The members of the Plymouth Congregational church have received a letter from Rev. C. H. Romig, of Lebanon, who was tendered a call to become the pastor of the church. The letter was read at the meeting of the members last evening, which is as follows:—

Scranton, Pa., Feb. 5, 1899. To the Officers and Members of Plymouth Congregational Church, Scranton, Pa. My Dear Brothers and Sisters:—

Grace, peace and mercy be multiplied unto you from God, our Father and His Son, Jesus Christ.

The call extended to me to become pastor and teacher of your beloved congregation was received on January 2, 1899. I want to thank you in all sincerity for the confidence you have reposed in me, and the honor conferred upon me.

I do wish I could see my way clear to accept, but alas I do not. I have been made to feel that my duty lies here among my own people and church.

My prayer shall be that God may abundantly bless you, and that you may soon be settled with a man who will be so much better than I am.

STRONG STATEMENTS.

Three Women Relieved of Female Troubles by Mrs. Pinkham.

From Mrs. A. W. SMITH, 59 Sumner St., Bideford, Me.: "For several years I suffered with various diseases peculiar to my sex. Was troubled with a burning sensation across the small of my back, that all gone feeling was despondent, fretful and discouraged; the least exertion tired me. I tried several doctors but received little benefit. At last I decided to give you Lydia E. Pinkham's Vegetable Compound a trial. The effect of the first bottle was magical. Those symptoms of weakness that I was afflicted with, vanished like vapor before the sun. I cannot speak too highly of your valuable remedy. It is truly a boon to woman."

From Mrs. MELISSA PHILLIPS, Lexington, Ind., to Mrs. Pinkham: "Before I began taking your medicine I had suffered for two years with a tired feeling, headache, backache, no appetite, and a run-down condition of the system. I have taken four bottles of the Vegetable Compound, one box of Liver Pills and used one package of Sanative Wash, and now feel like a new woman, and am able to do my work."

ST. JOHN'S FAIR NETS THE CHURCH OVER \$14,000.

Amounts and Sources Were Given by Rev. E. J. Melley at Yesterday's Services—Erection of a New Edifice to Be Begun in the Spring. Parish Highly Pleased—Indicent Person Makes Trouble—Fire at Megargel's Grocery Store—Maennerchor Ball—Smaller Items.

That the recent fair of St. John's church congregation was an unprecedented success and without a qualification on this side, and perhaps in the city is certain when it is considered that over \$14,000 as a net result was realized.

The fair lasted for five weeks, and came to a close Saturday night, Feb. 4. The following morning Rev. E. J. Melley, the untiring pastor of St. John's congregation, addressed his parishioners at the three masses on that day, upon the event just concluded.

The feeling of unbounded pleasure was mutual with rector and congregation when Father Melley informed his congregation yesterday of the result of the fair.

The gross amount was \$14,976.27, and the expenditures will amount to about \$700. The net result is as follows: Ladies' auxiliary to Division 17, Ancient Order of Hibernians, \$2,100; Blessed Virgin Sodality, \$2,000; St. Irena's Ladies' Total Abstinence and Benevolent society, \$1,788; Ladies' Catholic Benevolent association, branch 221, \$1,500; ladies' parish table, \$1,200.

The lot donated by Congressman Connel at Connel park, and won by Peter Moore, brought the sum of \$1,457. The contest between Attorney E. W. Gallagher and Common Councilman M. J. Cusick, for a violin, added about \$1,300 to the fund, and Misses Julia Donnelly and Tillie Magee, competitors for a diamond ring, turned in over \$1,600.

From the sources noted, over \$12,000 were received. Minor contests for dolls and the hundreds of articles chanceed off form the remainder of the total amount realized.

Father Melley again assured his parishioners that the erection of their proposed and much needed new church edifice will be commenced as soon as plans for the building are made and the weather permits excavation.

The new church of St. John's will be built on the spacious piece of ground at Pittston avenue and the street, and extending along the avenue with a frontage of two hundred feet. Nothing definite with reference to the cost and style of building to be erected can be given at present.

AFTER A MISCREANT. The alarm of fire sounded at 1 o'clock yesterday afternoon, was caused by the indiscreet action of some unknown person. Smoke was seen issuing from the apartments of Isaac Gortzman, who occupied a portion of the building at 417 South Washington avenue and the alarm was sent in. When the companies responded after a hard pull, no one knew where the fire was.

Gortzman came out and stated that a lamp had exploded in his kitchen with the result of causing a fire. He proposed and much needed new church edifice will be commenced as soon as plans for the building are made and the weather permits excavation.

CASH STORE FIRE. Fire was discovered Saturday morning at 10.30 o'clock in the cellar of the cash grocery store of W. A. Megargel & Son, 632 Cedar avenue. Henry Fox, an employee of Ziegler & Schumacher, plumbers, was sent to the store to check on the pipes running from a large oil tank in the basement to the storeroom. The floor is well saturated by the dripping of oil when cans are being filled.

The flames gained much headway before the firemen came.

A stream from the Phoenix chemical apparatus did effective work, and the flames were extinguished. The damage to the building and stock was comparatively small, and is covered by insurance. Mr. Fox was badly burned about the face and hands. His wounds were dressed by a nearby physician. Fortunately no assistance of the hose companies was not needed or they would have been handicapped.

YOUNGER MAENNERCHOR BALL. The sixth annual ball and concert of the Younger Maennerchor will be held at Germania hall on Cedar avenue tomorrow night. A meeting of the Maennerchor was held yesterday afternoon, when the committee of arrangements of which Carl Berghauer is chairman, made a lengthy report, showing that all details incident to the
