DR. L. W. MUNHALL GAVE A PURITY TALK TO MEN.

It was the Feature of Yesterday Afternoon's Young Men's Christian Association Meeting-Special Services in the Providence Presbyterian Church-Sermon of the Rev. Mr. Grant-Observance of the Feast of the Passover-Palm Sunday at St. Peter's Cathedral-Services During Holy Week.

Dr. L. W. Munhail, of Philadelphia, talked to an audience of men yesterday at the Lyceum meeting, which almost exhausted the seating capacity of the auditorium. The subject was "A Purity Talk to Men" and he followed his

He himself is a feel that I am permanently recover-living example of what the truths he ling. talks of can do for a man, if the man himself will, and that very personality has brought power to the many, many addresses he has made in this broad land.

The address of vesterday was considered from the view of that passage of Scriptures found in Ecclesiastics xi:9. Mr. Munhall treated his topic under three different classes, heart, sight and result. His main thought was that man, being a free agent, could do as he pleased. He might follow the desires of his heart and sight, be it for good or evil, but the judgment was sure. He told of the evil effects of the York. liquor habit, the terrible disaster which follows always in the wake of the lust

He paralleled the destruction of Sodom and Gomorrah, Pompell and Herculaneum and told of the decay of France The same evil was threatening America and the righteousness of the young men must be its salvation.

The man whose conscience was clear, who was right with God and kept his name free from taint was better by far than all others in any walk of life for it was the satisfying pleasures to come which would be his reward. He oneluded his talk with a reminiscent sketch of his own life during the early days of his young manhood and he then invited the men present to after their mode of living if it was not right and realize the benefits of being "right with God" as he had done. About fifty

men responded The Young Men's Christian association orchestra assisted in the service and Dr. C. M. Giffin offered prayer.
