PROFESSIONAL NURSES

Recommend Pe-ru-na to Everybody.

SICK-ROOM EXPERIENCE TELLS THE STORY

A Scientific Remedy for Catarrh—So Declared by Doctor and Nurse.

MR. JASON BRYAN, PROFESSIONAL NURSE, FRANKLIN, IND.

The nurse is often brought to a closer observation of the effect of any medicine than the doctor himself. In constant attendance upon the patient day and night, he observes the effect of every dose of medicine, while the doctor only sees the patient occasionally and must rely, more or less, upon the reports of the nurse.

Pe-ru-na is in high favor with the nurses. It is a specific for catarrhal diseases of all varieties. It cures catarrh of the throat, catarrh of the lungs, catarrh of the stomach, catarrh of the kidneys, and that form of catarrh so common among women, known to the profession as pelvic catarrh, ordinarily called female complaint. Pe-ru-na cures these troubles promptly and permanently.

Mr. Jason Bryan, Franklin, Ind., who is a professional nurse of experience, writes: "My friend is improving, thanks to you and Pe-ru-na. I am called on to nurse the sick of all classes.
