An ortthe Oriental room and the cosy semiental effect was intended and accomseclusion of the boxes, gave indescrib- plished in the lobby. The exits from the auditorium were hung with draable chaim to the whole. But beyond peries of exquisite texture and design. all was the living, moving beauty of Specially built sofas, richly upholstered the scene where the hundreds of lovely and containing pillows of the same efcwomen glided with their cavaliers, or gance, were ranged along the walls, sat in groups that gleamed like jewels ibout its margin. It has been said before that the walls Bachelors' ball draws together more beautiful girls than any other social event on record in all this region. Certain it is that at no previous time has lighted with jeweled, oriental lanterns so large an aggregation of loveliness of many colors, the same as were used been chronicled here. While there are many visiting guests famed for their charms of personal appearance, the representatives of Scranton society suffered in no sense in comparison with either the visitors of this or previous Years. Not a few faces from welcomed at these annua past were absent and we again there were many v was noted for the first went away frankly stating had the best time of the were many absent from resentation, who had nev in other years, and me amid the gay throng br of remembrance for these

treated. Its three windows were draped with point Arabian lace curtains and silk overhangings. There were two cosy corners draped off, the whole displaying a very comfortable and inviting appearance. The light was shed through many colored electric globes. In this appointment and in the lobby appeared some costly painted wall tapstries Supper was served, beginning at 10.30 o'clock, in the two large rooms and one small room over the theater entrance Here were arranged thirty-six small tables in the two large rooms and four

ables in the smaller room reserved for the petronesses. Holland, the Philadelphia caterer, was represented by his chief assistant, J. A. Howard, and a chef and two assistants. The large corps of local colored waiters was under left the unconscious duty of supplying the direction of H. H. Hall, headwaiter at the Hotel Jermyn. The supper menu included creamed overes, pattle do that this consideration is not now confeniencier, chicken croquettes, chicken salad, ices, cake and coffee. The walls in the suppor room were concealed by

obby. This apartment was exquisitely 18. The Little Napoleo

fine drapery of pink and light Nile green cloth. Frappe, lemonade and coffee were served throughout the night at two tables, one on each side of the cosy corner in the lobby.

From the first sound of the music there was not more than an occasional moment's cessation until twenty-four regular dance numbers, as many intermissions and six extras, fifty-four numbers in all, had been played. The dance music was by Oppenheim's Wilkes-Barre orchestra of eighteen pieces, and the intermissions by Bauer's military band of twenty-siz pieces. The former occupied a position in the right and the band in the left of the balcony Mr. Bauer, who has been critically ill

for several weeks, last night made bis first appearance again with his musi-In order to have him present, cians: the committee sent a special carriage for him. The dance selections were as Tollows:
