Their hard lives, their liability to serious troubles on account of their peculiar organism and their profound ignorance concerning themselves, all combine to shorten the period of usefulness and fill their later years with suffering.

Mrs. Pinkham has done much to make women strong. She has given advice to many that has shown them how to guard against disease and retain vigorous health in old age. From every corner of the earth there is constantly coming the most convincing statements from women, showing the efficacy of Lydia E. Pinkham's Vegetable Compound in overcoming female ills. Here is a letter from Mrs. J. C. Orms, of 220 Horner St., Johnstown, Pa., which is earnest and straight to the point:

"DEAR MRS. PINKHAM:-I feel it my duty to tell all suffering women that I think your remedies are wonderful. I had trouble with my head, dizzy spells and hot flashes. Feet and hands were cold, was very nervous, could not sleep well, had kidney trouble, pain in ovaries and congestion of the womb. Since taking your remedies I am better every way My head trouble is all gone, have no pain in ovaries, and am cured of womb trouble. I can eat and sleep well and am gaining in flesh. I consider your medicine the best to be had for female troubles."

The present Mrs. Pinkham's experience in treating female ills is unparallelled, for years she worked side by side with Mrs. Lydis E. Pinkham, and for sometime past has had sole charge of the correspondence department of her great business, treating by letter as many as a hundred thousand ailing women during a single year.

Peter Rink, of Stone avenue, agent and driver in this city of the Charles Rettig and Sons' Brewery, of Pottsville, is confined to his room, suffering from injuries sustained yesterday. Mr. Rink about 10.30 o'clock yesterday morning drove down Hickory street from Pittston avenue, his team going slowly. Reaching Cedar avenue, where there is a large space covered with ice, the heavy wagon began to slide, and the horses were unable to control the weight behind them.
