The mid-year convention of the Lackawanna County Woman's Christian Temperance union was held yesterday in Elm Park church. There was a large attendance. Mrs. C. D. Simpson presided. It was one of the most interesting meetings in the history of the organization.

Mrs. J. B. Downing conducted the devotional exercises of the morning. Prayer was offered by Mrs. Pierce Butler. Mrs. Downing then gave an interesting address on the subject of the "Bright and Shiny Side of Temperance Work."

Mrs. H. W. Palmer also gave a brief and characteristic address and Miss Emma Williams, of the literature department, gave a paper.

Mrs. J. M. Howell spoke on the prison and jail work. It was rather discouraging. The inmates associated to prefer to stay there, as they are warmed and fed and have no work to do.

Mrs. Coughlin gave a bright talk on "Suffrage for Women," and said that help must be given by the schools in order to make the work successful.

THEIR DOCTORS USE IT. Relief Society of Chicago Endorses Paine's Celery Compound.

The work of the average woman, whether she be in charge of a household, where the work is always doing but never done, or behind a counter, or in a schoolroom, is of a sort that rarely leaves her with strength or inclination for anything else.

The strain upon most women's nerves, is so great that a breakdown starts many of them constantly in the face, which means a loss of work, doctor's bills and discouragement.

One of the earliest and one of the most infallible indications of falling nervous strength is the inability to sleep soundly. No fact is more clearly established than that sleep repairs the tired nervous system and that the loss of sleep weakens the health more quickly and seriously than any other privation the body can suffer.

Physicians prescribe Paine's Celery Compound where the nerves have become so exhausted that not only sleep, but digestion is interfered with. Its influence is so attractive personally and has such a keen, true, loving insight into human nature—particularly boy nature—that whatever she says is heard with the most intense interest.

Mrs. Palmer then spoke of her own work and of the loss of her hall and the new hall now given to her boys. It took a big room to hold 700 boys, and when Mr. Leon Levy came and told her that he would provide a hall and make unheard-of improvements for their comfort, it took her breath away.

Mrs. R. M. Kays conducted the devotional exercises of the evening. Rev. I. J. Lansing offered prayer. Mr. Alfred Wooler sang a solo, after which Mrs. Annabel M. Holvey gave a brilliant address on the subject "The Wedge of Gold," referring to Achan's sin which wrought such woe to Israel.

One of the features of the Scranton Culture club's concert will be the production of Sir Arthur Sullivan's comic opera, "Hox and Hox," given by Messrs. E. Waten, J. Whelan and J. T. Watkins.

HER POINT OF VIEW

There was a suffrage meeting last week in Harrisburg, which was remarkable in that it was held in a room where a woman whose every action denoted that they had a common and determined purpose in view walked up to the door and sought entrance.

Mr. Wheelock, the leader of the band, is a brilliant young fellow with a Beau Brummell air. He is the captain of the football team, which has attracted much attention. He is to take this band of sixty to the Paris exposition next year to show what the American Indian can become.

Mr. and Mrs. Smith then unbosomed themselves to the genial alderman of the fifth and stated they had had a beautiful and encouraging finale to her remarks. "There is sunshine in my heart today, I love the whole world, and I wish everybody would give up drink."

At the conclusion of the ceremony, a reception was tendered Mr. and Mrs. Fiedler and later a sumptuous repast was served. Both of the young people are well and favorably known, and will immediately begin housekeeping in their own home on Summit avenue, North Scranton.

The congregation of the Stewart Memorial Methodist church at Rendham will conduct a fair and festival next week at the church Monday, Tuesday and Wednesday evenings. A concert will be given each evening. General admission will be 5 cents. Supper 15 cents.

The Wilkes-Barre Record can be had in Scranton at the news stands of Leitman Bros., 64 Spruce and 305 Linden streets; Mac, Lackawanna avenue.
