LYMAN, SCRANTON PHI yate Hospital, cor. Wyoming and Mul THE LEADER Wall Street Review. Schedule in Effect May 29. (893. Wall Street Review. New York, Jan. 5.-Notable gains were recorded in the specialities and some of the railways today. The announcement of gold engagements of a million and a half overcame the reactory tendency of the forencon and set the market forging upwards, which continued to the close. The conditions of the exchange and money market do not seem to warrant the expectation that the import of gold will be a sustained movement, the theory be-ing that our large balanes of trade would not be drawn upon largely while money can be loaned at more profitable rates abroad. A lower range of London prices gave a decilining tendency to early trans-ctions here. The purchase of coal lands in Pennsylvania by parties friendly to the Ontario and Western which it was in-ferred would largely increase the traffic of that rong. Total shares were 95,700 shares. IN THE PLAY HOUSES.

Carmen Tonight.

Tonight at the Academy of Music the Waite Stock company will produce "Carmen:" at the matinee this afternoon "East Lynn" will be seen.

The Village Postmaster.

play that has interested New Yorkers for a long time past, viz., 106 nights at the Fourteenth Street the ater, New York, will be seen at the Lyceum theater on Saturday for a matince and night performance commencing with a matinee, it is called the "Village Postmaster," and will be produced in exactly the same manner and the same company anat characterized its production in New York. The critics say that no rural play has ever been presented there with such care, or with such scrupulous fidelity to the period shown. The play is located town in New England way back in the days when Franklin Pierce was president, and gives an opportunity to he company to wear some queer costumes worn in that day, the scenes of the play, the general country store, the village green with its realistic rainstorm of real water, the minister's donation party, the farm yard with a thrashing machine in operation, and the old village church, all go to make it a pretty drama of rural life.

Engagement Closes Tonight. Fred. Trwin's Majestic Burlesauers will close their engagement of five night's performance, being the last in

order that they may reach Cincinnati for a Sunday matinee. The usual Friday matinee will be given this after-There will be no performance at the Galety tomorrow(Saturday).

SPAIN'S YELLOW JOURNALS.

Continue to Charge Americans in the Philippines with Atrocities.

Madrid, Jan. 5 .- The newspapers here continue to charge the Americans in the Philippine Islands with all kinds of atrocities. As a sample of the current fictions the papers today accuse the Americans of delivering up a Spanish naval lieutenant who is alleged to have surrendered to the Unitod States forces, to the insurgents. who are said to have subjected him to all kinds of tortures.

It is also alleged that 104 monks were imprisoned at Cagayan, and that many of them died of hunger and suffering, that Spanish property has been given over to looters, that the owners have been plundered and often assussinated, and that at Suquat a convent was pillaged and the nuns were bru-

tally assaulted.

A Slight Obstacle.
