

CARBONDALE.

The Carbondale correspondence of The Tribune has been placed in the hands of Mr. J. M. Forbes. All complaints as to irregular delivery, etc., also news items, should be addressed to Roberts & Reynolds, news agents.

COMMON COUNCIL MEETS.

Transacted but Little Business at a Session Last Night.

Common council held a brief session last night and transacted but little business. Two resolutions which passed both councils and were signed by the city's chief executive were as follows: That the balance of the appropriation for the Sixth avenue improvement for the year 1898 is hereby transferred to the appropriation for repairing and grading different streets. Another as follows, introduced by Mr. Switzer: That the city engineer is hereby instructed to make the necessary repairs at the intersection of Seventh avenue and River street, the said repairs to be made with pavement and to conform with the pavement on River street. A number of bills of long standing were ordered paid. Two resolutions were adopted, one which allows two hundred dollars of the library fund to be used in binding and repairing books. At present the appropriation could be used for the purchase of books and other library necessities, which is due to lack of foresight in the introduction of the original ordinance. Also a resolution allowing the Columbia Hose company to use its apparatus in participating in the state firemen's parade in Scranton next October. "Nothing like taking time by the forelock" is evidently Mr. Suhm's motto.

SELECT COUNCIL.

The select council held a short session last night but transacted no business of any importance. They passed the two resolutions mentioned in the report of the commoners' doings and also passed a large number of bills which have been in the councils for some time.

The ordinance providing for the continuance of the River street pave to the lower end of Seventh avenue passed final reading and is now ready for the mayor's signature, which may possibly not be forthcoming. It will be remembered that work was stopped owing to the controller's refusal to sign it. He would refuse to order the work paid for unless done by resolution.

TUCKER AND MAXEY ARRESTED.

Suit Brought by Representatives of Scott & Co., Jewelers.

Constable Neary arrested Evan Tucker and T. J. Alxey, Saturday afternoon, on a warrant issued by W. H. Warrington, representing Scott & Co., of New York, jewelers and dealers in precious stones. The defendants were given a hearing before Alderman Jones in the evening and there the charge upon which they were arrested was made public. Warrington alleged that on Nov. 3 he delivered to Tucker & Maxey two diamonds valued at \$199.98 on memorandum and that on the 19th of this month he approached the said defendants and demanded that they pay for or return the diamonds. As the defendants would do neither, he has taken this method to recover his property. But little testimony was taken on either side and the alderman bound the defendants over for appearance at the next term of court, placing their bail at \$500 each. Alderman E. M. Lowry became their bondsman and they were released.

This is said to be not the only case that will be instituted against this company. A gentleman from Wilkes-Barre was in the city yesterday looking for the delinquents, who kept out of the city all day and night. The sale was a faring bit of machinery which the operators expect to enrich themselves, but which will surely end disastrously to them if all reports—one-tenth of them—prove to be true. Suits for typewriters, which diamonds and dozens of articles outside the grocery and clothing line will, it is said, be instituted. Today, if found, the men will be escorted to Wilkes-Barre.

A BAD ACCIDENT.

Occurred Yesterday Morning at 5 O'Clock.

Yesterday morning, shortly after 5 o'clock, Anthony Tomasi, of Dundas street, arose from his trundle bed and proceeded to lay out a repair for himself. Antonio, which application his countrymen know him by, is an Italian and very popular with his friends in the colony. He may well be thanked that he is living today, for he experienced a peculiar and very narrow escape from an untimely grave soon after he arose. He was cutting some bread with a jack-knife—which is the implement most of his fellowmen use in slicing the staff of life—when it slipped and its point sank into the lower portion of his left wrist. For some time he tried to staunch the flow of blood with the aid of a few foreign friends,

A GREAT REMEDY.

For Sufferers from Piles.

Dr. Redmond, a specialist in the study and treatment of piles and rectal diseases, recently stated that the Pyramid Pile Cure, the new discovery for the cure of piles, was the most remarkable remedy he had ever seen or tried in any respect; and that was the instant relief experienced in all cases, no matter how severe, from the instant the remedy was applied. This was the more surprising to him because he had carefully analyzed the preparation and no trace of opium, cocaine or similar poison could be detected. Physicians look with great favor upon the Pyramid Pile Cure, because it is rapidly taking place of surgical operations and because it is so simple, so easily applied and contains no mineral or other poisons so commonly used in cures.

Dr. Redmond reports that the Pyramid Pile Cure not only cures the various forms of piles, but never fails to give immediate relief on the first application, no matter how severe the pain or discomfort may be. People who have suffered from piles for years are often astonished at the instant relief experienced from the first application. Another important advantage is the fact that anyone can use the remedy without detention from business or interference with daily occupation. Sold by druggists at 50 cents per package. Send to Pyramid Drug Co., Marshall, Mich., for free book on cause and cure of piles.

but after many minutes of wasted efforts they sent a messenger for Dr. M. J. Moylean, who upon arrival found the wounded man in a very low state. With much difficulty he stopped the gushing of blood which was caused by the cutting of an artery.

A SERIOUS FRACTURE.

A Young Man Falls and Is Badly Injured.

Arthur Lloyd, while engaged about his duties on his farm on the east side, fell on the floor of his barn and sustained a serious injury. He tore the ligaments of his right knee which is a serious injury in itself and will keep Mr. Lloyd in for some time.

THE GIDDY GEISHA.

"The Geisha," Augustin Daly's latest success will be seen at the Grand tonight. A host of good things can be said about this charming Japanese opera. An important feature of the entertainment is the delightful songs and the beautiful dresses. As "O Mimosa San" the chief geisha, Miss Helen Roynton sings, dances and acts brilliantly when entertaining the English officers and when pleading for release from the governor.

A RECRUITING STATION.

Lieutenant Siviter's representatives did a good first day's business yesterday when they enlisted thirty-three men in the service of their country. The men will be sent to Huntsville, Ala. Corporal Steele, an old Carbondale boy, is with the recruiting agents and has many friends in this city are glad to shake hands with him. He was very popular during his residence here.

LOCAL AND PERSONAL.

Rev. T. E. Jepson was in Scranton yesterday, where he delivered a paper before the ministers assembled at the Baptist conference in that city. Mr. Jepson's mode of deliverance is decidedly impressive and he has made a reputation as a preacher in this vicinity.

Corporal George Anuger is home from St. Joseph's hospital on a thirty-day sick leave. He has been in the hospital since Oct. 8, suffering from malaria fever. He will join his regiment at Augusta, Florida, in the latter part of December. The members of the Congregational church will hold their annual supper on Wednesday, Nov. 23.

Today the most important event in the social world of this season will occur when the Knights of Pythias will celebrate the tenth anniversary of their organization. The entertainment will be held in the Burke building and the banquet in Hotel Anthonie, which has been artistically decorated for the occasion. Hon. S. S. Jones will address the Knights and act as toastmaster. The members of the church will hold their annual supper on Wednesday, Nov. 23.

TAYLOR NEWS.

Thanksgiving Attraction—Benefit Drawing—Personal and Other News.

The absorbing topic of the town at present is the coming Thanksgiving tea party which will be held in the auditorium of the Calvary Baptist church on Wednesday and Thursday evening of this week under auspices of the Ladies' Aid society. This occasion is entirely a new event to the public of Taylor and its vicinity, and in this the people will have a great treat. The tickets are selling rapidly and are only 25 cents.

Mr. Clarence Wade, of Hill Park, was a caller on friends in this place on Sunday. Messrs. Adolph Freisider and Frank Decker called on friends in the Archbold mines Sunday.

Mrs. Mary Daily, of North Main street, who has been visiting relatives in Rinhington has returned home. The flower show which was held in the Drake street church last week was a grand success. The benefit drawing for the widow of the late Llewellyn Evans and family will take place this evening in Llewellyn's hall, on Union street. The prizes consist of a gold watch, toilet set, set of miner's tools, etc. Chances are only 25 cents, which entitles the holder to any of these prizes.

FROM NEW ZEALAND.

Reefton, New Zealand, Nov. 22, 1898. I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this than I have in any other year. I am glad to make for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and now I have it from the use of it in my own household. It is so pleasant to take that we have to place the blame beyond the reach of the children. E. J. Scantlebury.

OLYPHANT.

The funeral of the late Thomas McGovern, whose death occurred on Friday last, took place from the family home on Dundas street, Sunday afternoon at 2 o'clock, where a large number of friends and relatives gathered to pay their last respects to the deceased. The remains were borne from the residence to St. Patrick's church. A short service was held. Interment was made in St. Patrick's cemetery. Patrick O'Malley, aged 15 years, employed as an oil boy at No. 2 shaft, was painfully injured yesterday forenoon. The boy was standing on the front end of a trip of cars which was being moved by a conveyer when he suddenly "bump-bumped." His leg was caught between the engine and one of the cars and was badly lacerated. Dr. Pierce attended to his injuries.

Attorney J. H. Carey, of Jermyn, was a caller in town yesterday. Mr. and Mrs. Matthew May spent Sunday with relatives at Providence.

Thomas Hogan, who while acting as sergeant in Company G, Ninth infantry, was wounded at Santiago, has received a honorable discharge from the army and has returned to his home here.

PECKVILLE.

A crash of broken glass and rapid footings going down Main street at about 7 o'clock yesterday morning aroused Druggist W. S. Bloss and finally from their slumbers. Thinking that all was safe, no one made an attempt to investigate. The Tribune carrier boy noticed the broken plate glass window and aroused Mr. Bloss, who at once made an investigation and found that one of the large plate glass windows of the store had been shattered. became frightened as a passing train. They crossed the bridge at full speed, coming in contact with a fire plug at the corner of Lackawanna and River streets, breaking the plug, causing a great flood of water in that vicinity. The Water company was quickly notified and shut off the water. The damage was repaired in a short time.

Dr. and Mrs. A. F. Craus will leave today for Waverly, N. Y., where they will visit relatives. Mr. and Mrs. Joseph O'Brien, of Scranton, spent Sunday with Mr. and Mrs. James O'Brien, of the West End hotel.

Miss Emily Williams, of Elmhurst, visited her parents in Blakely over Sunday. Joseph Dearie, of Wilkes-Barre, is spending a few days with relatives in town.

window as a display was several shot-guns, one of these being the only article missing. Up to 8 o'clock no clue as to the thief had been found. About that time Edward S. W. Arnold happened along and after being acquainted with the facts, stated to Mr. Bloss that he could not doubt give him the name of the thief, as he had heard a little talk that had made him suspicious of a certain individual. Acting upon the information given by the "squire," Mr. Bloss swore out a warrant charging William Marks, the 17-year-old son of John Marks, of the Patch, with the crime. The warrant was placed in the hands of Officer Joseph Pool to serve. The officer had no trouble in arresting Marks. He was taken to the office of Justice of the Peace Arnold and there underwent a rigid examination. For a long time he maintained that he was innocent, but finally admitted that he had committed the crime. In company with the officer he went to the barn of Mr. Peck, and from under it he dug up the stolen gun, which was badly dented and scratched. The plate window broken was valued at \$30 and the gun's value was \$15. Mr. Bloss last evening was undecided in the matter whether to settle the case or let the law take its course.

The breaker boys at the Ontario colliery struck yesterday morning and in consequence the breaker and mines are idle. Shortage of time is given by the boys as the cause of the strike. Manager H. was at the scene yesterday and no doubt the matter will be settled at an early date.

Walter, the young son of Mr. and Mrs. W. S. Bloss, sustained a severe gash on his face by falling upon broken glass while playing about the house Sunday evening. Dr. J. B. Grover dressed the wound.

JERMYN AND MAYFIELD.

It is but a short time since the people of this vicinity were treated to one of the best lectures ever given in this town, that given by Mr. Shepherd on his "The Holy Spirit," and now comes another rare treat in the lecture line. On Thanksgiving night, Nov. 21, Mr. Thomas Boundy will deliver his illustrated lecture on "A Trip to the Klondike." Mr. Boundy, while in Dawson, Alaska, was the guest and partner of Senator Alex Mulrooney, of Archbold, and many others from this vicinity. He saw Frank Belcher take \$7,000 per day from one claim. His lecture will be illustrated, and show many scenes from life, as seen by one on the ground. The lecture will be delivered in the Methodist Episcopal church and Mr. Boundy should be greeted with a full house.

James Jenkins, of Second street, was taken seriously ill on Saturday after returning from his work at the mines, and had a hemorrhage. Mrs. John Dequick, of Pittston, is the guest of her sister, Mrs. Isaac Jones.

Mr. Thomas Rich is in a critical condition and his many friends fear that his recovery is very doubtful. Misses Mabel and Lillian Hutchings, of Moosic, were the guests of Miss Josephine Davis, on Sunday.

Rev. G. J. Evans, of Vandling, conducted the services in the Congregational church yesterday. The officers and teachers of the Methodist Episcopal Sunday school held a meeting yesterday afternoon, and decided to treat the school with a concert on Friday night, after Christmas. A committee of five was appointed to arrange the production.

HONESDALE.

Rev. Dr. Logan, of Scranton, attended the reception at the Presbyterian manse Friday evening. It was being held by the pastor, Thanksgiving morning, in the several churches of Honesdale. This (Tuesday) evening a social will be held in the Presbyterian chapel under the auspices of the relief committee of the Synagogue, to which all are invited to bring a contribution of articles which is to be distributed among the poor for Thanksgiving day. There will be music and other exercises. Freeman's orchestra will furnish music for the Synagogue's hall, Wednesday evening, in the arena. The ladies of the Methodist church will give an entertainment in the opera house Thursday evening, which promises to be very amusing.

Dr. H. B. Talbot delivered two eloquent and practical sermons on Sunday in Grace Episcopal church before large audiences. On Friday evening last Rev. and Mrs. William H. Swift gave a reception to the members of his congregation and others, in the home of Mrs. Swift and Mrs. Swift were assisted in receiving by Mr. and Mrs. H. S. Salmon, Mr. and Mrs. J. A. Bodie, Mr. and Mrs. W. B. Holmes, Mr. and Mrs. A. T. Seagle and Mr. and Mrs. Judge Dymally. The manse was thrown open and brilliantly illuminated from cellar to roof, and with potted plants was made very inviting. Although the evening was very stormy, a large number who braved the storm gave evidence that they have seen which Rev. Mr. Swift and family held by the people of Honesdale. Refreshments were served by young ladies of the congregation, who know so well how to perform this work. The occasion was also marked by the fact that the twenty-fifth marriage anniversary of Rev. and Mrs. Swift was celebrated. This fact was not generally known and not announced, but a few who had knowledge of the fact kindly and handsomely remembered their pastor with gifts in hard cash and other valuable articles.

FOREST CITY.

Henry E. Bieffer became engaged in a difficulty on Friday night with several young men who were in his restaurant on Depot street and fired a number of shots from a revolver at them. Fortunately he did not seriously wound anybody. One of the bullets, however, shot the hat from a young man's head and made a groove over his scalp, taking the hair with it as it went. Bieffer claims that he had money on his person, and that the young man attempted to take him down and relieve him of it. This is denied by those whom Bieffer accuses. Either Mr. Bieffer's indignation has precluded his needs in that direction or he is being sadly persecuted. It will be remembered that on election night he claimed his place was entered and everything eatable, drinkable and portable carried off by the mob. He has been attacked again and knows his assailants, but just why no arrests have been made is not clear.

Thanksgiving services will be held at 10:30 Thursday morning at Christ Episcopal church in this town. A young lad named Goldenstein, whose parents live on Dundas street, climbed on a small barn Saturday, from which he fell, breaking his arm.

The Jefferson Branch union, Young People's Society of Christian Endeavor, will meet at Starucca today in semi-annual session. L. P. Wedman, esp., of Scranton,
