MORE EVIDENCE THAT EVERY HOME NEEDS THIS REMEDY.

Half the Nation Suffers from Catarrh.

GOVERNOR G. W. ATKINSON, OF WEST VIRGINIA.

Charleston, W. Va., March 9, 1898.

Gentlemen-I can recommend your preparation, Pe-ru-na, as a tonic. Its reputation as a cure for catarrh is excellent, it having been used by a number of people known to me with the very best results. Very truly, G. W. Atkinson

Fully fifty per cent, of the people of the United States are suffering from catarrh in some degree or phase. There is scarcely a home in the land entirely free from this disease. One or more members of every household either has catarrh or some other ailment directly dependent upon catarrh. Catarrh is rapidly becoming a national scourge. Its existence in the system complicates and intensifies any aliment a person may happen to have. With these alarming facts comes the encouraging news that Pe-ru-na cures catarrh. Cures it permanently; cures it by eradicating it entirely from the system. Pe-ru-na is an internal systemic remody, reaching the disease at its

fountain-head. It cures catarrh of the head, lungs, stomach, liver, kidneys, or catarrh of any other organ of the body. Mr. F. A. Dixon, 310 East Tenth street, Kansas
