Patrick Barrett's House Destroyed. John Kane's Abode Ablaze,

The Sand street dwelling of Patrick Barrett was burned to the ground at 2 o'clock Sunday night. Smoke issuing from the roof was discovered by neighbors who warned the family. A elephone message was sent from Turnbull's green house to Thompson's livery and from there was transmitted to members of the Mitchell Hose company. When the firemen reached the scene they lacked fifty feet of having enough hose to reach from the rearest plug to the burning structure, and by the time the Columbias had precured a livery team and arrived the building was beyond redemption. An adjoining house of Harry Kerins was damaged slightly. The burned house and con-tents were insured in the O'Hearn agency for \$1,200.

Yesterday morning at 16 o'clock the little son of Mr. and Mrs. John Kane, of Pike street, was playing with matches in an upstairs room, which contained several bundles of straw The straw was ignited and a dangerous blaze ensued. An alarm was sent to the Mitchells and they responded, but Mrs. Kane had succeeded in throwing the burning material out of a window. She sustained several severe burns on her arms.

### JERMYN AND MAYFIELD.

A two story frame dwelling house occupied by Mr. and Mrs. George Berry, on Foutr street, was partly detroyed by fire last evening. The fire which originated from a defective chimney, was discovered by Mrs. Berry, who, about 8 o'clock, had oceasion to go out into the yard and she saw the flames issuing from the roof of the house. She at once gave alarm, but the flames, fanned by the fresh breeze prevailing, spread with great rapidity and in a few moments the whole roof was a secting mass. Both the Crystal and Artesian hose companies responded promptly to the alarm, the former being first on the scene. By the time they had the water playing upon the flames the whole of the upper portion of the house was ablaze and beyond saving. The Berrys saved a portion of their furniture and it is understood that their loss is covered by insurance. The house, which was also insured, is the property of Clark Grosvenor, of Scott, and was advertised to be sold by sheriff's sale

The Crystal fire company has lately taken in a number of both active and honorary members. The company is wohking with great harmony and perhaps since its organization was never stronger than it is today.
