

EVENTS OF DAY IN WEST SCRANTON

COMPANY F MEMBERS HAVE DIFFERENT OPINIONS.

Some Are Opposed to Parading Tomorrow—Members of Salvation Army Are Observing a Week of Self-Denial—Members of Thimble Club Entertained at the Home of Mr. and Mrs. John F. York.

Since the return from Camp MacKenzie of the Thirtieth regiment, the membership of Company F have been divided on the question of participating in the demonstration which will be held in their honor on Thursday next.

The dissenters have made two unsuccessful attempts to get the boys together in the home of coming to some mutual understanding. The best thing to do under the circumstances is to let each side differ and let each side win.

A meeting was called for last Saturday evening, and another was called for last evening, and while many members of the company assembled in the vicinity of St. David's hall, where the meetings were to have been held, no action was taken.

The sentiment of the majority has been to select First Lieutenant David J. Davis as the commanding officer of the day, and in justice to him it is but fair to state that he has not taken any part in the trouble either way, but is willing and anxious to turn out with the boys and make a good showing.

WEEK OF SELF-DENIAL. The members of the Salvation army all over the United States are this week observing what is called by them "self-denial week" and endeavoring to

We Have Pleasure in Announcing Our Annual Spring Exhibition Of Correct Millinery Fashions for Wednesday and Thursday this Week.

Extreme novelties from the most perfect designers in Paris and London will be shown, but our main effort has been directed to making a worthy and elaborate display of modified styles embodying all the essentials which fashion demands, but illuminating these wild fancies which look well enough in fashion plates, but are impracticable, because hardly one lady in one hundred could wear them.

Common sense and the proverbial good taste of American women demand styles that are becoming to them as individuals; thus while Paris may set the pace and suggest the pattern or design, its decrees are no longer arbitrary. In a word, we accept the good, reject the extremes and create new patterns of our own.

The Display on Wednesday and Thursday

Will include Trimmed Millinery of every description. Every thing in flats, shapes and trimmings that will be worn, Veilings, Ribbons, Flowers, Feathers, etc.

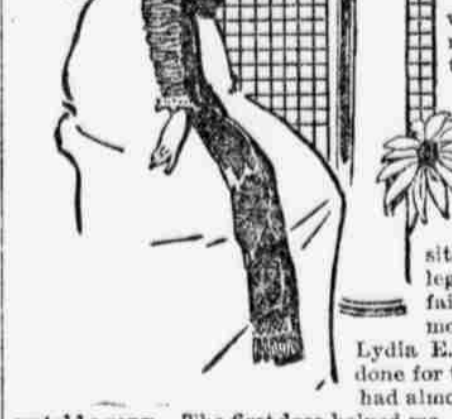

All Visitors Will be Welcome on Show Days.

Globe Warehouse. As well as the handsomest, and others are invited to call on any drugist and get a free trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is guaranteed to cure all Croup, Whooping Cough, Asthma, Chronic and Acute Coughs, Aches, Headaches and Consumption. Price 25c and 50c.

MRS. PINKHAM TALKS ABOUT OVARITIS.

Letter from Mrs. Carrie F. Tremper that all Suffering Women Should Read.

Ovaritis or inflammation of the ovaries may result from sudden stopping of the monthly flow, from inflammation of the womb, and many other causes. The slightest indication of trouble with the ovaries should claim your instant attention. It will not cure itself, and a hospital operation with all its terrors may easily result from neglect.

Mrs. Carrie F. Tremper, late, Ind., whose letter we print, is only one of many that have been cured of ovarian troubles by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I was suffering from congestion of the ovaries, misplacement of the womb, irregular, scanty, and painful menstruation, also kidney trouble. I had let it go until I could not sit up, and could not straighten my left leg. My physician gave me relief, but failed to cure me. Reading the testimonials of different women, telling what Lydia E. Pinkham's Vegetable Compound had done for them, I decided to give it a trial. I had almost given up hopes, as I had suffered untold agony. The first dose helped me. And now, after using eight bottles of Vegetable Compound, one bottle of Blood Purifier, one box of Liver Pills, I am proud to say I am as well as I ever was. I tried your precious medicine in the beginning of my sickness. All in the village know I was not expected to live when I had the first and second attacks. In fact, I had no hope until I began taking your Vegetable Compound. It has saved my life."

A Million Women Have Been Benefited by Mrs. Pinkham's Advice and Medicine

America, will participate in the parade tomorrow afternoon, and the members are requested to meet at 1:30 o'clock sharp at Masonic hall to make preparations.

GATHERED IN SOUTH SCRANTON

REV. H. F. F. LISSE WILL RESIGN FROM CHRIST CHURCH.

Has Accepted a Call from the Zion Lutheran Church at Harrisburg. The congregation of the latter is the largest in the Synod—Sketch of the Pastor—Funerals of Peter Frantz and Peter Wellor—Y. W. C. A. Will Hold Their Annual Supper—Other Items.

At a meeting of the church council of the Christ Lutheran church Friday evening Reverend Heinrich F. F. Lisse, for the past three years pastor of the above church, will tender his resignation to accept a call to the pastorate of the Zion German Lutheran church at Harrisburg.

Rev. Lisse became pastor of the Christ Lutheran church in September, 1896, after spending six years as pastor of St. John's German Lutheran church in Bridgeton, N. J. Upon his coming here he found the church property which had been purchased a short time previous to his coming encumbered with a \$2,000 debt and through earnest work and careful management he has been able to reduce this to \$1,000. Necessary repairs have been made to the interior and exterior, and a new organ was recently put in place.

About forty new families have been enrolled in the church, and the congregation has grown to nearly twice its size under his fostering care. Rev. Mr. Lisse established a Saturday afternoon school for the children of his parish, in which religious instructions and German reading and writing are given under his personal tutorage.

The new charge to which Rev. Lisse has been called is one of the largest in the Pennsylvania synod of German Lutherans. The Pennsylvania synod is the oldest and largest of the kind organized over 150 years ago by Muhlenberg, founder of the Muhlenberg college. The church is one of the grandest edifices in Harrisburg, being built of stone and fitted with all modern conveniences. There is also an elegant parsonage in connection with the church.

As a proof of the ability of Reverend Lisse, it might be stated that he was called to the pastorate of the above church without any solicitation whatsoever on his part, never having preached in the above church during his ministerial career. The call came to him as an utter surprise.

Rev. Lisse's predecessor at Harrisburg, the Rev. George Von Basse, was a personal friend of Mr. Lisse's, and on his part, never having preached in the above church during his ministerial career, he received formal notice of his election Sunday afternoon by telegraph.

Some time ago he was invited to preach at St. John's church, Harrisburg, Sunday, April 17, and on that occasion he received formal notice of his election Sunday afternoon by telegraph.

The conditions existing between the pastor and his present congregation are most pleasing and he leaves with the best wishes of the members here. Though those with whom he has been so closely connected for the past three years feel sorry to part with him, they are elated over his success in being called to such a broader field.

He will preach his farewell sermon at the Christ Lutheran church Sunday, April 25. Next Sunday Mr. Lisse will confirm the largest class ever confirmed at the Christ Lutheran church. The children have been drilled in the religious instructions necessary to receive the sacrament under his careful tuition. Easter Sunday holy communion will be administered to the children and adults of the congregation. In public life Rev. Mr. Lisse has many friends here regardless of nationality, and is regarded as an authority on many leading questions of the day.

A QUEENLY WOMAN

Says: "No Woman Should Be Without Pe-ru-na."

The wife of the distinguished McKee Rankin, member of the accomplished and versatile Phyllis Rankin, herself the foremost and best known character actress and stage artist of this generation—such is Mrs. McKee Rankin. A magnificent specimen of American beauty, a perfect picture of health, a paragon of womanly grace and accomplishments.

What is the secret of such success? What is the explanation of such varied and dazzling achievements? No one thing, probably, and yet although many things may be combined to perfect this remarkable woman, yet in her own mind one thing deserves first mention. We quote a recent letter from her to Dr. Hartman, in which a few lines are furnished to her own opinion as to one element of her success. She says: "No woman should be without a bottle of Pe-ru-na in reserve. The inventor deserves the thanks of all to whom a clear voice is a means of livelihood. As a remedy for catarrh of the head and throat, it is, I believe, without an equal. Even a slight cold or cough of absolutely incapacitates an actress for business. Pe-ru-na is an effective preventive against these nearly inevitable afflictions."—Mrs. McKee Rankin.

A healthy woman is becoming more and more rare. But comparatively few women who are suffering with catarrh know that this is the case. Their trouble is called dyspepsia, heart trouble, female weakness, nervousness, debility; indeed, almost the whole category of medical terms has been applied to catarrh of some organ of the female anatomy. If these women would only realize that their trouble is probably catarrh of the stomach, or liver, or lungs, or pelvic organs, and cure themselves with Pe-ru-na, how much unnecessary suffering would be saved.

Not one whit less enthusiastic are the men in praising Dr. Hartman's remedies for catarrhal diseases. Hon. E. E. Hood, Clerk of West Virginia House of Delegates, in a recent letter from Charleston, W. Va., to Dr. Hartman, says: "It affords me a great pleasure to say a few words in commendation of your remedies. Pe-ru-na and Mannitol. I have used them both, and, as a tonic, Pe-ru-na certainly has no superior. Mannitol is a most valuable remedy for chronic constipation, has proven its worth, not only in my own case but in a number of others that have come under my observation."
