A COMMUNICATION.

Editor of The Tribune.

Sir: The contested election of the writer has, of course, many advocates, and many who favor the action I have taken but here. The cash store on North Main street s closed to day, owing to the death of taken, both in Olyphant and other towns: but there are some people who seem to think it a waste of time and money, and that the result is not worth much, which-ever wins. Therefore to those who are in favor of the contest, and those who are against it. I wish to state a few facts. I received nothing like justice from the election board on election day, and yet I Frank Collins has returned home from am convinced that I have a nice majority of the votes cast, and that the election officers counted ballots for my opponent, Dr. Wheeler's Private hospital. Dear Sir: In order that the citizens of Olyphant, and especially those of the Third ward, may be fully satisfied that I have done everything in my power to avoid the proposed test between us, and that I do not wish to place any expenses upon the borough (they have enough now pay), if it can be avoided, and it can be avoided if you consider the proposi-tions I offer reasonable. A contest is to be deplored at any time, but if all reapropositions fail, it is all that is left to be done.

Now I am perfectly satisfied to a rething possible to have it done. You know that the law will not allow the boxes to be opened, except in the usual way, but by an agreement between the contestants it can be done. If you con sent to the recount of the ballots, I will promptly pay all expenses regardless of the result of the count. You know the orrect count, and if you have 91 votes in ie First district and 3 in the Second, or 91 In the ward, you have nothing to fear and ought to be willing to accept the above. In the Second district I received 35 and you 3 votes, yet I do not anticipate any change in the vote if it is recounted. although you claim a false count was

made there.

If a recount of the ballots proves that you have a majority, and that I have re-ceived credit for all the votes cast for me. I willingly will apologize to the election officers, and will reimburse you for the expense I have caused you in retain ing lawyers, car fare, etc., to the extent of \$100. Therefore if the result of the recount proves that you are elected you have nothing to lose. Now this seems to me to be very reasonable, as it gives all the privileges you could expect, and re es the borough from any cost, and the oters from annoyance, and the court from troubles which usually fellow a con

A MAN CAN'T WORK

When He Is Suffering With Piles.

He Can't Eat, Sleep, Can't Get Comfort Any Way But One-Pyramid Pile Cure Will Cure Him; Give In- & stant Relief.

Just a little pain may so distract a 3 nan's life that it will cost him hundreds of dollars. Life is a battle. To succeed one needs all his energies and all his brain force to apply to the question at hand. Even a corn will make & him irritable, cross, angry-and an ancry man seldom succeeds. The trifling pain of a corn is a pleasant feeling besides the agonizing ache of piles. That is a pain which seems to pervade the whole body. It communicates itself to all parts near the reat of the trouble and brings on a heavy dragging feeling in the perineum. Those who do not so suffer do not know what it means, It racks the nerves, prevents sleep, prevents concentrated thought and makes a man lose flesh as fast as he would with a violent fever.

And yet piles are looked upon as a little thing. They are neglected-al- & lowed to run on from month to month and from year to year. By and by comes a surgical operation. Maybe it cures-maybe it kills.

There is only one sure, safe and quick cure for piles. It is the Pyramid Pile Cure. It is a recent discovery and its properties are such that it cleanses, soothes and heals the inflamed parts, reduces the inflammation at once and with continual treatment, removes all swelling and all trace of disease. It puts the membranes in a healthy active condition and cures completely and permanently,

From C. F. Collins, Garnett; "I commenced using the Pyramid Pile Cure, & but my case was so bad that I was afraid the remedy would fail, but before I had used two-thirds of a package I began to feel much better and I can honestly say I am entirely cured. It is the quickest and surest remedy I have heard of."
