

FILIPINOS ATTACK AMERICAN TROOPS

[Continued from Page 1]

has its headquarters at the Arlington. The members absolutely declined to receive cards and kept steadfastly to their apartment. Agoncillo, it was said, had left the city for the east last night. Thus far the hotel has no information that the members of the junta intend to vacate their rooms.

Diplomats took a lively interest in the news, realizing that the government of the United States will call upon them very early to see to it that no aid of any sort is rendered to the Filipinos and that no filibustering expeditions shall leave their soil with munitions of war or supplies for the insurgents. Special precautions will be taken at Singapore and Hong Kong, principal points of eastern trade, to prevent the despatch of vessels carrying secret cargoes in aid of the insurgents. It is believed that the interests of other nations in a peaceful state of things will cause them to exercise special vigilance in this respect, a matter of much importance in view of the great number and extent of the Filipino islands. Without the receipt of arms or ammunition from the outside the insurgents will be badly handicapped. The United States is refusing to recognize Agoncillo in any way as a strong position diplomatically, and no doubt is expressed as to all European nations maintaining a most correct attitude and refusing to acknowledge in any manner that Agoncillo is a legitimate ruler. The United States has no intention of recognizing him in any way.

INTEREST AT EMBASSIES At the various foreign embassies and legations the news of an outbreak at Manila aroused the keenest interest, and it was discussed in all its international bearings. At the British, French and other embassies most directly interested in the foreign news, the news of an outbreak at Manila aroused the keenest interest, and it was discussed in all its international bearings.

Washington, Feb. 6.—The following dispatch was received at 1:15 this morning: Situation general Washington. No apprehension need be felt. Perfect quiet prevails in city and vicinity. List of casualties being prepared and will follow as they are received. Troops in excellent health and spirits. (Signed) Otis.

THE FILIPINO LOSSES

Thousands Are Reported to Have Been Killed.

London, Feb. 6.—The Morning Post publishes the following account of the fighting at Manila: "The immediate cause of the attack was an advance by two Filipinos to the Nebraska outpost, on the north-east of the city. When ordered to halt they refused, and the sentry fired. An insurgent signal gun was then fired from a block house and an attack was immediately begun on the Nebraska regiment, which was encamped. The Filipino loss is reported to have been heavy. The wounded included the American side are now estimated at 200. Few Americans were killed. "The splendid police system prevented a general outbreak in the city, though several soldiers were attacked by natives in the streets. Lieutenant Charles Hogan and Sergeant W. S. Wray were shot by three natives, the former being seriously wounded and the latter slightly. Lieutenant Colonel Colon was attacked by a native with a sword, while riding in a carriage to the front. He killed the assassin with his revolver. A sharp shooter within the American lines shot and killed a sergeant while he was sitting at a window of the second reserve hospital. Colonel William C. Smith died of apoplexy, many of the insurgents were driven into the Pacific river and drowned. Several hundreds were taken prisoners."

INSURGENTS SATISFIED

Filipinos at Manila Believe That Annexation Will Be Welcomed.

Manila, Monday, Feb. 6. 5 a. m.—The Filipinos have apparently reached the conclusion that the Americans means business now that the barriers are removed, as there were no further hostilities last night and no attempt was made to recover the lost ground. It is impossible to ascertain as yet how the news has been received at Malolos, the seat of the insurgent government, but the Filipinos in Manila express the opinion that the movement is a death-blow and that annexation will soon be welcomed generally.

AGUINALDO NOT SURPRISED

Thinks It Better to Fight Americans Before They Are Reinforced.

London, Feb. 6.—A representative of the Associated Press saw the London correspondent of Aguinaldo this evening. He did not express surprise at the news of the Filipino islands, but declared that the Filipinos at Manila were suspicious of the United States and had formed the opinion that it was better to fight before the Americans were reinforced. The Filipino representative added that Mabini, the head of the Filipino cabinet, and his colleagues were convinced that if the Americans were beaten now public opinion in the United States would incline upon the maintenance of the Filipino independence.

Spain Will Respect the Treaty.

Madrid, Feb. 5.—The Spanish government has no news of the conflict at Manila, and it is added that the government of Spain will act in the most correct manner and scrupulously respect the treaty of Paris.

Amateur Artists in Jail.

Savannah, Ga., Feb. 5.—Two young men, H. Hill, of New York, amateur photographers, were yesterday fined \$99 each in the city court for taking nude pictures of little negro children. They paid the children's nickels and to atone for them, Judge Norwood said the pictures were immoral and in violation of the law. Lacking \$99 ready cash, Young and Hill went to jail for thirty days.

THE MARKETS.

Wall Street Review.

New York, Feb. 4.—The market was strong the greater part of the day but early sales were lost and not recovered until they had made a slight net loss on the day. Locally there was a continuation of purchases by long and short interests and round amounts of short contracts were covered. Confident buying of high price stocks, including New York Central and Pennsylvania, gave impetus to the rest of the list. Among the other stocks showing continued strength on the rise were Wheeling and Lake Erie, Erie, Lehigh Valley, Grand and Western, preferred, Denver preferred, Canada Southern, Cleveland, Cincinnati, and St. Paul. The market closed with a net gain of 1/2 point. Metropolitan advanced 1/2 point, Erie 1/2, Lehigh Valley 1/2, Grand and Western 1/2, Denver preferred 1/2, Canada Southern, Cleveland, Cincinnati, and St. Paul 1/2.
