

EVENTS OF DAY IN WEST SCRANTON SATURDAY'S CAUCUS IN THE FOURTH WARD.

Names of the Candidates for Ward and District Offices—Frank Spear While Going to Get His Pay at the Archbold Breaker Had His Foot Cut Off—David W. Jones Committed to the County Jail for Beating His Wife—Personal Notes.

As the intervening number of days between now and Saturday next grows less the interest in the Republican caucus to be held that day in the Fourth ward grows deeper. This caucus will be held in the afternoon between the hours of 4 and 7 p. m., and the purpose is to select Republican nominees for the respective ward offices.

Some time ago it was very evident that more than ordinary interest would be taken in the caucus. To prevent complications, a meeting was held in Alderman John's office, on North Main avenue, and it was amicably agreed by all interested to use a flag ticket, each candidate bearing a pro rata share of the expense entailed. As it is always the case early in the game there were many aspirants eager to run but since that time many have quietly withdrawn.

The three ward offices are alderman, assessor and constable. For each there are three candidates. Each of these three in its respective candidacy is making a strong effort to succeed.

For alderman, the candidates are Owen D. John (present alderman), John E. Lewis and John T. Jones.

For constable, the three candidates are John J. Davies (present constable), John H. West and Cliff Price.

For assessor, Daniel E. Edwards, Henry Greenwood and Morris T. Watkins (present incumbent) are the candidates.

In the First district, David R. Jones, register of voters, Minor E. Woolson, judge of election, and W. Bromley Williams, for inspector of election, will have no opposition for the nominations.

In the Second district, H. A. Jones, for register of voters; Daniel Hughes, judge of election, and Jacob Shoemaker, for inspector of election, also will have no opposition for the nominations.

In the Third district, Cliff W. Jones and George Shelle will oppose each other for the nomination for register of voters; Henry Nicholas, for judge of election, and Howell Phillips, for inspector of election, will not have any opposition.

In the Fourth district for the nomination of register of voters, three candidates will try, viz: Daniel J. Jones, David E. Thomas and James H. Brace. There will be no opposition to William Lake for judge of election, of David B. Harris, for inspector of election.

For the past few days a trio of glib-tongued fakirs whose appearances stamp them as swindlers, has been working the town and a number of the people. The method of the faking fraternity is to enter a house and offer a ring for sale which, according to the story of the seller, is pure gold worth twenty times what he asks, which is 50 cents.

After a half-hour outburst of oratory coupled with a hard luck story the price is knocked down to a quarter and in many instances a sale is effected much to the chagrin of the buyer who soon finds the supposed genuine gold ring is nothing more than a piece of brass.

DR. WURTH'S OPINION OF THE NEW DISCOVERY IN MEDICINE.

A Remarkably Successful Remedy for Dyspepsia, Indigestion and Stomach Troubles.

Dr. W. in commenting on recent discoveries in medicine, said: There is none which is certain to be so valuable and far-reaching in benefit as Stuart's Dyspepsia Tablets, the new stomach remedy. I say far-reaching, because people little realize how important a sound stomach and vigorous digestion is to every man, woman and child.

Indigestion is the starting point of consumption, neuralgia, Bright's disease, diabetes, nervous prostration, liver troubles; why is this? Simply because every nerve, muscle and tissue in our bodies is created and nourished from the food we eat. If that food is, in any case, of a weak stomach, compelled to be for hours, a sour, fermenting mass of half digested food, it poisons the blood and nervous system, creates gas which distends the stomach and bowels, causing pressure on the heart, lungs and other organs, and seriously impeding their action.

He says further, the point to direct attention is not the nerves, nor heart, nor lungs, nor kidneys, but the stomach, the first cause of all the mischief.

The remedy to use for indigestion and weak stomach is not some cathartic, but a remedy which will digest the food, increase the flow of gastric juice, absorb the gases, and Stuart's Dyspepsia Tablets will accomplish exactly this purpose in any case of stomach trouble, because these tablets are composed of the digestive acids, aseptic pepsin, Golden Seal and blennium, pleasant to taste, and not being a patent medicine, can be used by anyone with perfect safety. I believe Stuart's Dyspepsia Tablets will cure any form of indigestion and stomach trouble except cancer of the stomach.

Full size packages of Stuart's Dyspepsia Tablets are sold by druggists at 50 cents, or by mail from F. A. Stuart Co., Atlantic City, N. J. A book on stomach diseases, together with thousands of testimonials, will be sent by addressing above or call on your druggist for them.

GATHERED IN SOUTH SCRANTON

DEGREES CONFERRED BY COMET LODGE OF PYTHIANS.

Social Session Was Held at Demuth's Hotel After the Meeting—Officers Chosen for Roaring Brook Conclave of Heptacosphi—John Rothmann, Foreman for Spruks Brothers, Suffered a Stroke of Paralysis. Funeral of Harold Snyder from Home of His Parents on Elm Street.

Comet lodge 431, Knights of Pythias, met in regular session at Hartman's hall last night, and it can be said that the meeting was the most interesting held in many months.

The interesting features of the session was the advancement of Jacob Demuth to the third degree of the order, and Frank S. Koon to the first degree.

The work of conferring the degree was done by the degree team of Farwell lodge 369, of Petersburg. The officers of the team who officiated were: Master of work, William Flower; chancellor commander, S. A. Ridgeway; vice chancellor commander, Charles Blaris; prelate, W. H. Knoepfel; monitor, Charles Lohman; master at arms, Henry Moore; inner guard, Bert McCauliffe; outer guard, Henry Baustiem; assistants, W. H. Hoffman, Jacob Schaeffer, Herman Stander, William Long, Fred Witman and A. Locher.

At the conclusion of the impressive ceremonies the meeting adjourned, and upon invitation of Mr. Demuth the gathering repaired to his hotel to meet in social session. The remainder of the night was passed in a pleasant manner.

A major portion of the members of Roaring Brook conclave, Improved Order of Heptacosphi 214, assembled at the meeting held at Demuth's last night, chiefly for the purpose to participate in the nominations and election of officers to act for the year beginning less than a month hence.

The result of that order of business of the session was the selection of the appended officers: Officers: Siting past archon, Peter J. Reiff; archon, A. J. Mulderick; provost, Joseph Hoveck; secretary, M. J. Biglin; treasurer, George Frable; financier, R. M. Heaney; prelate, Henry J. Reiff; inspector, Thomas H. Spruks; wanderer, Stephen O'Leary; sentinel, Peter Egler; trustees, Charles J. Schauer, John F. Kelley and Christian Storr, sr.; medical examiners, Dr. James A. Manley and Dr. John J. Walsh; representative to the meeting of the supreme conclave at Harrisburg, L. H. Donohue, C. C. Donovan and Thomas Griffiths, alternate.

Following the meeting several hours were devoted to entertainment. Luncheon, music and speech-making were the features of this section of the evening's doings.

The installation of the newly elected officers will take place the first Monday night in January next. Then M. J. Biglin will enter upon his seventh consecutive term as secretary, and George Frable's eighth year as treasurer, he being the conclave's first treasurer, and having held the position since its organization.

The executive board is composed of F. B. Boushall, of Pittsburg; an always unflinching election, Robert M. Heaney, who was re-elected financier, has been —us honored on six consecutive occasions, and Attorney C. C. Donovan, who was chosen to represent the conclave at the session of the supreme conclave, has acted in that capacity since the organization of the local conclave.

John Rathman, foreman at the lumber yard of Spruks Bros., is critically ill at his home on Prospect avenue. Mr. Rathman, who is rather advanced in years, has been afflicted with paralysis while at his usual work, Monday. He was removed to his home, which is with Thomas H. Spruks, of the Spruks Bros. firm. Dr. Kolb is attending him and he entertains but slight hopes for his patient's recovery.

The funeral of Harold Snyder took place yesterday afternoon from the home of his parents, on Elm street. Services were held at St. Mary's church at 2:30 o'clock, Rev. G. J. Stopper officiating. Interment was made in the No. 5 Catholic cemetery.

The second of the series of ecclesiastical parties to be held by the Ladies' Catholic Benevolent association, of this side, during this season was conducted at Pharmacy hall last night. The auspicious event was attended by the representative society people of this side.

James F. Best was among the many in attendance at the funeral of the late M. P. Corcoran, of Durayra, yesterday. Mr. Best and the deceased were boys together in Minocha, and through life were always warm friends.

Miss Lizzie Rosen, of Cedar avenue, and William Klein, of Pittston avenue, will be married tonight at 8 o'clock at the home of Miss Rosen.

Along back in the early part of 1898, in the densely wooded lands of Schuylkill county, in the region of where Pottsville now stands, where stages were the only means of transportation, the late Simpson began life as an assistant to his father on his stage route between Pottsville and Tamaqua. At the breaking out of the Mexican war, early in the year of 1862, Thomas, with his brother, John, enlisted. They fought side by side during the sieges of that notable war. Many of the Mexican war, early in the year of 1862, Thomas, with his brother, John, enlisted. They fought side by side during the sieges of that notable war.

Mr. Simpson has related to his friends of the bloody battles and especially of the siege of Vera Cruz. After returning from the Mexican war Mr. Simpson took up his residence at Coudersport, Potter county, where he married a young lady of that place. They had married but a short time when the "war" broke out. He worked in the lumber woods until there came a demand for emergency men during the civil war and he enlisted. After returning from the three months' service he went to Harrisburg and enlisted for three years, which he served. After the civil war he came to Scranton and married Mrs. Schooley, a widow with a family of five children. Mr. Simpson has worked for the Delaware and Hudson Coal company ever since he came back from war and was one of their most trusted employes. His funeral will take place at the
