CARBONDALE

ALBERT GISLON SHOT.

Ezriah Wolfenden Placed Under \$1,000 Bail Yesterday.

Ezriah Wolfenden, a desperate character who resided near No. 1 mine on the South Side, was arraigned before Alderman Jones restorday charged with having shot Albert Gislon with intent to kill. He pleaded not guilty. Mr. Gislon testified that several shot took effect in his shoulder and two companions who were with him on the Delaware and Hudson caboose when the shooting occurred corroborated his testimony.

It seems the three men stood on the rear platform when Wolfenden, who was passing with his housekeeper, who gave her name as Minnie Hill, and home as Jermyn, was seized with a fit of jealousy. He ran in his house and brought out a shot gun with which he did the mischief.

The prisoner said he was shooting at a hen hawk, and the alderman committed him to jail in default of \$1,000 bail.

Wolfenden is apparently 40 years old while the girl with whom he has been living does not appear to be twenty. She says he becomes insanely jealous at times.

\$25,000 CHURCH.

The vestry officials of Trinity church have been instructed to proceed at once to erect a stone church upon the property owned by the parish and that the secretary be authorized to ask a number of architects to submit plans for a stone church in cost not exceeding \$25,000. Nothing definite as to the site or the material to be used in constructing the new edifice has been decided upon. The general opinion is that Forest City white stone will be used and the building will face Sixth Park, in Welsh. A cordial invitation avenue and will occupy, partly, the present site of the old rectory. The present rectory will in all probability fair. be remodelled and made in keeping with the other attractive surroundings,

BITTEN BY A BULL DOG.

Contractor T. C. Robinson was bitten on the leg yesterday by a large bull dog he met on Farview street. After having his wounds dressed Mr. Robinson repaired to his home and secured the tructy rifle which in his younger days he had handled with such good effect. He returned to Farview street and sought out the owner of the dog who at once admitted the necessity for the death of the vicious brute. He turned it out into the yard and Mr. Robinson killed it with the first hullet which went through the dog's brain.

LOCAL AND PERSONAL.

ence of the Mayfield band attracted a large number of people. The fair will be continued for ten nights.

Flesh and

Blood...

Mr. and Mrs. John Price, of Kings on, and Miss Kate Cawley, of New York, who have been visiting relatives ere, have returned home.

With each returning season we show something new and desirable in bicycle construction.

good things than ever. One of these good things is the BURWELL BALL AND ROLLER BEARING.

particularly that the little steel roller between the balls transfers the motion without interruption and the balls cannot grind together as in ordinary bearings.

Cleveland Bicycles

We have been running the spindles of our cup and cone grinding ma-chines mounted in Burwell Ball and Roller Bearings at a speed of 35,000 turns per minute, 10 hours per day for many weeks and the bearings are RIGHT.

The circumferential travel of these spindles is 1041 MILES IN 10 HOURS-a greater test for endur-ance than the bearing would be subjected to when used in a bicycle for an ordinary life-time. Ordinary bearings under the same

conditions cannot be run at more speed than 12,000 turns per minute. There is othing "ordinary" about Cleveland Bicycles. Every piece of material and every hour of labor is the best money can buy. We cater to a trade that wants the

best and knows the best.
