DETAIL VOTE OF THE REGIMENT

POPULARITY OF CANDIDATES IN THE COMPANIES.

Number of Members of the Regiment Have Been Pursuing Their Studies While in Camp—Regimental Hospital Has Been Closed and Major Keller Is Taking an Inventory—Private Obed Michaels Is Convalescent—Private Davis Selected Permanent Mounted Orderly.

Special to The Tribune.

Camp MacKenzie, Augusta, Ga., Feb. 24.—The election day was an unusually idle one in camp. The boys hung around listlessly and showed not the least signs of animal activity, with the exception of what little excitement was evident at 10 o'clock in the morning when the polls for the Scranton city election were formally opened. Then several kinds of pranks were indulged in for a time. Some of the men took the mess halls and run them willy-nilly, going along the company streets after the fashion of the old time town cries; others, in mockery of a more enlightened phase of political life, pushed wheelbarrows up and down, ready to carry to the polls anybody who was, or pretended to be, too lazy to walk to the mess halls where the voting took place.

The vote by companies was much more decisive than at the Fall elections and was strictly in accordance, in most instances, with party lines. The vote in the different companies was as follows:

A—for mayor, Moir 25, Roche 4, Williams 1; for city treasurer—Brooks 23, Robinson 6, Carr 1; for city controller—Widmayer 24, Howell 4, Chandler 1; for city assessors—Jones 21, Rinsland 17, Fowler 21, Smith 2, Neuls 6, McLean 4, Clearwater, Herman and Clark 1 each; school directors—Morriss 27, Shires 24, Quinlan 3, Francois 15; common council, Tenth ward—Naegeli 2, Eleventh ward—Phillips 1; Nineteenth ward—Smith 2.

B—for mayor, Moir 25, Roche 4; for city treasurer—Brooks 23, Robinson 2; city controller—Widmayer 23, Howell 12; for city assessors—Jones 43, Rinsland 24, Fowler 44, Smith 13, Neuls 16, McLean 18; for school directors—Morriss 52, Shires 52, Quinlan 11, Francois 11.

C—for mayor, Moir 46, Roche 10; city treasurer—Brooks 24, Robinson 32; city controller—Widmayer 31, Howell 25; city assessors—Jones 24, Rinsland 23, Fowler 26, Smith 24, Neuls 36, McLean 23; school directors—Morriss 25, Shires 23, Quinlan 33, Francois 23; common council, Eleventh ward—Phillips 2, Stone 1; Fifteenth ward, Thomas 1; Seventh ward, Keller 1; Nineteenth ward, Smith 1; select council, Eleventh ward, Schneider 2, Schimpff 1.

D—for mayor, Moir 29, Roche 4; city treasurer, Brooks 25, Robinson 6; city controller—Widmayer 28, Howell 4; city assessors—Jones 29, Rinsland 24, Fowler 13, Smith 28, Neuls 4, McLean 3; school directors—Morriss 27, Shires 26, Quinlan 2, Francois 6.

E—for mayor, Moir 53, Roche 4, Williams 1; city treasurer—Brooks 51, Robinson 7; city controller—Widmayer 29, Howell 19; city assessors—Jones 56, Rinsland 54, Fowler 51, Smith 2, Neuls 2, McLean 1; school directors—Morriss 51, Shires 52, Quinlan 2, Francois 2; common council, Fifth ward, Walker 2; Fifteenth ward, Thomas 3.

FOUR BOXES DID IT.

Remarkable Success of a New Pile Cure.

People who have suffered for months or years from the pain and inconvenience of that common disorder, piles, will look with skepticism upon the claims of the makers of the new discovery for a cure of all forms of piles, known under the name of Pyramid Pile Cure; nevertheless, the extraordinary cures performed by this remedy are such as warrant the investigation of any sufferer. As a case in point the following letter speaks for itself.

Mr. Henry Thomas, of sub-station No. 3, Hosack avenue, Columbus, Ohio, writes as follows:

Gentlemen—I want you to use my name if it will be of any use to you. I was so bad with piles that I lost work on that account. Nothing helped me. I read in the Cincinnati Enquirer of cures of piles by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me that he had something else that he thought was better, but I told him that I wanted to try the Pyramid first. The first box helped me so much that I tried another, and then to complete the cure used two more boxes, making four in all. I am now completely cured. Have not a trace of piles and I had suffered for four years with the worst kind of protruding piles.

I suffered death from piles, but I have found the Pyramid Pile Cure to be just as represented. I have recommended it to several of my friends and am thankful to be able to write you what good the remedy has done me.

Physicians recommend the Pyramid Pile Cure because it contains no opium, cocaine or mineral poison of any kind, and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time and with no inconvenience whatever.

The Pyramid Pile Cure is sold by druggists at 25 cents per package, and if there is any constipation it is well to use the Pyramid Pile Cure at the same time with the Pile Cure as constipation is very often the cause of piles and the pills effectively remove the constipation. Price of pills is 25 cents per package.

Write to Pyramid Drug Co., Marshall, Mich., for little book on cause and cure of piles; sent by mail free.

PITSTON.
Unknown Corpse Identified—His Name Was Paul Simons—Results of the Cold Snap.

A little golden cross enclosed in a well-worn pocketbook and found upon the remains which were discovered on last Thursday morning along the Lehigh Valley railroad has resulted in their identification just before they were about to be consigned to a pauper's grave. The description as stated in The Tribune of yesterday showed that he had been a member of a Slavonic society and this fact at once started an investigation. The result is that he was not only a member of the organization but had a brother who lived but a short distance from where his remains were found. He also is a married man but for some reason had become estranged from his family, and lastly his name is Paul Simons and was about 35 years of age. The corner, after making a close inspection of the body, found that besides a large gash upon the forehead, one of his limbs was broken in two places, but on the injured member there was no bruise on the flesh and the clothing which he wore was neither torn or soiled. This led the coroner to believe that there might be a possibility that the man might have been murdered and the remains placed along the track to hide a probable crime. The funeral will take place tomorrow afternoon, while the inquest will be conducted this afternoon by the coroner at the office of Deputy Coroner Evans.

The cold snap of yesterday was a very fortunate circumstance for those who lived along the west embankment of the Susquehanna in this valley from Coxtown to Nanticoke. The bridge is still in the same condition, while the level of the water has received a check and remained at about the same mark throughout the day. Up at Coxtown the Lehigh Valley has removed all their cars from the lower branches of the tracks and many of the residents along the river have removed their household goods to places of safety. The general opinion last night was that if the present weather should continue for a few days all fear of the expected flood will be dispelled. On the West Side many of the residents, who moved all perishable goods from their cellars.

A memorial service will be held tomorrow morning by the congregations of the Welsh and Water Street Baptist churches.

W. H. Coons, of Scranton was the guest of John F. Boyle and William S. Callahan yesterday.

The members of Young Men's institute council took possession of their new hall yesterday at the Oliver Burke building on South Main street, and without question they have the most cozy and best appointed places of meeting in the city. The hall and parlors have been newly furnished and the decorated work on the ceilings is the finest piece of artistic work seen here. The members are proud of their new home and they intend to be.

Chaplain Johnston, of the late Ninth regiment, will make the afternoon address at the rooms of the Young Men's Christian association tomorrow afternoon.

The Young Men's Christian association council held a very interesting meeting last evening. The rules of the Wilkes-Barre council were adopted and President Evans appointed the usual committees. The boys are determined to become acquainted with the usual proceedings as seen in a well regulated council chamber, and their efforts are receiving every encouragement.

The Pittman Stock company will occupy Music hall all of next week, and on Monday evening will present "The Red Cross Nurses" and the company is one of the very best that has been booked for this city the present season.

THE SUSQUEHANNA HOUSE, which is easily one of the very best appointed hotels in the city, is never without doing a good business, and the general proprietor, Oliver Burke, always to the front, has just added to his large stock an invoice of pure rye whiskeys (seven years old), which for medicinal purposes, cannot be duplicated.

WILLIAM A SANGER, at his Broadway cafe, on South Main street, is ready at any hour with delightful and palatable lunches, oysters served in all styles and regular meals which, for quality, variety and price, cannot be duplicated in the city.

KEYSTONE HALL RESTAURANT, where John J. Donnelly presides, invites you to this well appointed place this evening, where he will serve an elegant lunch specially prepared by a competent chef. The leading brands of lager, ales and wines in stock.

THE COPCORAN BROTHERS, "Jim" and "Dom" always up to date, will be glad to give you the best of the Metropolitan markets afford, prepared by a chef who knows the business. All the finest beverages on tap, including a delightful Lenten lunch. The Union hotel is the place.

THE SINCLAIR HOUSE, over which M. J. Hughes presides, invites you to call this evening. An elegant turtle consommé will be served.

The Major's Misfortune. "Is de major got his pension yet?" "Oh, yes." "Used him up purty bad, didn't dey?" "Wuss you ever see. Lost one arm whilst he was a tryin' ter surrender on broke two eye a-runnin'."—Atlanta Constitution.

Company C has had three more orders of success—Private Frank Williams, George Schlager and John Cadogan. This is the third time Private Schlager has been selected.

Private George G. Bailey, of H, is acting company clerk. The many friends of Private Obed Michaels of C, will be glad to know that he is now convalescent. He contracted a severe cold which came near developing into pneumonia and caused heart trouble. For three days the doctors and the nurses at Division Hospital were very doubtful of a recovery, but this morning the desired change came, and the patient is now safe. Private Michaels had a severe attack of fever last summer. He is one of the best-looking members of his company, and all the boys hope that he will be able to join them on their home trip on the 11th.

Private Elmer E. Freeman, of A, who is now on sick furlough in West Virginia, has been forwarded his transportation, and is expected to return to camp some time this week.

Company C has one member who rejoices in the possession of two names. This is Private James White, whose proper and more euphonious name is Jacobo Bianco. He is one of the most popular members of the company.

Private George Bailey, of H, who was recently returned to his company from the division hospital, is now enjoying the best of health.

First Sergeant Watrous, Quartermaster Sergeant Smith and Color Sergeant Reed, of G, gave a "neanut social" in their tent this afternoon, and invited several of their friends.

Private Charles Carey, of B, who was seriously sick and confined to the division hospital, is now convalescing rapidly.

Miss Loreta Mulherin, of Scranton, but now visiting relatives in Summerville, near Augusta, was a visitor in camp today, and called upon friends in the Thirtieth.

Richard J. Bourke.
