The Women's association of the First Congregational church of Detroit has adopted a resolution favoring the removal of hats at every church service, The initial movement was made last Sunday, when two young women removed their hats so that persons back of them might see a former pastor, who had returned for the day. This action was warmly commended after the service and a request was read that the custom of removing hats be at once tarted. The action of the Women's association was the result. The decision is a sensible one.

A summer school of theology is to be opened next July at Harvard. The aim of the school is "to provide a place where clergymen and divinity students may gather for the study of subjects which may have intrinsic and current theological interest, and where they may feel the inspiration which comes from direct contact with the best and most recent results of modern scholarship." The courses to be offered will be on the Old Testament, church history and theology. Fifteen lectures will be delivered in each, besides occasional evening lectures. The work for the summer of 1900 will be in the New Testament, homiletics and the comparative study of religions. The success of the school is fairly assured by the list of instructors offered: From Harvard there will be Profs. C. C. Everett, C. H. Toy, G. H. Palmer, D. G. Lyon, J. W. Platner and J. H. Ropes. From other institutions there will be Prof. Allen of the Episcopal Theological school, of Cambridge; Prof. Clarke, of Colgate; President Hyde, of Bowdoin; Prot. CURES WITHOUT PAIN.

One of the Best Features of the New Pile Cure.

The Pyramid Pile Cure cures all forms of piles without one particle of pain. This desirable point is not obtained by the use of injurious opiates which simply deaden and paralyze the nerves of the parts and make matters solely be the comparing the long run. But it is done league, 6.30; Sunday school, 12. Morning solely by its remarkable healing and soothing effects.

And while it thus gives immediate relief, at the same time the disease is not merely checked, but a radical cure is rapidly accomplished.

And the point we want to make clear is that all this is done without a particle of pain.

This fact is one great reason for the popularity of the Pyramid Pile Cure and constitutes one very great difference between it and almost any other kind of treatment for piles.

Every kind of surgical operation for piles is excruciatingly painful besides endangering the life of the patient and in most cases is not to be compared with the Pyramid Cure, neither in making successful cures without pain nor in cheapness and safety.

The Pyramid Pile Cure has been before the public so long, and its merits recognized by too many people to allow it to be classed with the many salves, suppositories, pills, etc., and you run no risk in trying it, as is often the

case with untried preparations. If you are ever troubled with any form of piles or rectal disease do not forget the Pyramid Pile Cure. Prepared by the Pyramid Drug Co., of Marshall, Mich., and sold by druggists at 50 cents per package.

Under the name "laymen's week," at | effort to enlist 70,000 new soldiers, to increase the circulation of the army's paper by \$70,000 and to raise \$350,000. Grand Concert Beginning at 7 O'Clock,

From the Casino Balcony in the rotunda of this store. They are pronounced "Fine" by those who have heard them. They play a Violin, Mandolin and Guitar, and, at times, one of them operates a fourth instrument-a Flute Harmonica. A musical treat —All Free to You—and one you should not miss.

Store Things and Other Things.

Once in a while we like to break away from telling you what we have to sell, and instead, bright-en your thoughts as to this store of ours. When a merchant prince of the far West told us the other day that in all his travels across the continent he had seen no handsomer stores, we pronounced his judgment good-there is no finer store anywhere. The reception room on the second floor is large, with resting places a-plenty. The music room is near by-any piece you may wish to hear will be played for the asking. On the third floor a cosy den illustrates the art of home furnishing-it will pay you to see it. The restaurant is in the basement-tempting dishes are always ready to serve to you at little prices. What else, you ask? Courteous clerks by the hundreds-always ready and anxious to serve and please you. Good goods at prices that have no counterparts in this locality.
