CITY NOTES

COMMON COUNCIL MEETS—A regular meeting of common council will be held this evening.

FRACTURED A LEG—Mrs. Miller, of Lee court, slipped on the ice yesterday and fractured a leg. She was taken to the Lackawanna hospital.

SUPPER THIS EVENING—The ladies of the Penn Avenue Baptist church will serve supper in the church parlors from 5:30 to 8 o'clock this evening.

FIREMEN'S EXECUTIVE COMMITTEE—The executive committee of the 10th firemen's state convention committee will meet this afternoon in the office of its chairman, Chief P. J. Hickey, in the city hall.

ANOTHER NOMINEE—In the list of nominations filed with the county commissioners and printed in yesterday's Tribune, the name of John Wagner should have appeared as Democratic candidate for common council in the Fifteenth ward.

ANNUAL BALL—The second annual ball of Division 21, Ancient Order of Hibernians, of Pine Brook, was held at Music hall last night. It was a most successful event, and was attended by an immense gathering. Miss Mamie Sheerin furnished the music for dancing.

BIBLE READINGS—Professor H. S. Miller's Bible reading at 50 Jefferson avenue on Thursday evening attracted a goodly number of students of the Word, and yet his talks are so clear and plain that all that attend catch the beauty and force of the truth in his illustrations. Professor Miller gives another talk this evening.

NOISY MARITAL CELEBRATION—John Kannon and his wife became reconciled on Tuesday, but they made a mistake in choosing drink as a means of celebrating the event. They appeared together on Lackawanna avenue and became so noisy and unruly that they were arrested yesterday morning. They were fined \$5 each by Alderman Kannon in police court.

CHARGED WITH PERJURY—Louis Panno, charged with perjury, was held under \$500 bail by Alderman Kannon yesterday. Panno is alleged to have said he saw a stolen revolver in the possession of Dominic Culo, although Panno testified before Justice of the Peace Coffey, at Dunmore, that he knew nothing of the whereabouts of the weapon. Salvatore Vallegro became Panno's surety.

LOOKING FOR QUARTERS—The visit of representatives from the fire department of Morristown to this city Tuesday to engage hotel accommodations is no small indication that the annual state convention of firemen to be held October next that city will be crowded with the fire fighters. Chief Hoyle, Messrs. Foid and Burnett of the Newtown department left for home yesterday after completing the arrangements for quarters for the delegation at the St. Charles hotel. Chief Hoyle states from his town about one hundred firemen and a band will be in the city four days of the convention week. Chief Hickey entertained the visitors while in the city.

CRUELTY TO ANIMALS.

Charge Against Ben Johnson, the Colored Ashman.
Ben Johnson, a colored ashman, a character familiar to central city residents, was fined \$10 for cruelty to animals by Alderman Howe yesterday. Johnson was arrested by Agent Knapp, of the Society for the Prevention of Cruelty to Animals. Agent Knapp said Johnson had refused to have his horse shod.

As the animal was in none too good physical condition, anyhow, the agent thought its existence was rendered unusually hard by being obliged to skate instead of walk along the icy pavements.

BOY SUSPECTS ARE ARRESTED

MAY BE GUILTY OF SNEAK THIEVING ON THE HILL.
One is Joe Kilpatrick, of 434 Phelps Street, and the other is Thomas Costello, of North Washington Avenue, Green Ridge—Former Has Made Admissions and Is Under Quite Positive Evidence of Guilt, But Not Necessarily of the Hill Thefts Unless Someone Comes Forward and Identifies Him.

Two boys suspected of being guilty of the recent sneak-thieving among the residences of the well-to-do people on the hill were in charge of the police at the central station during yesterday afternoon, but were released early in the evening under \$300 bail each, to appear for a hearing before Alderman Millar at 10 o'clock this morning. One is Joe Kilpatrick, 12 years old, of 434 Phelps street, and the other is a 17-year-old boy, Thomas Costello, whose home is in the rear of some houses on Washington avenue opposite the county jail.

With the positive evidence has not been secured that the boys are the identical two who have committed the thefts reported to the police from a score of houses on the hill, they are a pair of lads who have been mixed in more than one thieving transaction. Kilpatrick has been identified as the boy recently seen in the house of Dr. Murray. While in the hands of the police he admitted enough to warrant the assumption that he is a thief.

That the police are not wholly certain of their move is shown in the fact that warrants were last night issued for two other boys, who will be arraigned with Kilpatrick and Costello before Alderman Millar this morning. Meanwhile, Chief of Police Gurrell hopes one or more of the quartette will be identified by the occupants of the houses visited by the thieves.

FIRE IN CIGAR FACTORY.

Building Occupied by E. W. Garnell Was Badly Damaged.
A large two-story frame building at Providence road and North Main avenue, occupied as a cigar factory by E. W. Garnell, was badly damaged by fire yesterday morning at 10:20 o'clock. The fire originated in the drying room of the factory and spread with great rapidity. An alarm was turned in to which the North End companies responded. After they arrived on the scene the flames were quickly subdued. The loss amounts to several thousand dollars.

TRIFLE AHEAD OF TIME.

Unknown Person Started a Fourth of July Celebration.
A great excitement was created for a short time yesterday morning a few minutes past 9 o'clock in Center street, just off of Franklin avenue. Some one who wanted to be a little previous in the celebration of Fourth of July, ignited a large fire cracker and exploded it in Center street between two large brick buildings facing on Franklin avenue. The explosion was terrific, the report and shock were heard and felt for some distance around, and many persons were supposed that the guilty party could not be discovered and no arrests was made. Several teams of horses attached to heavy drays were standing on Franklin avenue and these were so badly frightened that the greatest efforts were required by the drivers to keep them from running away.

People supposing that the noise was due to the explosion of a boiler or something else rushed to the scene, but nothing could be seen, but a few fragments of paste board and red paper which once formed a large firecracker. A policeman arrested and began to investigate but the guilty party could not be discovered and no arrests was made. Several teams of horses attached to heavy drays were standing on Franklin avenue and these were so badly frightened that the greatest efforts were required by the drivers to keep them from running away.

HOME FROM CONVENTION.

Scranton Man Honored by the State Labor League.
P. G. Moran, of the Central Labor union; Isaac Harris, of the Scranton Typographical union, and J. J. Coillihan, of the Building Trades council, returned yesterday from the convention of the Pennsylvania State Legislative league at Harrisburg.

Mr. Moran was honored with the office of vice-president, which makes him a member of the executive committee with the president and secretary. The convention delegation introduced and secured approval of a resolution that the league withhold its approval from any labor measure not sanctioned by one of the recognized labor organizations and a bill to be presented to the legislature, making it possible for a person to sue for wage claims in forma pauperis, when the litigant proves himself to be impoverished.

MONTHLY INSTITUTE SOCIAL.

Conducted by Members of John Boyle O'Reilly Council.
The monthly social of the winter series of dances by John Boyle O'Reilly Council, Young Men's Institute, was held last night at the spacious dance hall of the institute on Lackawanna avenue. Miss Kate Richardson gave the dance music. The affair was for members and friends only and was attended by sixty couples of the prominent young people of the city.

Last night's event was the leading affair held thus far for this season. The committee of management was W. A. Magee, chairman; M. T. Howley, John Burke, Thomas Loftus and Edward O'Malley.

BRIDE WAITED IN VAIN FOR GROOM

MYSTERIOUS DISAPPEARANCE OF PIUS SWEENEY.
He Was to Have Been Married at 4 O'clock Yesterday Afternoon to Miss Sarah Moran, of Hudson Street—At 11 O'clock Yesterday Morning He Came to the Central City and That Was the Last Seen of Him—Bride Is Unconsoled.

In Holy Rosary church, North Scranton, at 4 o'clock yesterday afternoon, Miss Sarah Moran, of Hudson street, was to have been married to Pius Sweeney, of 174 Willow street. The groom failed to put in an appearance, and the heart-broken bride is unconsoled.

Why Sweeney disappointed his waiting bride is a mystery.

He is a young man of twenty-three, who is employed as a footman at the Storrs shaft, and lives on Willow street with his mother, one brother and a sister. He is a steady, sober and industrious young man, and a prominent member of several North Scranton societies.

For upwards of a year he has been a suitor for the hand of Miss Moran, and it created no surprise when it was announced recently that they would be married on Jan. 25. Miss Moran is a young woman of twenty, who is very pretty and popular.

Tuesday night Sweeney called upon Miss Moran and they discussed the final details of the arrangements for the wedding. Yesterday morning at 11 o'clock Sweeney left his home and came to the central city to get his wedding suit, and that was the last seen of him.

Miss Moran in the afternoon attired herself in her bridal robes and waited for the groom, but she waited in vain. At the church a great number of the friends gathered, and when they learned of the disappearance of the groom, there was no little excitement.

Miss Moran is prostrated with grief, and when a Tribune man called at her home last evening she could not be seen. Her parents had no comment to make about the peculiar conduct of young Sweeney.

At the latter's home his mother was crying bitterly when the reporter called. She said something must have happened to her son or he would have returned to lead his bride to the altar. "He's a good boy," the mother said, "and he'd never be guilty of an action of that kind if he could help it."

Up to a late hour last night Sweeney had not been heard from.

STOCKHOLDERS MEETING.

Officers and Directors of Enterprise Powder Company Elected.
At the annual meeting of the stockholders of the Enterprise Powder Manufacturing company, held yesterday afternoon, the following board of directors was elected for the ensuing year: J. A. Haskell, Eugene DuPont, H. M. Boies, Henry Bellin, Jr., Edward S. Jones, W. H. Taylor, E. P. Kingsbury.

J. A. Haskell was elected president of the company; Eugene DuPont, vice-president, and E. P. Kingsbury, secretary and treasurer.

BADLY BURNED BY STEAM.

James Sullivan, of Taylor, Possibly Fatally Injured.
A steam pipe at Anthony Bros.' culm washery, near the southern end of the city, burst yesterday afternoon and badly scalded one of the employes, James Sullivan, a young, unmarried man, of Taylor.

His face, hands and legs were most seriously affected and the physicians of the Lackawanna hospital, where he was taken for treatment, fear that his injuries may be fatal.

MILKMAN UNDER ARREST.

Charged with Stealing Dairy Company's Bottles and Cans.
G. Gruner, a milkman, of 614 Harrison street, was arrested yesterday for the larceny of milk bottles and cans belonging to the Scranton Dairy company.

Special Officer Bryant, who served the warrant issued by Alderman Kannon, found some of the company's bottles on Gruner's wagon and at his house. He was held in \$300 bail to appear at court.

MARRIED AT HUGHESVILLE.

George Seid, of Green Ridge, was married Tuesday evening at Hughesville, Lycoming county, to his former schoolmate, Miss Carrie Raye, of that place.

After their wedding tour Mr. and Mrs. Seid will return to Green Ridge, where they will reside.

DEATH OF WILLIAM W. WINTON

HER SKULL FRACTURED.

Julia Sheridan Probably Fatally Injured While Coasting on Clay Avenue—Sled Ran Into the Curbstones.
Julia Sheridan, a young woman employed as a domestic at the home of ex-Senator M. E. McDonald, was probably fatally injured in a coasting mishap on Clay avenue last night.

She and a young man with whom she was out calling, borrowed a small sled from one of a crowd of boys who were coasting on Clay avenue hill, intending to take just a ride for a lark.

Between Vine and Mulberry streets, while going at a terrific speed the sled suddenly swerved to the right and dashed into the curb in front of the residence of Mrs. Elizabeth Connell, throwing the riders forward with great force.

Miss Sheridan's escort slid along the icy pavement and escaped uninjured, but she struck headlong against a stone post and sustained a fractured skull. She was carried into Mrs. Connell's house and Dr. W. A. McDowell summoned to attend her. At first it was thought she had sustained only a bad cut, but closer examination revealed a fracture of the frontal bone just over the right eye, and from the orbit outward for over an inch.

With all promptness she was conveyed to the Hahnemann hospital, where Dr. McDowell and Dr. J. L. Peck relieved the compression and dressed the wound. The physicians say the injury is a very serious one, but there is a possibility of it not proving fatal.

The unfortunate young woman is twenty years of age and a daughter of John Sheridan, of 112 Stone avenue.

JOHNSON TRESPASS SUIT

An Ex-Slave Is Suing the Borough of Archbald to Recover Damages for Injuries Sustained by Falling Into a Ditch.
Judge Simonton was occupied all of yesterday in trying the trespass case of James W. Johnson, of Winton, against the borough of Archbald. He sues for \$20,000 damages for injuries received by falling into an unprotected ditch on Main street in Archbald.

The plaintiff is an aged colored man and an ex-slave. He sold once for \$150, but the law, of course, will not permit that to be used as a basis for measuring the damages he suffered in body and estate in the present instance. He, his son, his son's white housekeeper, his daughter and his daughter's white husband were the principal witnesses on the plaintiff's side.

The defense put on a number of residents and officials of the borough to show that the ditch into which Johnson claims he fell was off the regularly travelled thoroughfare and that no person in his sober senses would have wandered from the path which leads around the dangerous place.

Attorney Joseph O'Brien on cross-examination of the defendant's witnesses as to the extent of Johnson's injuries provoked a general laugh by unwittingly asking if the witness noticed any blue marks on the plaintiff's alleged broken leg.

A jury went out just previous to adjournment to deliberate upon two Ninth street damage cases in which Thomas McLane and Mary Dougher are the plaintiffs and which were tried together before Judge Gunter.

By agreement the verdict of \$665 for the plaintiff was entered in the case of Margaret E. Jones against Thomas E. Jones.

A verdict of \$20 in favor of the plaintiff was awarded in the Montdale dog case, in which Thomas H. Peck sued his neighbor, E. L. Holgate, for trespass for shooting his valuable shepherd dog. It was ruled that Holgate had no right to take the law in his own hands and shoot the dog, even though it did bite his son.

TWO WOMEN SIMILARLY HURT

Each Fell on a Slippery Sidewalk and Broke a Leg.
Two women were brought to the Lackawanna hospital yesterday, each suffering from a fractured leg, the result of falling on a slippery sidewalk. One was Mrs. R. Smith, of Orchard street, and other, Mrs. Laura Miller, of Lee court.

In each case the fracture was of a simple nature and unaccompanied by other injuries.

FOWLER FOR PRESIDENT.

New York Evening Post on the Lackawanna Situation.
The Evening Post of New York contains the following yesterday:
"The Lackawanna presidency question is still unsettled, according to the best information obtainable. There is some reason to believe that the large interests in Lackawanna are considering the plan of leaving Mr. Hallstead as general manager, a position where he is in every way capable and effective, and choosing for the presidency such a man as Thomas P. Fowler, now president of the Ontario and Western."

"Those who are urging Mr. Fowler's succession to office, point to his comparatively great ability in railway management as shown by the complete rehabilitation of Ontario and Western since he took charge and they say that in any other than strong hands that line was then in a position to be wiped out entirely."

"Besides this it is urged for Mr. Fowler that his legal ability and his experience in the financial side of railroad running make him a strong candidate for the place vacated by Mr. Sloan's retirement."

Model of Courtesy.

"Uniformed attendants attend to the wants of the patrons of the Lake Shore and Michigan Southern Railway. They are models of courtesy at all times. It is not necessary for the traveler to pay them excessive tips to make them so. Ladies traveling alone may be sure of utmost courtesy and every attention."
