Dr. Hartman, Columbus, Ohiot Dear Sir-It affords me great pleasure to testify to the merits of your preparation, Pe-ru-na. It has been used by quite a number of my neighbors and friends in cases of catarrh and has accomplished all that you claim for it. I have used it as a tonic, and as such I find that it is of very great benefit when my nervous system is run down. I heartily recommend Pe-ru-na to those who suffer from catarrh or whose nervous system is deranged. W. E. Chilton.

NO SLEEP FOR THREE MONTHS

One Cause of Sleeplessness That Can be Overcome.

Mr. Wm. Handschu, of 46th street, Cotton Alley, Pittsburg, Pa., expresses himself as follows regarding the new remedy for that common and obstinate disease, piles: "I take pleasure in stating that I was so afflicted with piles that for three months I got no regular sleep; I became completely prostrated, the doctors did me no good; my brother told me of the new remedy for piles. the Pyramid Pile Cure: 1 purchased of my druggist three 50 cent boxes and they completely cured me. I am once more at work and but for this excellent remedy I would be on my back. I take great pleasure in writing this letter because so many people are sufferers from this trouble who like myself did not know where to look for a permanent, safe, reliable cure.

Experience with the Pyramid Pile Cure for the past three years has demonstrated to the medical profession as well as to thousands of sufferers from piles that it is the safest and most effectual pile cure ever offered to the but that this time would be given that public, containing no opiates or poisons of any kind, painless and convenient to handle, and being sold by druggists at 50c, and \$1.00 per box, is within the reach of every sufferer.

Very often two or three boxes have made a complete cure of chronic cases that had not yielded to other remedies for years.

There is scarcely a disease more aggravating and obstinate to cure than which was postponed last Sunday on the various forms of piles, and it is a common practice to use ointments salves and similar preparations containing dangerous polsons to remove the trouble. Dear Sir-For three years I suffered with ca-

tarrhal dyspepsia. My mouth was so sore I could

scarcely eat. I wrote to you for advice and you

told me to take Pe-ru-na and Man-a-lin. I at

I began to use your medicines and I am perfectly

well, I have no signs of my old trouble .-- Mrs.

it comes from a lady of undoubted integrity who
