CARBONDALE.

CITY IN DANGER.

Fire Plugs Frozen and No Alarm System in Operation.

Castle of Pennsylvania, Ancient Order Knights of the Mystic Chain, convened The total destruction by fire of the house of Edward Atkinson, of Felmont street, as mentioned in yesterday's Tribune, brought out the fact that the entire city is in danger. The firemen Shires, Select Vice-Commander Jonah found three hydrants frozen and had to thaw one out before a stream could derson, Select Recording and Corresponding Scribe E. J. Dawe, Sciect Treasurer George Buckingham, Select be obtained. Then it was too late to do anything but save adjacent prop-

Outside Guard Samuel Penny, Select Chaplain John Culey and Select Sir It is fair to presume that half the hydrants of the town are in the same condition and if fire should break out In the business districts a conflagration would certainly be the outcome. When McDonough's ice house burned, of Pioneer City castle, No. 205, of Cara couple of months ago, a fire plug was found frozen and The Tribune at that bondale; nine candidates from the local lodge and one from Green Ridge castle, time called the attention of the city No. 162. The select commander and fathers to the expediency of having visitors were afterwards tanqueted at those in the central city tested. Not a | the Windsor hotel. thing has been done since. It is bad enough to be without a fire alarm system, but there is absolutely no excuse and had a sleighride to Green Ridge, for failure to keep the plugs open. This is exceptional weather and exceptional | Woman's Home Missionary society will
