A Concert of Exceptional Interest Was Rendered-Marriage of John | Your head M. Armstrong and Mrs. Mary E. Barber-Lamp Exploded In the your work House of Mr. and Mrs. David to perfor n. Jones, of Filmore Avenue-Officers of Continental Mine Accidental Fund Elected.

The choir of the First Welsh Baptist church gave a concert in the church last evening in honor of Rev. D. D. Hopkins, who has been the supply pastor there for the past eight weeks. Rev. Hopkins will leave next week for a three weeks' trip through the west, and upon his return will spend another week here before returning to Wales. To show the esteem in which he is held, the concert was arranged as a fitting testimonial of their apprecia-

tion of the services he has rendered. Prof. James Hughes was chairman of the evening. The programme was commenced shortly after 8 o'clock with a selection on the pipe organ by Prof. Haydn Evans, who played "The March of the Men of Harlech" with fine effect. The rendition was a treat, as it is very seldom the music-loving public of West Scranton have the pleasure of listening to Prof. Evans on this side. Philip Warren sang a solo as the second number on the programme in the place of Thomas Beynin, who was unavoidably absent. The rendition was so well recolved that he was compelled to re-

spond to an encore. Mrs, Frank Brundage sang "The Holy City" in time voice and responded to an encore with her popular rendition of "When the Heart is Young." The Jones family quartette, composed of Miss Margaret Jones, contralto; W. W. Jones, first tenor; Llewellyn Jones, second tenor, and John W. Jones, bass made their first public appearance and made a very favorable impression. They sang "Home, Sweet Home," and in respense to an encore rendered the hymn 'I Shall Know Him.'

Miss Sadie Edwards, daughter of Mr. and Mrs. John Edwards, of North Bromley avenue, made her debut before a West Scranton audience as a contralto singer, with the selection "O Lamb of God I Come." She possesse a remarkably strong voice and sang the difficult piece in a pleasing manner, Miss Edwards was accorded a very warm response and sang a pretty ballad, which really showed her voice to better advantage than the first num-

CURES WITHOUT PAIN.

One of the Best Features of the New Pile Cure.

The Pyramid Pile Cure cures all forms of piles without one particle of pain. This desirable point is not obtained by the use of injurious oplates which simply deaden and paralyze the nerves of the parts and make matters worse in the long run. But it is done solely by its remarkable healing and soothing effects,

And while it thus gives immediate relief, at the same time the disease is not merely checked, but a radical cure is rapidly accomplished. And the point we want to make clear

ticle of pain. This fact is one great reason for the popularity of the Pyramid Pile Cure and constitutes one very great differ-

ence between It and almost any other

kind of treatment for piles. Every kind of surgical operation for piles is excruciatingly painful besides endangering the life of the patient and in most cases is not to be compared with the Pyramid Cure, neither in making successful cures without pain nor in cheapness and safety.

The Pyramid Pile Cure has been before the public so long, and its merits recognized by too many people to allow it to be classed with the many salves suppositories, pills, etc., and you run no risk in trying it, as is often the case with untried preparations. If you are ever troubled with any

form of piles or rectal disease do not forget the Pyramid Pile Cure. Pre-Marshall, Mich., and sold by druggists at 50 cents per package.

SOUTH SCRANTON READ THE SIGN BOARDS.

Warner's Safe Cure the Victor Among Modern Medicines.

It was once believed that a finger ring made from a coffin-nail would cure epilepsy. The tooth of a soldier who had been killed in battle was regarded as a remedy for toothaches. Imagine such ghastly nonsense as this parading as medical science! Yet the human mind, like the human body, must creep before it can walk. In time men learned to reason and medicine was put upon a rational basis. Back in the old days, some childish or disgusting mess would have been used to relieve indigestion. Mark the progress illustrated in this letter from J. E. Stockwell, of Lincoln, Neb.

"I have been badly affected with trouble of the stomach and have used nearly all kinds of medicines and doctored with local physicians to no avail After being almost completely discouraged, I was advised to use Warner's Safe Cure, which I did, and I am glad to be able to say that it is the only remedy that has done me any good. I have used three bottles and am feeling like a new man all over. I am thankful to the Warner's Safe Cure Co. for their medicine, and can recommend it cheerfully to those suffering as I

Another instance of the victory of rational medicine is afforded by Jacob Cramp, of Birdsboro, Berks County, Pa., who wrote, May 10, 1898;

"I have taken five bottles of Warner's Safe Cure. It relieved me of the pain over my kidneys. When I got down I could hardly get up again. I did not know what was wrong with me. I could hardly do my work. I heard of Safe Cure and thought I would try it. After taking one bottle I felt better. I am very grateful for Warner's Safe Cure and would advise people to try it."

Just one case more. Averett Perry, of Louisburg, N. C., says: "I have taken only one bottle of Warner's Safe Cure and it has done me ore good than anything else I ever took. I had an aching feeling in the pit of my stomach. I want to thank you from the bottom of my heart. I

can recommend Safe Cure as the finest medicine in the world." Does the clear and energetic language of these men leave any doubt of their sincerity? The stomach derangement spoken of is commonly associated with the approach of Bright's disease. No painted Indian ever crept to a settler's cabin more stealthily than Bright's disease invades the body. A dull white skin, tendency to perspire, indigestion and short breath gives warning of the enemy

Lose neither time nor courage. Take Warner's Safe Cure regularly, and ear in mind that it has a record of twenty glorious years. It cures all ailnents of the kidneys, liver and bladder, including even the terrible discase named for Dr. Bright. The road to health is open, if only you read the sign. board aright.
