewis, Joshua Davies and John J. Davies.

NORTH SCRANTON.

The Stars played the Pittston basketball team last night at Company H armory and won in a walk from the visitors. There was a large audience present, and the game was immensely interesting. Despite the large score run up by the home team, the Pittston boys made them jump at the while, and when a score was made it was well earned. Individually the playing was brilliant. This decides the championship of Luzerne and Lackawanna counties, and makes the tenth consecutive victory for Providence.

William Blackford, Edward Tomney, Edward Welsh, James Lees, Ralph Seaman, William Borrowchiff, Clayton Myrtle, Ralph Thomas and Sarah Connell were arrested before Alderman Flynn last night at the instance of Peter Flynn, coal operator. Mr. Flynn, who was represented by Attorney Vossberg, swore that the above named three spouses at the windows of his residence. The defendants were represented by Attorney Soper and entered a plea of not guilty. The charge accused did not substantiate the charge made by Mr. Flynn, and the Alderman discharged them and placed the costs on the prosecutor.

Ellen Noone, who was held under bail for the charge of theft, last week by Alderman Roberts, appeared before his honor Saturday and preferred a charge of larceny against her accuser, Mrs. Ellen McAndrew. Mrs. Noone, in her information, claimed that Mrs. McAndrew, while on a friendly visit to her home, secretly confiscated spoons, knives and other articles of her household. Mrs. McAndrew at the hearing acknowledged having a few of the articles mentioned in her possession, but said she had borrowed them. Alderman Roberts placed her under \$500 bail for court.

To get rid of these ailments, start at the seat of the trouble, by setting the stomach right. The genuine Johann Hoff's Malt Extract when taken with meals, will greatly aid digestion, and enable you to obtain as much nourishment as is possible from your diet.

o'clock, just as the family were about to sit down to the evening meal. One of the children had lost something on the floor and began to search for it. Lighting a match he crawled under the sofa, which stood in the dining room. Almost instantly the sofa was a mass of flame, the lighted match having ignited the excelsior with which it was stuffed. The boy's clothing took fire, but he beat it out.

The oldest son, Thomas G. Evans, who is a member of the St. Sid's band and his brother, Edward, promptly seized the burning sofa and carried it into the yard, where it was completely destroyed so fiercely did it burn. Both young men suffered severe burns about the hands and face and are under a physician's care. The sister, Miss Edith, was prostrated by the fright and excitement. It is for the prompt and thoughtful action of the boys great damage and probably a fatality might easily have occurred. No alarm was sent to the fire companies and little damage other than the destruction of the sofa occurred to the furniture.

14-YEAR-OLD BOY JAILED.

Was Caught Stealing from Jones Bros' Tea Store.

Frank Guerns, the 14-year-old boy who figured in the Van Horn murder case as a witness after the case was tried—his story being that he saw Mrs. Scott, often bringing food to Van Horn into the cellar of her home where she was murdered—was committed to the county jail yesterday afternoon by Alderman Miller on the charge of stealing a box of vanilla extract from Jones Brothers' tea store, on Lackawanna avenue.

He was suspected of having taken things from the store that were missed from time to time, after he was seen yesterday at noon a trap was set for him. The clerk went in hiding but was watching his movements. He took a survey of the store, decided this box would suit him and made off with it. A boy employed in the store made an attempt to head him off, but he got away.

A warrant was sworn out and placed in the hands of Detective Silverberg. His mother appeared at the hearing and begged not to send him to jail, but as Alderman Miller has had several experiences with him on similar charges and he has not shown a disposition to amend, he was committed.
