## FIRE SUNDAY MORNING.

### House Burned to the Ground in the Third Ward.

The tooting of the alarm at Davis head awakened the citizens early Sun day morning. The fire was in the Third ward, a house belonging to M. J. Shimpff having been burned to the ground.

The wind was blowing a gale and the houses in the immediate vicinity of the blaze were in danger of being burned. The fire had been blazing for about fifteen minutes before the alarm was sounded, and it was fully fifteen minutes more before the Mitchell Hose company responded and reached the scene.

When the company reached the burning house they discovered that their hose was not sufficient, and the stream of water would not reach the blaze. Had the Columbia Hose company vesponded their hose might have been attached to the Mitchell's supply and efficient work accomplished. The house was burned to the ground.
