The following news item appeared in a recent issue of the Washington Post. It refers to the late David P. Barton, of Dunmore, well known here and in Scranton. It is a fitting tribute to the memory of one who "left a ray of sunshine" wherever he was during life.

"At a meeting of the employees of the district water office, Rochester George F. Cron presiding, resolutions were adopted expressive of the sympathy and respect entertained by the employees for their late associate, David P. Barton, who for twenty-five years was a faithful and efficient inspector in this office.

The resolutions recited the appreciation of Mr. Barton's associates; of his fidelity to the interests of the district government, indicated by the long term of service of the late inspector, the unflinching courtesy and kindness which marked his intercourse with his associates in office, and tendered his family their heartfelt and deep sympathy. It was also resolved that a copy of the resolutions be forwarded to the family of the deceased."

HOT TIME AT THE FIREMEN'S MEETING

CHIEF HICKEY AND COUNCILMAN ZIZLEMAN HAVE A TILT.

The Chief Openly Accuses the Councilman of Betraying the Committee by Bringing About the Death of the Change-of-Date Resolution Which Was Entrusted to Him to Pass Through Councils—New Committee Appointed to Bring About a Reconsideration of Resolution.

Despite the action of common council in holding up the resolution changing the date of the firemen's annual parade from the third week in September to May 8, the opening day of the firemen's fair, the parade date will be changed. At least so Chief Hickey declared and the fair committee determined at the regular weekly meeting last night.

Chief Hickey came to the meeting with blood in his eye. For a number of weeks past he has nursed being present at the committee meetings by reason of an eye. At one meeting from which he was absent F. W. Zizlemann, chairman of the finance committee, complained that he was hindered in his work by reason of the fact that Chief Hickey had failed to keep his promise to notify the permanent men that they might accompany the soliciting committee in making its rounds of the different districts. He also intimated very broadly that the chief's neglect in this respect was due to political causes.

HICKEY TALKED BACK.

The defeat of the resolution changing the parade date gave Chief Hickey the opportunity he looked for to get at Mr. Zizlemann. The latter is a member of common council and with Mr. Roche, of select council composed the committee appointed to push change-of-date resolution through councils. The measure passed the upper branch was delayed in the lower branch for two weeks and finally on Thursday night was killed. The commoners ruling that a change in the date of the parade would have to be made by ordinance.

Chief Hickey began his attack by pointing to the fact that one year ago last September the date of the parade was set back a month at the request of the Volunteer Firemen's association and that the postponement was effected with a resolution. Then he went on to openly charge that action of common council the night before was not honest; that everyone knew the decision was wrong and that Mr. Zizlemann, the committee-man entrusted with the engineering of the resolution, was

"Two Heads Are Better Than One."

One, however, is the portion allotted to the average mortal. If this one aches and will not work properly, it is worse than none. When this condition is present, the kidneys come in for censure and the liver is sure not to escape. As a fact, the blood is solely responsible for the condition of these organs.

Let your one head dwell on this fact, because it is the leading point in life and health. The natural blood purifier and tonic is Hood's Sarsaparilla. It has been "tried" and never "found wanting." It never disappoints.

SCROFULOUS HUMOR.

"I was in terrible condition from the itching and burning of scrofulous humor. Grew worse under treatment of several doctors. Took Hood's Sarsaparilla and Hood's Pills. They cured me thoroughly." J. J. Little, Fulton, N. Y.

PIMPLES.

"I have never been well and strong until lately. Hood's Sarsaparilla restored my strength and caused the disappearance of annoying pimples on my forehead. It is a great medicine." ANNETTE MESSEUR, 1240 Atlantic St., St. Paul, Minn.

ALL GONE.

"Had no appetite or strength, could not sleep or do any kind of work. Hood's Sarsaparilla cured the tired feeling and I do my own work." Mrs. A. D. McKillop, N. J.

ERYSIPELAS.

"A scrofulous condition of my blood caused me to suffer from erysipelas for 15 years. Physicians did not even help, but Hood's Sarsaparilla permanently cured this disease." A. E. Barra, 238 Court Ave., Jeffersonville, Ind.

VIGOR.

"As a regulator, purifier, and invigorator Hood's Sarsaparilla stands at the head of all blood purifiers. It gives young vigor." J. D. Davis, 325 State Street, Chicago, Ill.

TIERED FEELING.

"My appetite was crippled, my liver disordered and I was tired. Hood's Sarsaparilla relieved it all. It cured a friend of mine of female weakness." Mrs. JESSIE A. MEARS, Clayton, Del.

WILL MAKE A DEMAND.

Messrs. Stewart, Dempsey, Fink and Danner were added to the change-of-date committee and instructions were given that they should attend the common council meeting next Tuesday night and demand that the action of Thursday night be reconsidered and the resolution was adopted.

A committee consisting of Messrs. Danner, Jifkins and Jennings was appointed to arrange, if possible, a contest for a sword between Captain Frank Robling, of Company C, and Captain Thomas Gilman, of Company D.

Mr. Hall reported that Steiners' West Side band had offered its services for Franklin night at the fair and the secretary was instructed to express the committee's gratitude to the bandmen.

KILPATRICK BOY IN JAIL.

Joe Kilpatrick, the "tall, meek, pale-faced" boy, will not do any more sneak-thieving or pocket-picking for a while. Alderman Miller yesterday sent him to the county jail to await trial for grabbing Mrs. Clarence Baentine's pocketbook in the postoffice corridor Thursday evening.

The alderman placed the bail at \$1,000 so that the lad will be kept out of mischief pending his trial for his operations on the hill.

TEN YEARS AGONY FROM ECZEMA

CURED BY CUTICURA

For ten years I suffered untold agonies from Eczema, my lower limbs being so swollen and broken out that I could hardly go about. My brother, a physician of thirty years' practice, and other physicians of splendid ability, tried in vain to effect a cure and signally failed. I became absolutely disheartened, and had lost all hope, when a friend induced me to give CUTICURA a trial. I used two cakes of CUTICURA SOAP and two boxes of CUTICURA Ointment, and it resulted in an absolute and permanent cure.

About Novelty Dress Fabrics

Our Dress Goods Department has become the Louvre of the nations. The art weaves of the fabric world is gathered here. After a careful survey of the collection here, a customer remarked "that it is no longer necessary to send to the cities" for the highly-exclusive, highly-perfected, carefully-picked styles in ultra-fashionable fabrics. The tidal-reach and high-water mark in this and that nation's loom achievements are here, and as moderately priced as you might expect to acquire them in the cities. For the most part, in but small quantities—a dress robe of a kind—and representing the ultimate efforts of the designers.

Common-places things are not admitted to this collection:

- Silk and Wool Brocaded Matelasse Crepons
- Plain French Poppins
- Poppins with Vertical Cord
- Poppins with Polka Dots
- Plain Etamine
- Silk Stripe Etamine
- Etamine with Polka Dots
- Faced Cloths in Checks
- Spring Mixtures in Imported Coverts
- Scottish Tweeds.

Silk Poppins--75c

It's not often that opportunities for acquiring high-class novelties in Dress Silks occur so early in the season. But there's an element of hard luck for the makers in the reasons for this—so these most stylish of this spring's silks come to you at two-fifths under their real value. They are 20 inches wide and were made to sell at \$1.25 a yard. There's no flaw in the weaving or dyeing—just a case of bad management on the part of the makers, and we send them forth in a half score of new sensational shades at 75c a yd. Samples of any and all by writing.
