ARE NOW IN THE CITY.

Men Who Are Behind the Scranton Telephone Company.

William C. Hendrickson and Edward E. Barneman, of Trenton, N. J., who are at the head of the Scranton Telephone company, which is seeking from councils the privilege of establishing a system here to compete with the Central Pennsylvania company, arrived in the city yesterday and are stop-

ping at the Jermyn. Their plans, they said were fully and accurately set forth in the article printed in The Tribune of Monday last. Only one change and one addition were suggested. The change was that in stend of \$11 and \$20 for business and residence phones, respectively, they preposed to charge \$36 and \$24. They would also like to have attention called their franchise to a competing commy it becomes null and void.

BOARD OF CHARITIES.

Transacted an Amount of Routine Business Last Night.

A regular meeting of the Board Associated Charities was held last night in Postmaster Ripple's room in the postoffice building. The attendance was large and T. J. Kelley accedas chairman in the absence of President Ripple, who is ill. The only business transacted outside of routin work was the appointment of Mis-Agnes Moyles as an assistant to Mrs. W. B. Duggan, the board's agent. Miss Moyles is a niece of Mrs. Duggan.

Assistant Treasurer D. J. Phillips reported that there was a balance of \$516.26. Agent Duggan's report indiated that she had received pinety eight applications and made fifty one investigations, finging forty-two worthy and nine not worthy. Sever persons were given employment, four transportation, four lodgings, one sent to the Hillside home, one to the hospital, and seven to the House of the Good Shepherd. Five persons were avrested on various charges, two being medical care. Four persons were warned for begging and three were sent to outside authorities.

Mrs. Duggan also reported several

William Conner, car inspector, was Three stalls lie directly back of the steamer room and the other four are in the rear of the hose wagon room. substantiated was going the rounds. The doors on the stalls are covered investerday to the effect that a large side with galvanized tin and the stalls number of men were to be laid off at are sided and floored with hard wood ADJOURNED SESSION.—Notices were sent out by Clerk Jones yesterday for the adjourned meeting of common council story.

the car shops. Superintendent Canfiddle Canfiddl An iron tile drain runs the whole tength of the stalls and is connected with the sewer. The seven foot space between the stalls and the rear wall is emented and inclined so as to insure The half story above the dryness. Mayor Moir yesterday for the first stalls will be used for the eats and time exercised his prerogative of mak- bran bin and baled hay. A double coling operative with his official signa- unn chute leads from the grain bin to ture, measures passed by the legisla- the stable and nearby is a neat little medicine closet. The stalls are ventilated by means of two large open stacks tive was the resolution changing the leading above the roof and placed didate of the firemen's annual parade rectly over the stalls. They can be from the third Thursday in September opened or closed as needed. A door Hyde Park avenue and Academy street for use in the stables and apparatus

COMPANY APARTMENTS. A small stairway leads from the hoswagon room in the rear left hand corroom on the second floor over the steamer room. This room is fitted with a uniform and permanent men's clothmitted to connect his premises with ing locker and a book case. To the left of the head of the stairway is the entrance to the assembly or company meeting room. To the right of the stair head is the bath room (7x9). In ins, a bath tub and water closet. The bath room is fitted with an Adams instantaneous water heater," and ho vater can be obtained in two minutes. It is a small boller-like affair, about 2x1\2x1\2 feet in size with gas jet atachinent. The bath room is papered arpeted with a waterproof felt line

The reading and assembly room linoleum and are papered so as to give a light but quiet effect. Passing from the reading room into the front room over the steamer room, one enters the bunk room. Herein will be placed six cots for the permanent men. ompany will carpet this room. A ventilator leading to the roof gives a

good air circulation here. From the reading room to the left, s the assembly room. Around the three sides of this room are built combination seats and lockers. In front of this and over the hose wagon room s the parlor, handsomely papered. A false fire place with a mantel is a feature of this room.

Thus one can gain a fair idea of the sities of perfect quarters.

IN THE PLAY HOUSES.

"The Head of the Family."

William H. Crane and an exceptionany fine company presented "The Head of the Family" at the Lyceum last night. It is a play suggested by "L'Arrenge," and was adapted to the needs of the American stage by Clyde Fitch and Lee Ditrichstein.

It is a three-act drama with an in teresting story and was well presented and handsomely staged hist offert Some of the very clever members of Mr. Crane's company are Ysobel Haskins, Percy Hoswell, Gladys Wallis, Olive Oliver, Kate Lester, Boyd Putnam and Frederick Truesdell,

The strongest scene in the play is at the end of the second act, and in this Mr. Crane did the best work of the evening. He won an enthusiasta curtain call. The role is not a very congenial one for Mr. Crane, and the play itself is rather colorless. It has not been long on the stage.

"The Deacon's Daughter."

Miss Katharine Rober and her comany gave a fine presentation of "The Deacon's Daughter" at the Academy toral charge of Rev. T. A. Nulls at of Music yesterday afternoon and in charge of the church at Bernice. This afternoon and evening

BUSINESS OF

HARD AT WORK.

The second day of the Lackawanna Presbytery, which is in session at Plymouth, was devoted to business ses sions. A large amount of routine work was accomplished. The Presbytery is a fine looking body of men and the essions are largely attended. A number of Scranton men were in attendance yesterday. Among whom were Rev. Dr. Logan, Rev. Dr. James Mc-Leod, Rev. Dr. C. E. Robinson, Rev. Dr. Lansing, Rev. Mr. Steinman, Rev. Mr. Guild, Rev. Dr. Nordt, Rev. Mr. Moffatt, Messrs, J. H. Torrey, Frink, Carr, F. K. Tracey, E. A. Reynolds and G. W. Benedict

The morning session opened at 3 Rev. D. T. Smythe, of Avoca, leading the devotional exercises. Rev. A. M. Higgins was received from the Presbytery of Newton and Rev. T. S. Ermentrout, from Huntington. from the Second church of Wyalusing for the pastoral service of Rev. f. S. Ermentrout was read and the commission from the church by C. A. Stowell was heard. The call was then found in order and placed in Mr. Ermentrout's hands. He was granted leave to hold the call until the next meeting of the Presbytery.

James C. Campbell. The reports were introduced by their pastor, Rev. E. Flack. Stewart Day is the son of Rev. W. J. Day, who was unable to be present at the session. The young men

pel ministry. A number of clergymen were introduced. Rev. C. W. Harvey, pastor of the Christian church; Rev. W. L. Evans, pastor of the Congregational

MISSION DEBT ALMOST PAID. Rev. Dr. John Dixon, of New Bruns wick, gave the address of last evening. Dr. Dixon is the assistant secretary of the Board of Home Missions, and is a brilliant speaker. He told of the debt which once oppressed the board with the weight of \$360,000, but which has been reduced to \$14.0 ... The Lackawanna Presbytery has paid to-ward this debt \$763.42, including a conribution of \$550 from Dr. Hodge's church, Wilkes-Barre. The Presbytery has contributed the sum of \$5,019.77, an advance of \$250,

If the debt be secured and the board can report it to the General assembly as paid it will be able to take up new work in Alaska, along the Yukon valley, where it is proposed to send threministers, perhaps five, and to Porte Rico, where one or two win be sent The board expects to heed calls in some new and old places long demanding service. No church is greatly prosperous unless it is active in miasion work,

The speaker then proceeded to describe graphically the heroism in mission work. In no place is this shown more than in Alaska, where along the Yukon, men are ready to go and suffer untold privations for gold. They are also ready to go for Christ, and missionaries there bury themselves as cut off from communication with the world, save perhaps once a year, they are worse off than in Central Africa where they can reach the outer world in twenty-four hours by telegraph.
