**An Unusual and Affecting Scene in the Council Chamber—An Item for the School Board to Consider.**

**Birthday Celebration and Several Condensed Locals Memorized and Jotted Down.**

The most crest-fallen individual who ever plodded his way down that circuitous stairway from the council chamber was James Hennigan, the ex-member from the Fifth ward, after he was informed by Chairman Lagan that he was no longer a member of the select council and was simply holding himself in contempt when he offered to deliberate that body. When the meeting was called to order he assumed his accustomed seat, and after listening to the reading of minutes by Secretary Flannery, a portion of which explained to him that his seat had been declared vacant, he could no longer suppress his emotions, and he jumped from his seat, and in a plain language explained to the members of the council moved in their seats and the stillness was almost oppressive when Chairman Lagan, in formal notes, solemnly informed him that the time had passed when he could assume the privilege of addressing the council, that he was now merely a plain citizen and any further explanation from him could not possibly be entertained. He cast his eyes imploringly about the room and even at the group of scribes in the reporters' den for a glance of sympathy, but members and reporters alike, picking up his coat and hat, and vacated the "great objector's" desk and as he approached the elevator (that is not) he informed the chairman that he would be present at the next meeting and would come prepared to stay and assume the duties of the office to which he was elected. During the balance of the session a resolution was introduced asking that a special election be held on April 1 to fill the vacancy caused by the ousting of Hennigan. The latter, we understand, is already a candidate, and if elected, the vacancy will have to be filled from among the members of the council.

The funeral of the late Christopher Nooney was held on Tuesday afternoon and was largely attended. In accordance with the wishes of the deceased, services were held in St. Rose church, Carbondale. The lawyer held his first breakfast in the armory last Friday evening, which was a grand success, both in proceeds and music. There was a large attendance. The boys were well pleased with their first effort in raising funds for uniforms. They were also favored with assistance from the Hanesy band, which came up and furnished some excellent music during the evening. The lawyer band has made wonderful progress during the two months it has existed. They have secured Mr. Fred Gill, late of the Thirtieth Regiment band, as musical director.

**PECKVILLE.**

The sounding of the fire alarm about 2 o'clock yesterday morning was caused by the burning of two buildings on the East Side, near the Sterrick Creek breaker. The fire originated in a large double block occupied partly by Andrew Bashko, who conducted a saloon. Part of the building was not tenanted. The fire had gained great headway before the alarm was sounded. Jessup Hesse company responded, but upon laying their hose found it was frozen, having been left on the cart from a former fire without being drained. It was nearly half an hour before a stream could be gotten on the fire. Meanwhile, a dwelling owned by John Mornack and occupied by Mike Skille had burst into flames and was also burned to the ground. At one time the Sterrick Creek breaker was considered in danger and the call for help was made. The Wilsons, from this place, responded promptly, but the wind changed and their services were not needed. The double block burned was owned by E. Robinson, of Scranton. Mr. Hushko and family had a narrow escape from cremation, as the fire started in the barroom and had spread rapidly before being discovered by the occupants. The tenants of both burned buildings lost all of their household effects. The loss is partly covered by insurance.

# The Whole Truth

Nearly every woman in America needs treatment at some time in her life for troubles of the generative organs.

To treat these cases properly it is necessary to know all about them, and full information many times cannot be given by a woman to her family physician. She cannot bring herself to tell everything and the physician is at a constant disadvantage.

**Mrs. J. F. Stretch, 461 Mechanic St., Camden, N. J. writes:**

"DEAR MRS. PINKHAM—I was a sufferer from female weakness. Every month regularly as the menses came, I suffered dreadful pains in uterus, ovaries were affected and had leucorrhoea. I had my children very fast and it left me very weak. A year ago I was taken with flooding and almost died. The doctor even gave me up and wonders how I ever lived. I wrote for Mrs. Pinkham's advice at Lynn, Mass., and took her medicine and began to get well. I took several bottles of the Compound and used the Sanative Wash and can truly say that I am cured. You would hardly know me, I am feeling and looking so well. Lydia E. Pinkham's Vegetable Compound made me what I am."

**Marie Lemp, 108 2d Ave., New York City, was advised by her physician to take Lydia E. Pinkham's Vegetable Compound.**

This is her letter:

"I have three children and suffered with falling of the womb and flooding. My physician scraped the womb, still the flooding continued and I was no better. At last he advised me to use Lydia E. Pinkham's Vegetable Compound. Then I thought I would write to Mrs. Pinkham, for she could advise me better than any one if I was to take her remedies. I received her reply and followed all her directions and I am very glad to send you this testimonial, for Lydia E. Pinkham's Vegetable Compound is just what it is recommended to be. I advise all women who suffer from these complaints to try it."

**Mrs. Remicker Finds Relief From Pain.**

"DEAR MRS. PINKHAM—I feel it my duty to write and thank you for what your Vegetable Compound has done for me. It is the only medicine I have found that has done me any good. Before taking your medicine, I was all run down, tired all the time, no appetite, pains in my back and bearing-down pains, and a great sufferer during menstruation. After taking two bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman. I am now on my fourth bottle and all my pains have left me. I feel better than I have felt for three years and would recommend your Compound to every suffering woman. I hope this letter will help others to find a cure for their troubles."—Mrs. Della Remicker, Rensselaer, Ind.

**Another Tumor Successfully Expelled.**

"Two years ago I was a great sufferer from womb trouble and profuse flowing each month, and tumors would form in the womb. I had four tumors in two years. I went through treatment with doctors, but they did me no good, and I thought I would have to resort to morphine. The doctor said that all that could help me was to have an operation and have the womb removed, but I had heard of Mrs. Pinkham's medicine and decided to try it, and wrote for her advice, and after taking her Vegetable Compound the tumors were expelled and I began to get stronger right along, and am as well as ever before. Can truly say that I would never have gotten well had it not been for Lydia E. Pinkham's Compound. I cannot praise it enough."—Mary A. Stahl, Watsonville, Pa.

Every woman puzzled about her health may write to Mrs. Pinkham, at Lynn, Mass., and will receive advice promptly, free of all charge.
