### "Ups and Downs of Life."

It is a pleasure that we can announce that those sterling artists, Oliver Byron and his jolly wife, Kate Byron, together with their company of comedians will be the attraction at the Academy of Music next week. The Byrons are prime favorites and their productions are fetching. Oliver Byron has one of his bright, manly heroic characters that are so identified with this actor, and Kate Byron plays an Irish servant masquerading as "Lady Elfrida," in search of a husband.
