Politics Are Quiet - A Week of Prayer - Personal Notes.

Politics are decidedly quiet in this borough. The Republicans are doing some quiet work among themselves and the Democrats are not at a standstill. In the First ward in the school director fight much interest is centered although the only two candidates who have as yet announced themselves are Thomas Griffiths and Thomas Samuels It is said there are several dark horses in this ward. The school directorship will make considerable difference among certain teachers who have been threatened with removal by a pair of directors. James B. Powell, who has served as president of the board for the past year and who is at present serving in that capacity, is a man who cannot be improved upon. His service as school director has been faithful and conscientious and his constituents heartily favor his re-election. He has conducted affairs without partiality and has made no religious discrimina-tion. Mr. Powell is a candidate for reelection from the Third ward. In the Fourth ward there is a lively fight between the present incumbent, H. J. Daniels, the popular Main street mer-

popular young man. Miss Bessie James, of North Taylor is recovering from her recent sickness. Taylorville lodge, No. 668, Independent Order of Odd Fellows, will hold a special meeting at their hall this evening for the purpose of making arrange ments for the funeral of the late Grif-

A COMMON CASE OF PILES.

It May Lead to Serious Results. When people generally understand that all such fatal diseases as fistula, ulcer of the rectum, fissure, etc., almost invariably begin in a simple case of Piles, they will learn the wisdom of taking prompt treatment for the first appearance of trouble in this quarter, The Pyramid Pile Cure will certainly ure every form of piles, itching, bleeding, protruding or blind piles, and hundreds of lives have been saved by using this cheap but effective remedy right at the start, because at such a time a single package will affect a cure, while in the old chronic, deep seated cases,
