Corcoran, at Durgen, the morning of Dec. 2, 1898, are now under \$1,000 bail each to answer four charges preferred by Lydon.  
The latter went before Alderman Ruddy, of the Twentieth ward, Wednesday and gave information for the arrest of the Tooles, charging them with assault and threatening, pointing firearms, unlawful arrest and with-

and corrupt perjury. The charges are all brought about by the arrest of Lydon, who after a hearing before Alderman Pollock, of Wilkes-Barre, was discharged.  
It will be remembered that the Toole brothers went to the Greenwood mine, and at the point of a loaded gun in the central police station. The following day he was taken to Wilkes-Barre for a hearing. The charge of perjury brought by Lydon is alleged to have been committed in Luzerne county at the home of the Toole brothers.

**STEALING FROM CABOOSSES.**

Two Young Men Arrested on Suspicion of Being the Thieves.  
Peter Kelly, of Railroad avenue, and John Byron, of the South Side, are in the central station house awaiting a hearing on the charge of attempted robbery, preferred by Detective Bliss, of the Delaware, Lackawanna and Western police force.  
Late Wednesday night, Special Officer Goertitz and Detective Bliss discovered two men trying to make an entrance to a caboose standing in the yard. The officers hid nearby intending to swoop down on the intruders when they got in the caboose. A rail-roader happening along frightened the would-be thieves and they ran away. The officers gave chase and succeeded in capturing Kelly. Later they arrested Byron as the second man.  
The two were to have been given a hearing last evening but the mayor was not ready to proceed and the matter went over until this morning.  
A large quantity of brass and other articles have been taken from cabooses of late and it is supposed the prisoners are the thieves.

**F. J. DICKERT IS A POOR DIRECTOR**

**NAMED AS THE SUCCESSOR OF F. L. TERPPE.**

Appointment Was Made Late Yesterday Afternoon by Judge R. W. Archibald—Mr. Dickert Was Sworn in Almost Immediately Afterwards and Received His Certificate—He Will Attend Today's Meeting and Break the Deadlock—Farr Will Be Chosen Collector.  
Frank J. Dickert, a Democrat, and business man of considerable prominence in South Scranton, was yesterday designated by Judge R. W. Archibald as the successor of F. L. Terppe as a member of the Scranton poor board.  
This appointment has been awaited with great interest by the people of the city as it will end the deadlock which has tied up the business of that body for some time past. The order of Judge Archibald making the appointment is as follows:  
In re Poor Director of Scranton Poor District, Lackawanna County.  
A vacancy existing in the office of poor director of the Scranton poor district by the resignation of Fred L. Terppe, appointed for that portion of said district composed of the late South ward of the former borough of Scranton, Frank J. Dickert, esq., resident of the said South ward, is hereby appointed to fill such vacancy for the unexpired term.  
R. W. Archibald, President Judge, March 2, 1899.

**TOOK THE OATH OF OFFICE.**  
The order was filed about 4 o'clock yesterday afternoon and noon after Mr. Dickert appeared in the office of Probationary John Copeland and took the oath of office from Deputy Probationary Cummings and received the certificate of his appointment, which will be presented at the meeting of the poor board today.  
Reese G. Brooks returned from his southern trip Wednesday night and will be present at today's meeting.  
It was stated last night that Mr. Dickert will take today with Directors Brooks, Shotton and Palms, which will mean the overthrow of the Langstaff-Pinn-Von Bergen combination. Three directors favor this combine. They are Directors Langstaff, Fuller and Murphy.

The principal cause of the deadlock has been the desperate fight for the collectorship between Wade M. Finn, the present collector, and Hon. John R. Farr. It is very probable that Mr. Farr will be chosen this afternoon. The officers of street "y" and treasurer of the board will swing in harmony with the collectorship.  
**SKETCH OF NEW DIRECTOR.**  
Director Dickert for many years has been engaged in the coal business and now conducts a general store on Locust street, in the Twentieth ward. He was born in Poland, but has been in the country since his boyhood. He received his English education in New York city, and speaks perfect German, Polish and English.

Mr. Dickert is a Democrat, and is a member of the Democratic standing committee. He is a director of the Schiller Building and Loan association, Electric City council, Royal Arcanum, and the several societies connected with the Sacred Heart congregation, of Prospect avenue.

**CHANGES IN DEPARTMENTS.**

**Delaware and Hudson Company Alter Affairs at Carbondale.**  
E. M. Peck, who is superintendent of the saw mill and lumber department located at Carbondale, of the Delaware and Hudson company, has had his office transferred from Carbondale to Scranton. While at the former city, Mr. Peck was under Mr. Manville's control in the railroad department, but now is answerable to Superintendent C. E. Rose, of the same department. Mr. Peck occupied his new office yesterday for the first time. No reason is assigned for the change. No other changes were made in the department.  
Another change which went into effect Tuesday after the supplies department which is still located in Carbondale. Pierce Butler, who was formerly master mechanic of the Gravity, took charge of the department Tuesday. All supplies will be centered at the John street store house. The contents of the supplies at the locomotive works will be transferred this week and the same employees will be on duty.  
Wallace Coneland assumes his new duties as yardmaster, vice Mr. Nichol, who returns to the passenger service.

**ERECTING A NEW BREAKER.**

Modern Structure to Replace the Old Leggett's Creek Building.  
Work was begun yesterday on the foundations for the new Leggett's Creek breaker, which will occupy a site close to the old structure. The lumber for the new breaker is being placed on the ground.  
It is expected that over 20,000 lineal feet of lumber will be required.  
Work will be rapidly pushed, and when the new breaker is complete the old one will be torn down. A steel tower will then be built over the shaft.

**ENVELOPES FOR DONATIONS.**

They Will Be Sent Out Today by the Letter Carriers.  
This morning's mail will carry to all parts of the city the envelopes in which the good housewives are expected to place their contributions toward defraying the expenses of the national convention of letter carriers, to be held here next September.  
There is no set of men in the city more highly regarded than the faithful postmen who trudge over their routes in all kinds of weather, and the responses to the envelopes to be sent out today should be immediate and generous.

**MAY CAREY IN BOSTON.**

Police Authorities Want Some Information Regarding Her.

The following letter was received yesterday by Chief of Police Gurrell: Probation Office, Municipal Court, Boston, Feb. 25, 1899.  
Chief of Police, Scranton, Pa.  
Dear Sir: We have an elderly woman in custody here, by the name of Mrs. May Carey, who claims that her two children, also her brother are in your city. She is unable to give the street address of any of them. As Judge Burke is very anxious to locate them, I have taken the liberty of communicating with you, thinking you may be able to find them for us.  
Mrs. Carey's brother is named James Brown. Her daughter, who was married three years ago to a man whose name Mrs. Carey cannot now recall, was in Boston looking for her mother last fall but failed to locate her for the reason that the mother was, at that time serving a sentence in the House of Industry.  
Mrs. Carey's case comes next, March 4, and I would like to hear before that time anything you can learn of her Scranton relatives. Very truly yours,  
Mary A. Maynard,  
Assistant Probation Officer.

What Mrs. Carey is charged with is not known here. The police believe she is the woman who was the central figure in several sensational police court cases in this city about five years ago. She had quarters at the corner of Franklin avenue and Center street.  
Chief Gurrell will today send to the Boston authorities the result of his inquiries.

**EIGHTH WARD CONTEST.**

John Walsh Will Test W. H. Thomas' Right to Office of Constable.  
Gross Irregularities Alleged in Second District.

The Eighth ward is to have a little election contest all its own. It will be to settle the disputed question as to who has the right to succeed to the office of Constable, which for two-score years and ten was so ably filled by the late Charles G. Carman.  
W. H. Thomas, Republican, of Lackawanna avenue, was returned as elected to the office over John E. Walsh, Democrat, of South Washington avenue flats, and E. M. Shiffer, Independent, of the central city. Thomas had 219 votes and Walsh, 214. Shiffer, who ran on stickers, received only a few scattering votes.

Walsh claims there were irregularities in the count of the Second district, where Thomas was credited with 141 votes to his 87. He says that the board accredited Thomas with a vote in an instance where a Shiffer sticker was placed over Thomas' name and a cross made in the square following it. He also alleges various other mistakes in the count which, when rectified, will make him out a winner.  
Attorney David J. Reedy has been retained to prosecute the contest and will present the matter to court in the course of a few days. He has made an examination of the affidavits and claims to have found forty-two of them defective.

**TWO MEN KILLED ON RAILROAD TRACK**

**ACCIDENT OCCURRED NEAR ST. MARY'S CEMETERY, AVOCA.**

Frank Novak and Frank Goers Were Walking on the Erie and Wyoming Valley Track When They Were Run Down by a Train, the Approach of Which They Failed to Perceive—Novak Was Beheaded and Goers Lived Only a Few Hours After the Accident.  
A frightful accident occurred last evening on the Erie and Wyoming tracks near St. Mary's cemetery, Avoca.  
Frank Novak and Frank Goers were returning from work when they were struck by an engine, No. 15, in charge of Max Miller and Conductor Morris Byer, then making a return trip from Pottsville.  
At this point the Wyoming tracks span the Lehigh Valley cut-off. A heavy train had just passed on the cut-off, leaving a dense smoke, which, with the noise, helped to make the approach of the train unknown to the men.  
Novak's head was severed from his body and he was otherwise terribly mutilated.  
Goers was also badly mangled, one leg being cut off and his head badly lacerated. He died a few hours after the accident. He boarded with Novak.  
The place where the accident happened is only a few rods from their home. Undertaker McGowan took charge of Novak's remains. While preparing them for burial he found in a sash bag tied about his leg the sum of \$19.50 in bills and silver. This amount was handed to his daughter, who with a brother and a wife in Poland survive him.  
Squire Fitzsimmons empaneled the following jury to investigate the cause of the accident: Frank Phillips, Martin Mullon, Peter Barry, Simon Tullney, John Doran, T. J. Fitzsimmons. After viewing the remains they adjourned until next Tuesday afternoon, March 7, when Coroner McKee will be present.

**INVITED TO STAY.**

Rev. Charles Prosser Wanted for Another Year by His Flock.  
At the annual congregational meeting of the Primitive Methodist church held last Wednesday evening a unanimous invitation was extended to the pastor, Rev. Charles Prosser, A. M., to return for another year. Each parish is allowed by the synod, if the church requests it, to remain five years at a church. Rev. Prosser has already filled out four years, and the invitation to remain the fifth is a merited endorsement of his able and successful ministrations.  
Rev. Mr. Prosser has devoted much attention during his pastorate here to the work among the young people, and has built up a strong band of young workers. The congregation have a pretty edifice and parsonage and are practically free from debt.
