

EVENTS OF DAY IN WEST SCRANTON

EDWARDS ROY SAYS HE WAS MISUSED.

His Case Reported to the Board of Associated Charities and Assistant District Attorney Thomas Was Asked to Make an Investigation. Supper Given by Ladies of the Plymouth Congregational Church. Fire on the West Mountain—Funeral of the Late James Hendrew.

Several years ago a family named Edwards resided in Nanticoke and comprised the father, mother and five children. They moved to Plymouth, where the mother died and the father was killed in the mines. Two of the children were cared for by families in Plymouth, one went to Carbondale and two came to this city, the latter being taken in charge by Mr. and Mrs. John Hurn, of 325 North Fourth avenue.

They were two boys, whose ages are now about 18 and 14 respectively. The former lived with the family until about eighteen months ago, when he procured employment with Charles Kaufman, proprietor of the Metropolitan dining rooms on Lackawanna avenue. The other boy, who has been employed in the breaker at Briggs' shaft for the past four years, remained with the family until Monday of this week, when he disappeared.

Early Tuesday morning Outside Foreman Thomas G. Moran found him in the engine room at the shaft. The boy stated that Mrs. Hurn had torn his clothing and driven him from the house. Mr. Moran gave him some money to buy food.

The boy was sent to the central city, where he was assisted by his brother. He returned to the shaft later in the day and said he was afraid to go home, as he was unwell. William D. Williams, a resident in the vicinity of Florence avenue and Lafayette street, took him in charge, and is now caring for him.

Mr. Moran reported the case to Mrs. Duggan, the agent of the Board of Associated Charities, and the matter was referred to Assistant District Attorney W. Clayton Thomas, who will make an investigation of the case.

The men among the mines where the boy is employed, that many days during the course of the winter young Edwards was sent to work with

scarcely any clothing on his body and a crust of bread in his dinner pail. The boy earned wages varying from \$10 to \$20 a month, which he turned over to his foster mother. He said he received but one suit of clothes in two years and was abused and neglected on various occasions. Mrs. Hurn has four children of her own. Her husband is employed as an engineer at the Mt. Pleasant mine.

SUPPER AT PLYMOUTH CHURCH. The ladies of the Plymouth Congregational church held a supper in connection with the lecture on "The Strongest Man in the World." A masquerade ball will be given in Moors' hall this evening under the direction of several well-known young gentlemen, which promises to be an elaborate affair.

The Twentieth Century Dramatic club will celebrate Dewey's Day, May 1, with an entertainment and social at St. David's hall.

Another Object Lesson. The passengers on an east-bound Laurel Hill-Taylor car at 1:45 o'clock Tuesday afternoon were somewhat frightened when the car touched the West Lackawanna avenue crossing and the power gave out just as the car was within a few feet of the main track.

A freight train was approaching just above the crossing and the men in charge of the car signalled Gateman Thomas Condit to flag the train. The power was turned on by this time, and the car crossed in safety. The occurrence was simply another illustration of the necessity of a viaduct over the tracks.

JUMPING ON THE CAR. A 4-year-old boy named Clarence Sweeney, while playing around a Lafayette car near Kuykendall avenue, had a narrow escape from being run over Tuesday evening.

He was jumping on the cars as they passed, and was thrown under and carried along with the car some distance. The boy sustained injuries about the head. Conductor Toby Gardner and Motorman Perry Clark were in charge of the car.

GENERAL NEWS NOTES. An unruly passenger on a Taylor car Tuesday evening was ejected at the

A supper will be served at Simpson Methodist Episcopal church this evening from 6 to 8 o'clock, and an entertainment will follow. The affair will be in charge of the ladies whose names begin with the letters A, B, C, D and E.

Rev. H. C. Schmieder, of New York city, who was elected by the Synod of the Christian Lutheran church to succeed Rev. H. H. Lisse, who retires from the pastorate Sunday next, sent a telegram yesterday recalling his letter of acceptance sent early in the week.

Schmieder's congregation considered him too valuable a man to lose, and in consequence made such flattering offers that he decided to remain with his charge. At the Christ church Rev. Mr. Lisse will preach his farewell sermon Sunday morning next, at the evening service.

HAPPENINGS OF NORTH SCRANTON

WILLIAM CABO HAD A NARROW ESCAPE FROM DEATH.

Brilliant Anniversary Celebration of the Knights of Pythias in the Auditorium—Making Preparations for the Celebration of Dewey Day. Notes of a Personal Nature—Welsh Presbyterian Church of Wayne Avenue Will Hold an Entertainment on May 8.

William Cabo, a clerk with 250 & Dickerson, had a very narrow escape from death yesterday. Mr. Cabo was driving on South Washington avenue in a buggy and was crossing the Delaware, Lackawanna and Western railroad when the gates were let down on him, cutting and bruising his head severely.

He barely escaped being run down by a train by turning the horse sharply, upsetting and smashing the buggy. He was taken home, where Dr. Jenkins dressed his wounds.

ANNIVERSARY CELEBRATION. The most brilliant banquet and entertainment of the year was held last evening in the Auditorium, when the Knights of Pythias held their first anniversary. The hall was handsomely decorated for the occasion and presented a most beautiful appearance.

CONCERT TONIGHT. All arrangements for the concert to be given at the Court Street Methodist church tonight have been made and it is expected that the expectations of success will be realized.

WITHEWROU HIS ACCEPTANCE. Rev. H. C. Schmieder, of New York city, who was elected by the Synod of the Christian Lutheran church to succeed Rev. H. H. Lisse, who retires from the pastorate Sunday next, sent a telegram yesterday recalling his letter of acceptance sent early in the week.

The Shirt Waist Season Is Here...

Again and, as usual, we're ready to meet it with a matchless line of the season's best productions.

Yes, Waists Are Different This Year

Very much different, but full of common sense ideas, backed by a dressiness that was entirely wanting last year. Even thrift wasn't lost sight of when the up-to-date waist was planned, for all of them will wash and launder up again to look as good as new.

Cambrics, Ginghams, Piques and Corded Batistes

Are the most popular waist weaves in vogue, white stripes of all sorts running in every direction that fancy seems to suggest are first favorites as to style. Of course, plain shades are much in demand also, in such colors as Cadet, China and Royal Blue, shades varying from Pale Lavender to Deep Purple Pinks, Pale Greens, Salmon and New Brown Tints are also shown.

As to Making And Fashion's Designs

We may say that every Shirt Waist leaving the Globe Warehouse is as properly made as perfect workmanship can make it. As to designs—sleeves, yokes and body modeling, are cut to fashion's latest demands. The sleeves are clear cut, but easy enough to be comfortable, while the deep pointed yokes, with diagonal cords and tucks, lend smartness to the effect and trimness to the figure. The fronts to many of our waists are cut full from the yoke, but are not dowdy or the least slovenly appearance. Ladies with full figures will appreciate this feature at its true value. Some of

Hamburg Insertings, Edgings, Laces and Cord Work being used to great advantage. We have all the novelties in Ladies' White Shirt Waists also, but there's time enough to talk of these later.
