

TRIBUTE TAKEN BY INSURGENTS

FILIPINOS ALREADY IMPOSING BURDENS ON COMMERCE.

Poll Tax Levied on Passengers on the Ferry to Cavite--Methods of New York Politicians Emulated. Employees in Factories Assailed. A Number of American Newspapers Founded in the Islands.

Manila, Dec. 17, via San Francisco, Dec. 20.—It is reported on reliable authority that the Filipinos are imposing burdens on commerce within the very walls of Manila. For instance, a per capita tax is levied on every passenger who is foolish enough to accede to the demands on the ferry across the bay to Cavite. Collectors stand at the gates of all the large factories on Monday and Sunday and collect the employees according to their salaries as they leave.

Their troops are for the most part amenable to reason. Some of them who are quartered in the suburbs presumed to exercise their authority, but after Aguinaldo had summoned Pio Del Pilar and one or two other turbulent spirits to Malolos and kept them under his immediate supervision there was no further trouble. They still surround the city, but at such a distance as to no longer be a menace to the peace or safety of the suburban residents of Manila.

The Vos Espanola, a rabid anti-American paper, has been suppressed by the authorities and its editor arrested for printing libelous articles. The Diario, but cannot, evidently, be founded in 1848, has suspended publication, and two Spanish newspapers, the Oceania Espana and Commerce, is expected daily will follow suit.

On the other hand, half a dozen Filipino papers are in circulation and any number of American publications. The Manila Times, an evening paper, was the first newspaper in the field, its first issue being published on the 15th day of the month.

From May 10 until the morning newspaper, which asserts that it has the only Associated Press news in the east, appeared. Then came The Freedom, tri-weekly; Uncle Sam and several more weeklies.

What with the uncertainty as to the future disposition of the islands and the state of affairs existing outside the city of Manila, which are the bounds of American jurisdiction, business in the Philippines is in almost as bad condition as it was six months ago. From May 10 until the morning newspaper, which asserts that it has the only Associated Press news in the east, appeared. Then came The Freedom, tri-weekly; Uncle Sam and several more weeklies.

OUTRAGE IN HAVANA.

Spanish Officer Smashes the Store of a New Yorker and Arrests Him.

Havana, Dec. 20.—Samuel L. Israel, of 245 West Forty-ninth street, New York, opened a few days ago a little store on Obispo street for selling American flags and jewelry. His wife last night appealed in tears to General Greene, saying that Israel had been arrested and that she cannot find him.

General Greene sent Captain Mott to Captain General Castellanos, asking that Israel be produced and sent to General Greene. In an hour an aide-de-camp of the captain general brought the man to the Hotel Inglaterra.

General Greene has asked Captain General Castellanos to investigate the matter, and the latter said he would send a report to General Greene at 10 o'clock this morning.

THE SPANISH SICK WILL REMAIN IN THE PRINCIPLE FOR THE PRESENT AND AFTER JAN. 1 IF NECESSARY.

Garcia's Followers and Aguinaldo's to Be Treated Alike.

Washington, Dec. 20.—Senator Proctor's public announcement in the senate yesterday afternoon that part of the \$5,000,000 appropriated in the present deficiency bill was to be distributed to the Cuban troops to aid them in continuing to civil life again is a final confirmation of the despatch published yesterday.

TO PAY CUBANS, TOO.

of the assistance given to the American troops by the followers of Aguinaldo and Garcia, and at the same time it is to remove any excuse which the insurgents might have for remaining under arms and resorting to brigandage or open rebellion. Moreover, it will deter agitators who might wish to use the discontented for a furtherance of selfish ends.

The money appropriated is to go directly to individual insurgents, who will thus be in a position to start again to work on their farms while those who prefer a military life may be enlisted for garrison duty.

DEADLY DUEL.

Soldier Kills His Companion at Greenville, S. C.

Greenville, S. C., Dec. 20.—Private Murgridge, Second West Virginia regiment, shot and injured a soldier killed today by Private John Matlock, of the 20th New York regiment, who also shot and wounded Private Hart, of the Second West Virginia. Murgridge and Hart were at pistol practice in the woods near the regimental camp.

AVALANCHE AT CHILKOOT

At Least Six Persons Killed--Five Bodies Have Been Recovered.

Seattle, Wash., Dec. 20.—The steamer Alki, which arrived here today from Alaska, brings meagre particulars of an avalanche on the Chilkoot pass which at least six persons killed.

Five bodies have been recovered as follows: Mrs. Darling and her two sons, of Lake Lindeman; Bert Jones, Juneau; Harry Shaw, of Skagway.

The slide occurred on Dec. 9 at Crater Lake, south of the summit of the Lakkum on the Lake Lindeman slide.

Mrs. Darling's husband was the Lakkum and she had arranged to join him with her two sons, who had almost reached manhood. Shaw was a Skagway man who had business at the lake.

Bert Jones, of Juneau, was but 13 years old, and the reason for his taking the dangerous trip does not appear. He was a friend of the Darling boys.

The name of the sixth person has not been ascertained.

Contrary to the advice of old timers who realized that the trip was a dangerous one, over the recent storms, the party set out with light outfits.

Another coincidence is that the two slides occurred just about the same distance from the summit, but on opposite sides.

Just before the Alki left Skagway, G. Bald Mills, of London, England, and F. Smith, of Melbourne, Australia, arrived in the city.

The president and Mrs. McKinley were driven to the white house at once, and the members of his cabinet, Mr. Porter and Mr. Cortelyou, the secretaries to the president, and their ladies were driven to their homes.
