COUNCILMEN BUSY.

City Fathers Hold Extra Sessions to Dispose of Business.

Both branches of councils held spe cial meetings last evening. The upper house passed on third reading the Pike street sewer ordinance and the ordinance granting franchise to the Carbondale Steam Heat and Power company. It passed on first reading the ordinance from the commoners annex ing certain territory to the First sewer district.

The most surprising thing the com mon council did was to table for future reference the franchise ordinance of the Steam Heating company, The vote was as follows: In favor of the motion to table--Messrs, Brink, Van Gorder, Colwell, Sahm, Williams; opposed, Messrs. Kennedy, Swingle and Campbell. The telephone ordinance passed finally and is now ready for the mayor's signature. Mr. Campbell wanted to amend this so the poles would have to be kept painted, but the sentiment was in favor of a general ordinance covering the point and the amendment was not pressed.

The meeting regarding the location of a silk mill which it was thought would be held tomorrow evening been postponed until next Monday the committee not being able night. to obtain the use of the hall before that date. In reply to a question as to the nature of the proposition made by the firm Attorney H. D. Carey, chairman of the committee, stated last evening the town can secure the throwing and silk weaving factory by donating them five lots, exonerating them from taxes for a period of ten years and advancing the money for the erection of a three-story brick building estimated to cost \$22,000. The firm will secure the money by first mortgage bonds upon the property, paying 5 per cent, interest maturing 25 per cent, in five years, 25 per cent, in seven years and 50 per cent. in ten years. The firm now have a large plant in Patterson, N. J., and the proposed plant for which they are seeking a location will be a branch of the Patterson factory. In the latter place they employ 400 hands, and the new plant in starting out would give employment to about 150 hands, mostly boys and girls.
