DEWEY HEARD FROM.

Admiral Dewey was heard from by cable at the navy department today. but made no reference to the present situation in the islands. He reported ity was the election of a president pro that he had found a building suitable for a naval hospital at Cavite and asked authority from the department to establish it at once. It was not gathered that there is an unusual amount of sickness among the American sailors but realizing that the naval and caution in the consideration of the occupation of Manila bay is to be of a permanent character Admiral Dewey wishes to establish a shore hospital. Secretary Long called upon Surgeon General Van Reypen and after a con-sultation they cabled Admiral Dewey authority to establish the hospital.

LEGISLATURE GETS SMOOTHLY STARTED

FARR ELECTED SPEAKER BY THE FULL PARTY VOTE.

Resolutions Passed by Both Senate and House Agreeing to Adjourn Not Later Than April 20-Scenes and Incidents of the Opening

Harrisburg, Jan. 3.-There were the usual scenes and incidents at the opening session today of the house of representatives. There was added interest owing to the occupancy of the new capitol. The chamber occupied by the legislators of the lower branch of the assembly was a surprise for most them with prices in any other of the members. They expected to meet in a barn-like and uncomfortable hall, without furnishings save those of the plainest description, but instead the spacious hall is not only attractive, but comfortable. The decorations are Away Down ing Flannel, extra heavy and nicely and conceal the temporary finish of the big room.

A liberal use of burlap, with temporary panels and pilasters, and gilt decorations with shields and fings, gave a cheerful, if not magnificent, aspect to all the surroundings. The desks of many members were hidden by beautiful floral pieces, the gifts of admiring constituents. There were great floral baskets and magnificent horseshoes and all manner of flowers and the recipients of these tokens of esteem sat behind them out of sight. The galler-Fleece Back Wrapper Cloth in a ies were crowded throughout the proceedings and there was a great interest in all that occurred.

CALLED TO ORDER. The house was called to order shortly after 12 o'clock by Chief Clerk Rex. Secretary of the Commonwealth David Martin was introduced, after prayer by Chaplain Sangree, and presented the ertificates of election of the members. The list was read and the roll called, after which the members presented Wabash, Pr themselves at the bar and were sworn in by Judge Biddie, of Carlisle. John R. Farr, of Lackawanna, was nominated for speaker by William T. Marshall, of Allegiany, and William T. Creasy, of Columbia, by George R. Dixon, of

Mr. Farr was elected by the full Republican vote of 127 and excerted to the chair by Messrs, Bliss, of Delaware Hosack, of Allegheny, and Mr. Creasy. Owing to the absence of a judge to swear in the speaker, a recess wa taken until Judge Simonton, of Harris burg, could be summoned. Mr. Farr made a brief address of thanks, in which he promised to be fair and courteous in his treatment of the members. Jere B. Rex. of Huntingdon, was reelected chief clerk and A. D. Fetterolf, of Montgomery, resident clerk. Henry Hubn, of Philadelphia, was re-appointed speaker's clerk. The other offi-

TO ADJOURN APRIL 20. Committees were appointed to notify he senate that the house is ready to proceed to business, to wait on the governor and to formulate rules for the government of the house. A resolution was also adopted providing for the concurrence by the house in the arrangements for the inauguration of the governor-elect. The senate resolu-tion providing for final adjournment on April 20 was agreed to almost unantnously after a motion to refer the resolution to the committee on rules

was voted down. A recess was taken until 4 o'clock this afternoon, when the house re-assembled to receive the blennial message of Governor Hastings. After the reading of the message and other communications from the executive, Mr. Clarency, of Philadelphia, was appointed a teller on the part of the house to compute the vote for governor, lieutenant governor, Superior court judges and secretary of internal

again tomorrow morning at 11 o'clock.

THE SENATE. The opening session of the senate was brief. Organization was effected at 2 o'clock and Secretary of the Common wealth Martin appeared and presented to the senate the returns of the recent election for senators. These were read and then Judge Simonton, of the local court, administered the oath of office to the new senators. The next formaltem. Senator William P. Snyder, of Chester, the choice of the Republicans, was successful over H. A. Haines (Dem.), of York, by 34 to 12. Senator Snyder, upon assuming the chair, made a brief speech counselling moderation measures that will come before the senate for action. He favored economical appropriations and a session of the legislature as brief as is consistent

with the proper disposition of the publie business. These officers of the senate were elected: Chief clerk, E. W. Smiley, Venango; journal clerk, John M. Rhea, reading clerk, J. A. Leeds, Philadelphia sergeant-at-arms,

S. P. Cochran, Armstrong.

A resolution providing for the details of the inauguration of Governor Stone was adopted and the chair appointed Senators Flynn, John B. Mitchell, Mc-Carrell, Osborn and Haines as the iningural committee. The senate reassembled at 3.15 o'clock

from the noon recess. The governor's private secretary was introduced and presented to the senate the biennial essage of the executive. The reading of the document was attentively listened to. A number of recess appointments by

the governor were read and ordered to lie on the table. A joint resolution was adopted providing for a joint meeting of the senate and house on Thursday, The directors of the Merchants' and Jan. 12, at 12 noon, for the reading of the returns of the late election for state officers. The senate also adopted a joint resolution providing for final adjournment of the legislature on April

THE MARKETS.

Wall Street Review.

New York, Jan. 2.—The market was regular today but left off strong with fractional gains in most shares and with a larger advance in other stocks where interest largely centered. Initial prices were generally higher but subsequetly the course of speculation was some what reactory and London soid some 30,600 shares partly on the Philippine incident and renewed talk of trouble between France and England. Profit taking sales caused some of the railways to recode from the early best figures. In the afternoon rise there was an increase in the volume of trading. Reading, Federal Steel, Pullman and American Spirits each in turn were strong. Improvement in the anthractic trade because of the cold weather was asigned as a reason for the rise in that stock, although the advance in the price of coal predicted from the beginning of the year failed to materialize. Total sales were 75,400 shares.
