

EVENTS OF DAY IN WEST SCRANTON

BOARD OF TRADE MEET IN MONTHLY SESSION.

Transacted Routine Business and Talked of Plans for the Future. Mr. Fern Passed Cigars in Honor of His Birthday Anniversary. Miner Seriously Injured in the Capouse Mine—Many Affairs Being Arranged for St. Patrick's Day. Personal Jottings and New Notes.

The West Side board of trade met in their rooms over the West Side bank last evening, with President A. E. Holmes in the chair. Other members present were Secretary Joseph Oliver, R. G. Morgan, John Fern, Jonathan T. Reese, Hector Campbell, H. D. Jones and Dr. P. F. Struppeler.

The minutes of the previous meeting were read and approved, and Jenkin T. Reese reported progress for the literary committee. Several bills were ordered paid and orders drawn for the amount.

President Holmes urged the necessity of keeping up interest in the board and requested the members present to speak with the other members and encourage them to attend the meetings. His suggestions were endorsed by Messrs. H. D. Jones and Jenkin T. Reese.

Secretary Oliver spoke of the necessity for action on several municipal matters, which are pending in council, and said it was a fact that the city's revenues were insufficient to liquidate the indebtedness which has been incurred. He also urged a good attendance at the next regular meeting, when the annual nomination and election of officers will be held.

The secretary was instructed to notify the members that a smoker will be a feature of the next meeting, and to request a full attendance. John Fern, outside foreman at the Oxford mine, passed cigars on the occasion of his birthday anniversary and was warmly congratulated by the members.

A common expression is: "The human race is growing weaker and wiser." That we are growing weaker is proved by the large number of pale, thin and emaciated people.

That we are growing wiser may be proved by overcoming these disorders with the timely use of Scott's Emulsion of Cod-liver Oil with Hypophosphites which gives strength, enriches the blood, invigorates the nerves and forms fat.

NICKEL-IN-THE-SLOT MACHINE MUST GO.

Warrants Issued for the Arrest of Hotelkeepers Who Have These Money Makers in Their Places of Business—Programme for the Old Folks' Concert to Be Given Next Friday Night—New Base Ball Team Organized—Marquette Council Will Debate—Personal Notes.

The mothers of some of our young boys have wondered for some time why the boys spent so much of their day reaching home on pay day. Matters came to a crisis Saturday when Patrick Shields, Joseph Murray and Patrick Harr came home without a cent of their wages. On a close questioning they stated that they had been playing the nickel-in-the-slot machines for some time and had kept losing, and on Saturday they had expected to win it back with their wages, but luck was against them.

The mothers banded together and had warrants issued for several hotelkeepers in the charge of keeping gambling machines. John Lukens, proprietor of a hotel on Oak street, is the one whom they are making things interesting for, as this was the place where the three boys lost their money. One claim to have lost \$13 on Saturday night at one of the machines. Bernard Davis could not locate Lukens at a late hour last night. The mothers express their determination to push matters to the end.

BACKACHE.

Mrs. Pinkham speaks earnestly to women suffering from this discouraging complaint.

Backache is one of the most common of woman's troubles and one of the most wearing. It is not an acute pain, but a most distressing, wearying sensation, making work almost impossible and indicating disease of the feminine organs.

A common mistake is to treat backache in women with local external applications, calling it "a little spinal irritation" or a "touch of rheumatism."

Do not be deceived; your backache means serious trouble for you unless the cause of it is removed.

All uterine and ovarian difficulties are relieved by Lydia E. Pinkham's Vegetable Compound. Such relief progresses in almost every case to a complete cure.

With relief of these troubles backache disappears.

Mrs. M. E. MULLER, 16 Franklin St., Providence, R. I., writes:

DEAR MRS. PINKHAM:—I have been using Lydia E. Pinkham's Vegetable Compound for backache. The pain was something dreadful; at times I could not walk straight. Now I am all right and enjoy good health. I feel like a new woman. You do not know how thankful I am that I have got my health back, and I have you to thank for it. Your medicine is the best that I have ever used. I advise all ladies to try it, and I am sure it will give unbounded satisfaction. I will recommend it to every friend I have.

Miss LIZZIE KOELLA, 529 Tecumseh St., Toledo, Ohio, writes:

DEAR MRS. PINKHAM:—I cannot praise your Vegetable Compound enough. For about a year I was sick with the backache. I could not work, could not sleep at night, and did not care to live. About two months ago I saw your advertisement in a paper, and thought I would try your Compound. Today I feel like a new person. I am just enjoying health; never felt so good in my life. I have recommended your Vegetable Compound to many of my friends, who are now using it, and think it is just splendid.

A woman of experience in these matters understands women, and Mrs. Pinkham of Lynn, Mass., has a wider experience than any physician, male or female. She offers you her counsel free of charge, and it is a friendly, sympathetic counsel. No man sees your letter or its answer at any time, and to secure the best advice it is necessary that you should be perfectly frank, this you can be to one of your own sex.
