THE SCRANTON TRIBUNE-WEDNESDAY, MARCH 29, 1899.

CARBONDALE.

NO APPROPRIATION.

Councils have decided to disregard the state law and not pass an appropriation ordinance but leave it for the incoming members to take a hand in. They had one printed out that is as far as it got, and now there isn't time enough to get it through both branches. The reorganized councils are sure to make several changes, and before the new mayor signs it there will doubtless be added a board of health item, as he is preparing to fill he board's vacancies and put the organization in old-time form.

CHANGES OF INTEREST.

"T had eighty-one hemorrhages, sometimes spitting five pints of blood at one time." That's the statement made by Cornelius McCawley, Leechburg, Armstrong Co., Penn. He continues: " My doctor did all he could for me, but

could not stop the hemorrhages, and all gave me up to die of consumption."

Mr. McCawley didn't die. He's well and working. He found means to stop the hemor-rhages. He read an advertisement like this one. It had a testimonial in it from Mr. C. H. Harris, who'd been cured of a similar ailment by the use Dr. Pierce's Golden Medical Discov-ery. He wrote to Mr. Harris—to quote his own language: "I sat down and wrote to him describing my case."

"I got a letter from Mr. Harris, saying: 'Dr. Pierce's Golden Medical Discovery saved my life,' and advising me What Mir. Harris Said to try it."

" I told my doctor that I would try Local Doctor Said 'Golden Medical Discovery,' and he said, 'You might as well take water.'

"I thought it was only DIE anyway, so I wrote to Dr. Pierce, and commenced the use of the 'Discovery.'"

The Result

"That was over two years ago, and I have not had any bleeding since. I can truly say your medicine cured me. I am a walking, living advertisement for your grand medicine.

The Testimenial of C. B. Barris, Esq., 1622 Second Avenue, Rock Island, Ills., to whom Hr. McCawley wrole.

"Dr. Pierce's Golden Medical Discovery saved my life and has made me a man; my home-physician says I am good for forty years yet. My case was a case just between life and death, and all of my friends were sure it was a case of death, until I commenced taking a second bottle of 'Golden Medical Discovery, when I was able to sit up and the cough was very much better, and bleeding from my lungs stopped, and before I had taken six bottles of the 'Golden Medical Discovery' my cough ceased and I was a new man and ready for business. 'Golden Medical Discovery' saved my life when doctors and all kinds of medicines failed to do me any good.'

Not a word of comment is needed to strengthen the above facts. They are facts. They're strong enough. If they are not, they are supported by the testimonials of thousands who have been cured by " Golden Medical Discovery."
