

EVENTS OF DAY IN WEST SCRANTON

RUFFIANS ARRESTED ON ROBINSON STREET LAST NIGHT.

Special Officer Ferber Encounters Two Highwaymen—Additional Patrolman Assigned Last Evening—Women's Home Missionary Society Meeting—St. Paul's Annual Ball—Funerals Yesterday, School Deposits from Pupils of Nos. 13, 19 and 32—General News Notes and Personals.

Special Officer H. F. Ferber made an important arrest on Robinson street about 10.30 o'clock last night, which may be the means of breaking up a gang of ruffians who have terrorized pedestrians in West Scranton for a long time.

The two men had stationed themselves in a dark spot on Robinson street, each holding a large brick, and evidently intended to waylay somebody, when their plans were frustrated by the timely arrival of Officer Ferber. They had accosted one man, and had frightened two ladies who had occasion to pass by the spot, but ran against the wrong man when they held up Ferber. One fellow asked what time it was, and when told the hour, he came abusive. The chief told them to pass on, but they refused and he attempted to arrest them. In doing so, one of the men showed fight, and the assistance of two citizens was necessary to subdue him.

A messenger was dispatched to the police station, and Patrolmen Thomas Jones and Kiah Peters hastened to the scene and took the ruffians in tow. They had thrown the bricks away, but a large knife was found on one of them. When questioned, they said they resided in Old Forge, and Cassidy also gave the name of Patrick Moran, and Thomas gave the name of Evan Thomas. They will be given a hearing this morning.

Baby Talk for Baby's Mother...

A mother's personality is repeated in her baby. She may dress, talk or act as she pleases, but the baby tells the story of her innermost self as truly and surely as though it had been revealed through an all-seeing eye.

We Care for the Baby's Needs

And cater for their every want as far as clothing goes, and do it with a thoroughness that shows our interest in the work. Nowhere else in town does the Baby's Dress get so much attention as here, and mothers generally are beginning to realize that the Globe Warehouse buyers save them an immense amount of trouble and worry. Indeed, most of them admit that the task of providing for baby's complete outfit is better cared for by us than they could have done it personally, and then there's the question of saving. Outfits cost less money here than any mother could make them for, and they're always right. Never disappointing, for every little garment and fixing is as prettily, daintily and conscientiously made as good materials, good workmanship and specially trained skill can make them.

Baby's Long or Short Dresses

Are receiving special attention this week in one of our large show windows. Look at them critically. Note the fineness of the material, the perfect matching of the edgings, inserting, laces, the beauty of the workmanship, and the exquisite taste displayed in the styles. Then ask about prices, which are far lower than you'd think, to look at them.

Baby's Coats, Baby's Skirts

Baby's Slips, Bands, Socks, Vests, Stockings, Booties, Caps, Hoods, Veils, Mittens, Carriage Robes—everything in fact that a baby can wear or ought to wear at every season and under all conditions, is here, and here you get it at its best, no matter how your taste or ability to spend may lead you, for the mother of limited means is our first thought and chief care in this department, although there is practically no limit if you can afford it and you wish your darling's raiment to be extravagantly fine and needlessly extravagant.

Soul and Body

are closely connected. A sick body means had temper, unhappiness—in fact, a sick soul. One reacts on the other. Strengthen the body by cleansing and purifying the stomach, and thoughts will fly away and you'll find life a merry song. Hostetter's Stomach Bitters is a blood purifier and stomach tonic. Honestly used, it never fails to cure the worst troubles resulting from weak stomachs.

side has been needed for a long time, and will be much appreciated by the residents of the Fifteenth ward, one of the largest in the city. This additional officer will create the necessity for a patrol box in that section, as the nearest one is now located at the Columbia Fire company's house on Division street. It is to be hoped the councilmen of the Fifteenth ward will have the necessary box provided.
