**THIRTEENTH WILL  
BREAK CAMP TODAY**

[Concluded from Page 7.]

In honor of the Thirteenth on March 23, Colonel Dougherty said he thought the members of the Ninth would be pleased to come here to pay this tribute of respect to their old comrades-in-arms.

Major Millar, chairman of the entertainment committee, reported that it was decided by his committee to have the parade at 3 o'clock on the afternoon of March 23, in which the Thirteenth, the Grand Army of the Republic and the Eleventh regiment will participate. The societies of the city generally are asked to participate. Colonel E. H. Ripple was chosen grand marshal, he to name his own aides.

**BANQUET AT 6 O'CLOCK.**

At 6 o'clock in the evening there will be a banquet for the Thirteenth and the members of the First regiment of volunteer engineers now in this city and at 8 o'clock the reception at the Lyceum will begin. Colonel H. M. Boles, the first colonel of the regiment, will deliver the address of welcome. Colonel H. A. Courson will make the response. Short addresses will also be delivered by Colonel F. L. Hitchcock and by Governor Stone and members of his staff if they come, and probably one or two others.

IMPORTERS AND RETAILERS OF COSTUMES AND SELECT DRY GOODS.

**After an Introduction,**

If you're interested, it's well to look into the standing of your newly made acquaintance; as to his reputation, reliability, and characteristics. We introduced ourselves to the women of Scranton, through the Tribune, last September; and again on March 6th.

**Of Ourselves**

and the "how" of our methods: we have been established in Wilkes-Barre for years. Our methods are honest, our goods are of highest qualities, and our prices most moderate. We make mistakes—so do you and others; but we cheerfully rectify errors—others don't always do it that way.

We pay express or freight charges on all purchases, whether you live one or one thousand miles from our store. If, for any reason, aye, or fancied reason, your purchase does not please, we also pay the return charges. We term that fair, you must consider it surprising.

We have samples of everything cuttable, for you, if you'll make the request. Our correspondents will answer to the veriest detail any request for information. Our endeavor, is to make Mail Shopping as satisfactory as counter shopping. In either we can please. Write or come.

**The Spring Stocks**

Since a month ago the accumulation began. It continues, and will continue until the season's end is reached. The representatives of the world have their movement through this store. No other store in this corner of Pennsylvania's state has, nor will have, such a review as this.

**Costumes and Wraps**

From Paris come the Model Garments. They're here, with their reproductions by American tailors. With them are the selected creations of American designers and cutters, who have drawn inspiration from the fountain heads of Fashion.

**Dress Stuffs**

Our Parisian representative saw these weaves and fabrics long months before they reached our counters. There are novelty stuffs in single robe and skirt patterns—no duplicates—an assured exclusiveness.

Here, too, are handsome Suitings from England—smart materials for Tailor-Made Gowns and Outing Suits. And the American mills are not a whit behind their foreign cousins in the matter of newness and beauty.

**Cotton and Linen Stuffs**

This is a long story and no space to tell it in. We know we have the argest, best and most exclusive showing in this region; and we don't hesitate to state so plainly.

All the handsome summer fabrics for Dresses, Gowns, Skirts and Waists, from Switzerland, Ireland, Alsace, Scotland and this country.

**We are willing**

To spend more time in the showing of all these than we have in the telling, whether you buy or no.

ISAAC LONG.

WILKES-BARRE, PA.,  
MARCH 9, '99.

There will also be some vocal and instrumental music. The mayor will be asked to declare a half holiday on March 23. The report of this committee was adopted.

The committee that goes to Harrisburg this afternoon to care for the soldiers when they arrive there tomorrow will tonight wait upon Governor Stone and urge him and the members of his staff to attend the reception.

Manager Harvey R. Long, of the Lyceum, was present and reported that he was able to state positively that the committee can have the Lyceum for the reception on the night of March 23. Mr. Long also presented the \$50 subscription of Burgunder & Reis, lessees of the theatre, to the entertainment fund. This action was gratefully acknowledged by the committee.

**SUPPLIES FOR HARRISBURG.**

Mr. Vandling reported that he had arranged for 1,400 sandwiches and 175 gallons of coffee to supply the soldiers when they arrive at Harrisburg. Through the courtesy of Adjutant General Stewart, tin cups from the state arsenal will be supplied to the soldiers at Harrisburg. Colonel Courson reported to him that he will have 700 men with him on the homeward trip. Through the courtesy of Colonel Hallett, transportation from this city to Harrisburg and return was obtained for the members of the reception committee who leave today. Mr. Vandling's report was also adopted.

The finance committee reported that \$1,250 has been subscribed up to date and of this amount \$845 has been paid in.

The secretary was directed to invite the members of the First regiment of volunteer engineers now in the city to participate in the parade and banquet with the Thirteenth and to consider that the celebration is as much for them as for the Thirteenth. The invitation will be extended through Sergeant Hatter, who is the highest officer in the city.

The secretary was also directed to send an invitation to Chaplain N. F. Stahl, of the Thirteenth, to attend the reception. He is not a resident of Scranton and will probably not return with the regiment. He has applied for a commission as chaplain in the regular army and will probably get it.

**ON THE BEST OF TERMS.**

**American Troops and the Late Insurgents Are Very Friendly.**

Fred L. Dowling, of Wilkes-Barre, has returned from Havana, where he was a member of the Tenth United States Infantry, stationed in Cuba since November last. The principal duty of the American soldiers is to police the city and keep order.

Mr. Dowling says that although he has been sick he has enjoyed the life at the Cuban capital and has seen many interesting sights. The weather has been delightful, but when he left about the time of the big blizzard—the weather was as hot as it is here during July.

The regiment is camped on the Prado, the widest street in Havana, and close to the palace, about three blocks away. The Hotel Inglaterra and Pasaje hotel are only a short distance away on the same street. At these hotels all the officers, wealthy Americans and foreigners stop, and during the ceremonies of New Year Day much gaiety and life was witnessed by the boys.

The American soldiers and the late insurgent forces are on the best of terms and have good times together. If there is any bad feeling against Americans they do not show it, unless it may be an occasional case where a Cuban is jealous because the Cuban girls are so loud in their praise of the noble appearance of the stalwart American soldiers.

**CHILD'S LIFE IN DANGER.**

**Found a Pin Upon the Floor and Swallowed It.**

Lee Morgan, the infant son of Mr. and Mrs. John Morgan, of Brook street, met with a severe accident the fore part of the week and serious results are now expected.

The little fellow while playing found a pin which he put into his mouth and swallowed it. Since then he has suffered agonizing pain. The pin seems to have lodged some where in the throat. Doctors have been consulted

but thus far have been unable to locate the pin.

**AUSTIN BIDWELL DEAD.**

**Was Famous for His Share in Bank of England Forgeries.**

Austin Bidwell, one of the men who became famous through the Bank of England forgeries, is dead at Butte, Montana. The cause of his death was given as grip. He was 52 years of age and a native of Chicago, to which place his body will be taken for burial.

Austin Bidwell and his brother, George Bidwell, went to Butte about two weeks ago. They said they expected to start in business there, having backing in the east to engage in mining. He was taken sick about a week ago.

The story of the Bidwells is pretty well known. By means of forged securities in 1875 they got \$5,000,000 from the Bank of England after victimizing other banks in Europe by means of forged letters of credit. Their idea was to get \$50,000,000 and then compromise with the bank.

In the big game they failed and fled. George Bidwell was caught in France and Austin Bidwell in Cuba. They were tried and given life sentences, with their two confederates. After twenty years they were released.

About four years ago Bidwell spent some time in this city selling the book concerning the forgeries, which he wrote after leaving prison.

**ARRESTED AT LAST.**

**Oliver Key Held for a Theft Committed Over a Year Ago.**

Oliver Key, formerly of this city, now of Avoca, was arrested by Detective Moir and given a hearing before Alderman Millar yesterday morning, charged with larceny. Peter Hettick, the Penn avenue jeweller, appeared as prosecutor. Key was held in \$300 bail for his appearance at court.

The arrest recalls an old story, which occurred Oct. 30, 1897. Key, an accused man, went into Hettick's store and asked for ten cents for car face. Hettick did not have the required amount and went next door to have a bill changed. When he returned Key was gone and a watch and chain were missing. A warrant was issued for Key's arrest which he managed to evade until yesterday. He claims he is not guilty and does not remember ever having asked Hettick for money.

**DISFIGURED FOR LIFE**

Our little girl's humor commenced with a tiny sore on one nostril, but it kept on spreading till we thought she would never get it cured. We tried everything we could get, but it kept getting larger all the time, till both nostrils, the upper lip, a part of the lower lip, and up one side to the eye, were a solid sore. We thought there was no cure, and that she would be disfigured for life. Finally we tried CUTICURA Remedies. We used CUTICURA Remolvent and nearly a box of CUTICURA (ointment), and in a short time she was entirely well, with no scar or trace of the humor.

**A Showing of Rare Elegance-- Of Waist Silks And Imported Crepons.**

THESE are stirring in the silk section—probably the most elaborate display of richness, originality and beauty we have ever made—and should command the interested attention of every woman within convenient reach of this store. Crisp new silks in satin stripes, faille francaises, taffeta stripes and plaids, taffeta brooches, taffetas in raised bourette effects. Others have stripes of Persian designs, but all are pretty and some really handsome. There'll be no duplication of these waist lengths.

**Beautiful Black Textures**

Crepons are in high favor this spring, always a popular fabric. This year they are everybody's wants. About forty pieces, all told, of 44 to 46 in. English and French mohair and wool crepons, beautiful high luster, equal in appearance to pure silk, raised figures in hard twist and loose twist and all the crinkly effects you are likely to want.

**The New Silk Waists**

All have the French ideas of prettiness—bright silks in dark and light shades, a few in black. We have never had such a collection of waists for your choosing.
