

HAPPENINGS OF NORTH SCRANTON

COUNTRY DANCE OF FATHER WHITTY SOCIETY. One of the Most Enjoyable Affairs of Its Kind Recently Held in the North End—Mine Foreman Richard Evans Burned by Gas in the Storrs' Shaft—Star Basket Ball Team Defeats the St. Leo's by One Point—Cumberland Hose Company Elects Officers.

The Father Whitty society had its ball well decorated in rustic style for the country dance, which was held last evening. About five hundred persons were present. The orchestra was present and rendered a very fine programme.

The main feature of the evening was a cake walk in which nineteen couples participated, and a more merry and lively cake walk was never held. The judges were Michael Calkin, of the West Side; M. J. Reedy and Martin Cavanaugh, who decided that John Murphy, of Bellevue, and Miss Henrietta O'Callaghan were the best couple. The judges of the dancing were John Shillingford and Miss Julia Gentry.

There have been few better affairs conducted in the city. The costumes showed fine specimens of rustic life, and were worn by some with an ease which bespoke for them much practice. Several sleighride parties from different parts of the city were to enjoy the evening. The dance ended at midnight which allowed those from the central city to catch the last car for home.

MINE FOREMAN BURNED. Richard Evans, of Park street, foreman of Storrs' shaft, was seriously burned by gas yesterday. While making an examination of a heading where there was a wall he came onto a layer of gas close to the roof which he set off by crawling over some stones which brought his light close to the roof, lighting it and burning his face and arms badly.

STARS WERE WINNERS. The St. Leo and the North End Stars met in a game of basket ball last evening in the armory. The game was an exciting one throughout. The score was 5 to 4 in favor of the Stars. Some extra good plays were made by Frank Evans, of the Stars, and Dennis O'Connell, of the St. Leo's. Robert Richardson and James Degroot were umpires and Thomas Tierney and Alfred Davis, timekeepers.

CUMBERLAND OFFICERS. The Cumberland Hose company, No. 1, has elected the following officers for the ensuing year: President, John J. Costello; vice-president, P. J. Mullin; financial secretary, James J. Grier; treasurer, Owen Collins; foreman, Owen Collins; assistant foreman, John Moran; second assistant foreman, John

McGrath; pipeman, Luke Rowley; assistant pipeman, Patrick Loftus, John Murphy, Thomas Boylan, Patrick Nauty and Michael Schofield; trustees, John J. Costello, James J. Grier and William Hopkins; representatives on firemen's convention committee, John J. Costello and James J. Grier; permanent man, James J. Hopkins.

MEN'S MEETING. This evening the men's meeting in the Providence Presbyterian church will doubtless be largely attended. The main address will be given by Secretary George Mahy, of the Young Men's Christian association. Members of the Young Men's Christian association "Workers' Band" will assist in the service and Professor C. F. Whittemore will lead in an enthusiastic song service. The entire service will be in charge of the pastor of the church, Rev. George E. Gault. All young men are cordially invited.

MINOOKA. The Democrats, as usual, have formally opened the spring campaign by issuing a call for the conferees to meet at Bishop's hotel on January 16, to "divvy up" the plum in the respective districts. From present indications the conferees will be a tame affair as candidates are lurking in the background.

In the Southwest district a lively time is expected. A rumor is passing the rounds that Michael Gibbons is billed to oppose Supervisor Quinn, who is out for a re-election. The funeral of the late Thomas Burke will take place this morning from the home of his daughter, Mrs. Michael McDonald, of Stafford street. Interment will be made in Minooka Catholic cemetery.

He was injured by a large hob sled running into him one night while he was en route to his home. The collision made a deep gash into his leg near the knee. Upon arriving home his wife applied household remedies and the following day the injury was evidently healing nicely.
