the Poultry Pamphlet Bill.

Harrisburg, Dec. 13.-The annual report of Thomas M. Jones, superintendent of public printing and binding, for the fiscal year ended June 20 last shows the total cost of the state printing for that period to be \$223,805.34. The superintendent notes a commendable improvement in the character of the printing and binding done by the presnt contractor, W. S. Ray, and says he will not approve the bill of C. M. Busch, former state printer, for \$57,-662.85 alleged to be due for printing 150,000 copies of the numbhlet entitled The Diseases and Enemies of Poutunless authorized by the court, Mr. Busch has instituted proceedings in the Dauphin county court for the payment of his bill and the case will be called tomorrow for trial.

Mr. Jones calls the attention of Covener flastings to changes that should be made in the law regulating the state printing and to suggest that legislation to simplify matters is very much needed. He says the schedule of prices un-der which work is now done should be revised and made up-to-date. Mr. Jones reports that since he became superintendent læst May orders for printing for the various state departments have only been given by authorized and responsible parties.
